Thou Dear Northeast

Ethel May Rugh '14

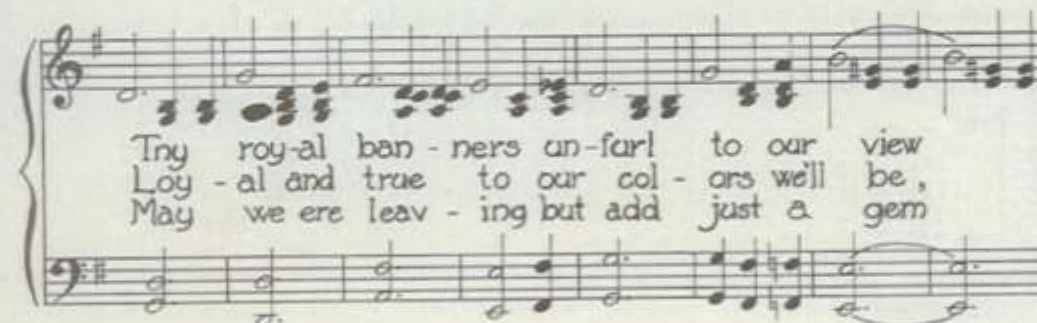

Dr. A.W. Nell

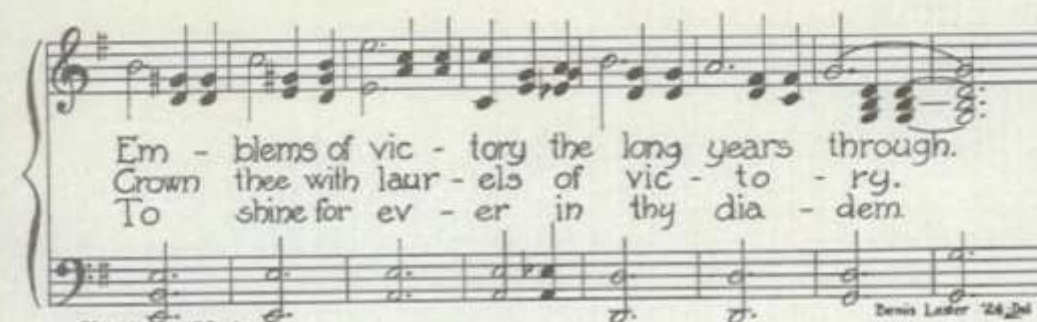

Thou, dear North-east, art the fair - est of all,
With thee, North-east, there is none can com - pare,
We come and go as the years pass - ing by

Peer of all oth - ers, nev - er to fall;
Pur - ple and white a - loft in the air;
Add to thy glo - ry, dear North-east High;

Tny roy - al ban - ners un - furl to our view
Loy - al and true to our col - ors we'll be,
May we ere leav - ing but add just a gem

