

By popular demand, the Northeast Kansas City Historical Society is proud to announce plans to publish a SECOND BOOK featuring homes, businesses and churches as they existed in their early days, as well as how that same view looks today.

This hardbound, quality publication will include featured properties from all six of our Northeast neighborhoods—Independence Plaza, Indian Mound, Lykins, Pendleton Heights, Scarritt-Renaissance and Sheffield.

Your participation and sponsorship of our historic structures will not only support the Northeast Kansas City Historical Society's commitment to historic documentation, but will also permanently document and record photographs and brief histories of locations that are important to you.

For your sponsorship, NEKCHS will take a current photograph of your Northeast property from the same camera angle as a vintage photograph. (If this picture is not available through the Missouri Valley Room at the Downtown Library, with your assistance, a different photograph may be substituted for the "vintage" visual perspective.) NEKCHS will also provide brief research to include historic facts in your write-up that are specific to the property, along with information you may provide about the featured home, church or business.

Please note that the Book will only include properties within the boundaries of the Northeast Area, as included in the neighborhoods mentioned above.

***For your sponsorship, you will receive one copy of the book.***

**Cost per Sponsorship:**

\$55.00 for sponsorships paid by June 30, 2016

\$60.00 for sponsorships paid between July 1, 2016 and September 30, 2016

\$65.00 for sponsorships paid between October 1, 2016 and December 31, 2016

\$70.00 for sponsorships paid between January 1, 2017 and the Deadline.

For more information, please e-mail [president@nekchs.com](mailto:president@nekchs.com) or call 816-221-9245.

**Your participation and support will enable future generations to remember a Northeast property that is important to you.**

***Space is limited, so do not delay!***