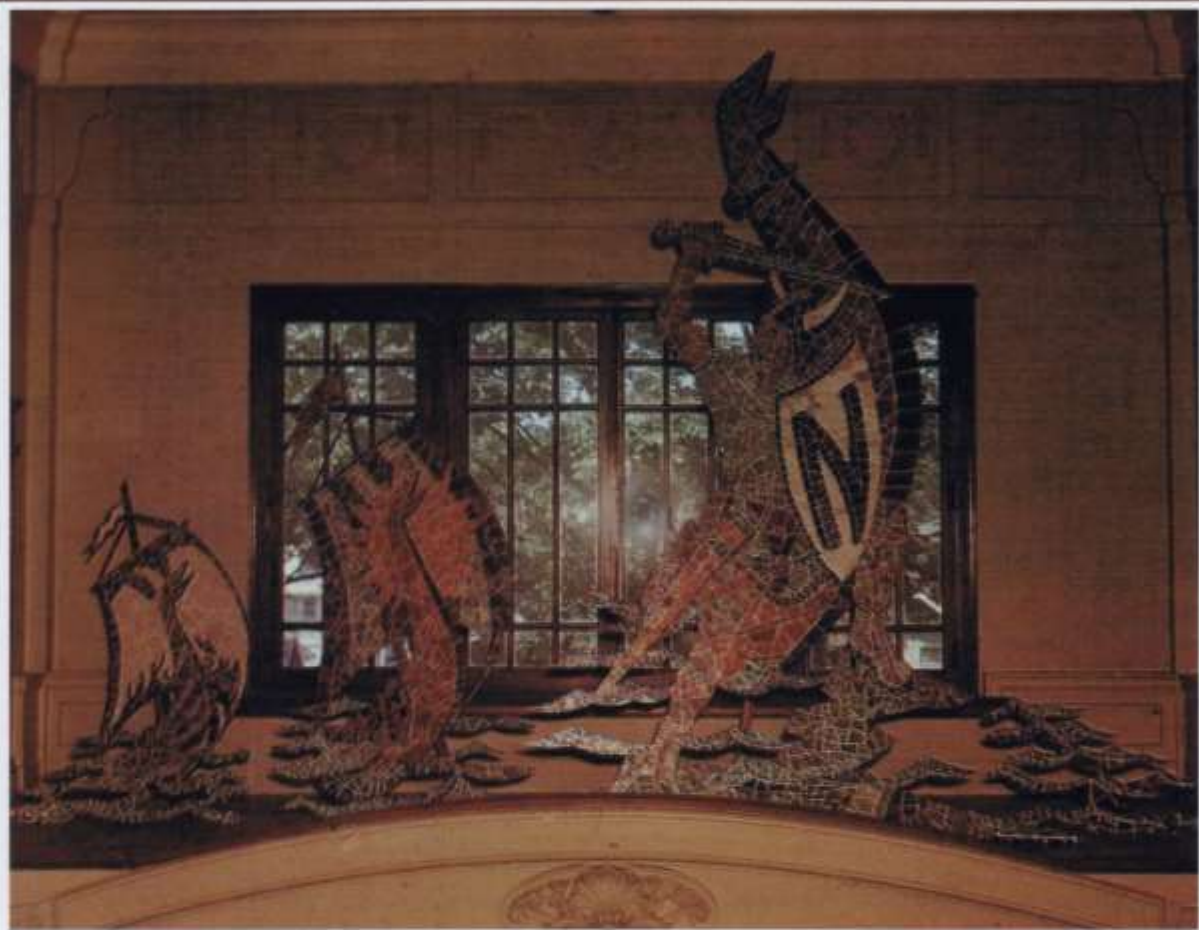

Em - blems of vic - tory the long years through.
Crown thee with laur - els of vic - to - ry.
To shine for ev - er in thy dia - dem.

The **BOARD OF EDUCATION**, composed of six public-spirited men and women, give much energy and a vast amount of time, so that Kansas City may have an efficient school system.

The **PARENT-TEACHER ASSOCIATION** can always be relied upon to work tirelessly on any undertaking that it believes will improve the public schools.

PARENT-TEACHER ASSOCIATION OFFICERS — Mrs. Harry Kern, Corresponding Secretary; Mrs. Marvin Breuer, Recording Secretary; Mrs. J. F. Hill, President; Mrs. David Bywaters, First Vice-President; Mrs. B. H. Katz, Second Vice-President; Mrs. A. B. Fuller, Historian; Mrs. O. W. Newton, Treasurer.

SUPERINTENDENT'S STAFF (left to right)—Nate W. Downes, Assistant Superintendent in Charge of Buildings and Grounds; Roscoe V. Shores, Associate Superintendent in Charge of Instruction; Dr. Harold E. Moore, Superintendent of Schools; C. S. Robinson, Assistant Superintendent in Charge of Personnel; George C. Tinker, Assistant Superintendent in Charge of Business.

PUBLIC SCHOOLS UP TO A HIGH STANDARD

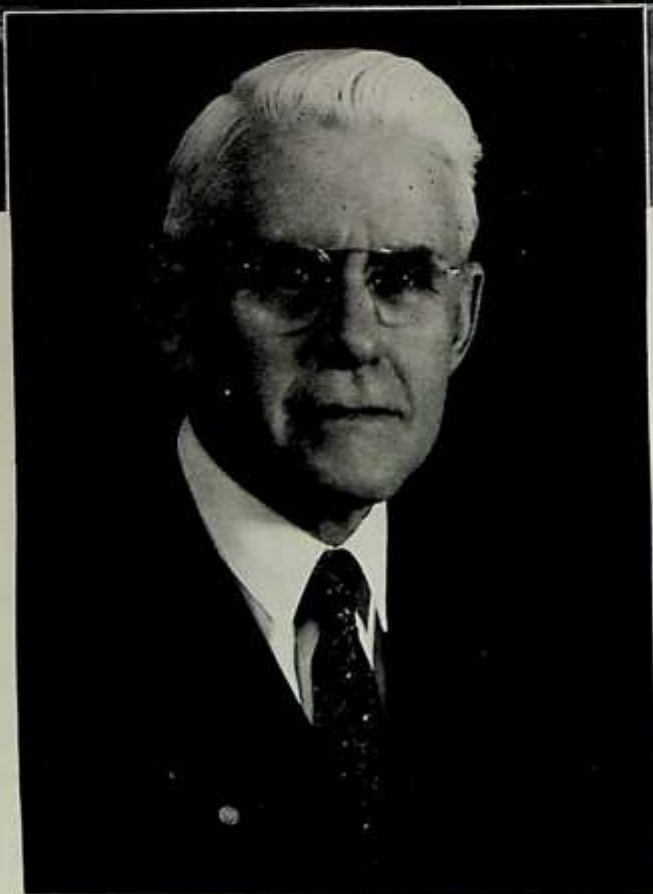

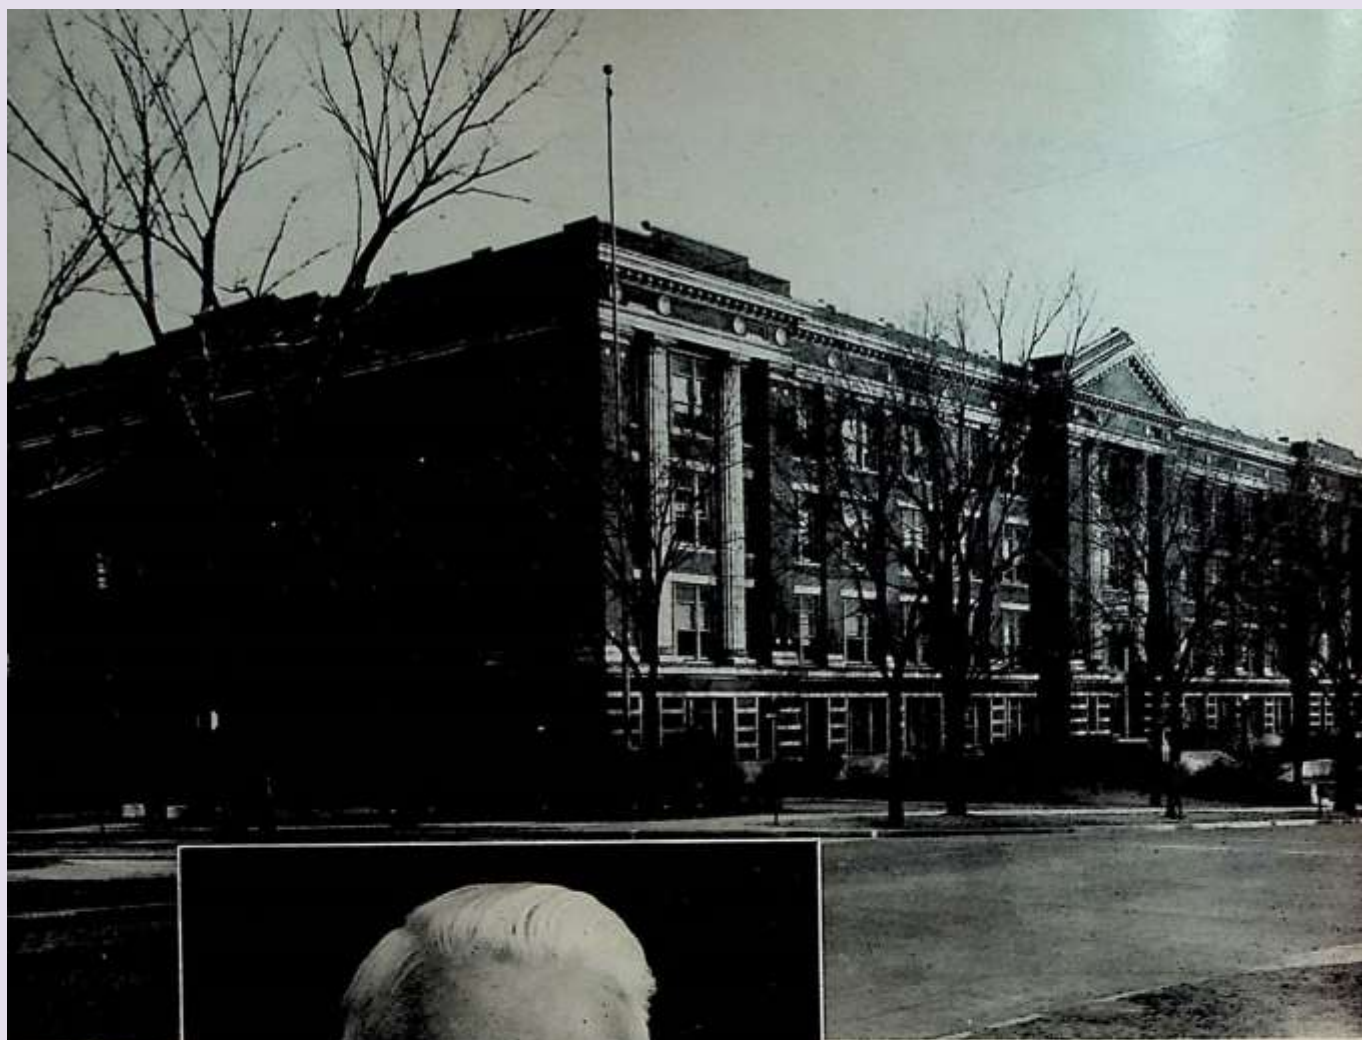

THE SUPERINTENDENT AND HIS STAFF—

The superintendent of schools, Dr. Harold E. Moore, who began his work in Kansas City in February 1948, has the administration and general supervision of all public schools in the

city. Acting under the direction of the Board of Education, he and his staff are responsible for putting into effect the school policies as formulated by the Board.

Mrs. J. F. Hill, President of the Northeast Parent-Teacher Association, conducting one of the regular monthly meetings.

MR. J. L. LAUGHLIN

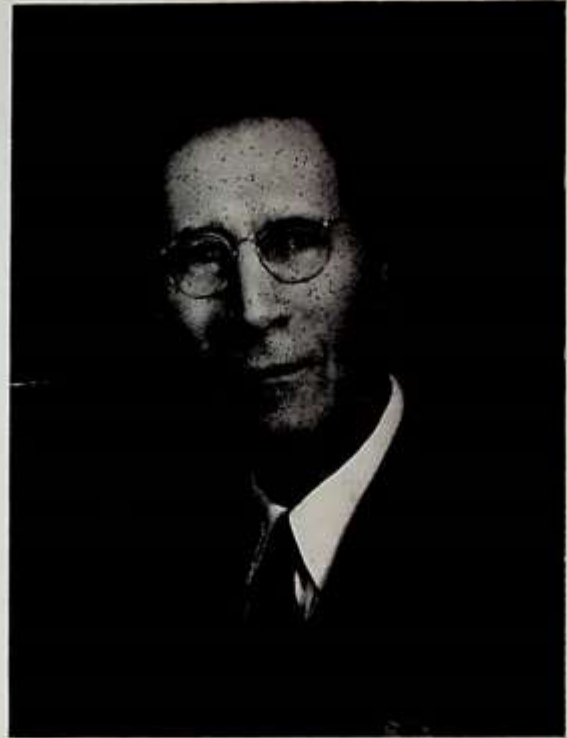

Principal

To Mr. Laughlin, our principal, we extend gratitude, not only for his untiring efforts to make our school a better and happier place, but also for his helping in every possible way as we prepare for the years that are to come. Through close association we have come to know Mr. Laughlin as a good friend.

MR. G. W. DAVIS

Vice-Principal

Mr. G. W. Davis, vice-principal of Northeast, faithfully devotes his time to the many duties which are demanded by the responsible position which he holds. The efficient manner in which he handles his work shows that he has an unusual capacity for organization.

MISS HELEN JOHNSON

Counselor

Every student is familiar with the pleasant smile and friendly greeting of Miss Helen Johnson, our counselor. She is always ready to listen with sympathy to students who bring their problems to her, and to give intelligent advice. Besides her work as counselor, she is also co-adviser of the Student Council.

1. Please take a letter, Miss Heinrich.

3. Again, please, how do you spell that name?

4. But that's a women's college, Miss Johnson!
5. Money invested in a library gives much better returns than mining stock.—Sir William Osler.

THE BETTERMENT OF THE SCHOOL

To co-operate with the administration in solving school problems, to promote a better understanding between pupils and faculty, and to improve the appearance and operation of the school are the purposes of the Student Council. Composed of representatives elected from each homeroom, the Council is divided

into committees, each with a chairman and a faculty sponsor. These chairmen serve on the executive committee, along with the elected officers. This executive committee plans the meetings and discusses the suggestions or criticisms brought before the Council.

T H E S T O R Y B E H I N D

In the first semester, the Newswriting Class, under the direction of Mr. Thomas Ditmars, studies the "do's" and "don'ts" of journalism; in the second semester, it receives the actual experience involved in publishing the school paper.

The Northeast Courier, as the paper was named in 1926, was first published in 1913, as a quarterly magazine. Since that time it has become a four-page newspaper, and is published every two weeks.

The staff gathers the school news, and the printing classes, working under Mr. O. W. Kunz, set up the copy and print the paper, generally working under a terrific strain to get the paper out on time.

Modeled after a daily newspaper's organization, the staff is composed of an editor in chief and four page-editors; business, mailing, and circulation managers; feature, exchange, and editorial editors; and the ever-faithful reporters. The latter "dig-up" the news and place it in the hands of their respective editors, who work like mad the day before deadline, preparing the pages for the print shop. From the print shop, the paper is delivered to the students, faculty, and the out-of-town subscribers.

Thus, through the co-operation of the printing department and the Courier Staff, Northeast students are kept up-to-date on school news, and those producing the paper receive valuable experience in journalism.

Here are two members of the staff who always have plenty of work to do. The Editor in Chief, Edna Mortimeyer (right), and the Assistant Editor, Emily Hartman.

A LOYAL STAFF WORKED BUSILY FOR

The many hours of hard work and worry are behind us now, leaving in their place this volume of memories, the Nor'easter. It is our sincere hope that it adequately covers this important year in Northeast's life.

Some of the tasks we faced were laying out the dummy, picture taking, picture identifica-

tion, mounting senior pictures, collecting money for cut and space, proof reading, and the Nor'easter sales campaign.

Write-ups and stories cover every organization represented in the book. These are written and rewritten, read and reread, until they are in the best form.

NOR'EASTER STAFF—Standing: Dana Hickam, Chairman of Index Committee; Phyllis Burge; Betty Graupner, Typist; Pat Hamilton, Typist; Joan Hisey. Seated: Jeanne

Johnson, Norma Keeler, Don Holden, Hulda Sue Francis, Co-Business Manager; Ramoth Millin.

Advisers in Informal Chat

Miss Mabel Newitt, Nor'easter Art adviser, may be offering art advice or "laying down the law," while Arthur O. Kresse, literary and business adviser, is giving respectful attention. The staff is not quite convinced that Mr. George Calvert, photographer, is not dreaming of a fishing trip.

A YEAR TO BUILD THE NOR'EASTER

Proofs of all written material and of the pictures are pasted into the dummy in the correct place. When the material is all in and the dummy is completed, it is sent to the printer who prepares the pages for printing. The printed pages are bound and the cover is put on the

finished product; the 1949 Nor'easter is then distributed.

Yes, producing the Nor'easter is a rugged assignment, but all of us have a feeling of satisfaction now that we have completed the job, for we feel that we have done our best to produce your yearbook.

NOR'EASTER STAFF—Standing: David Kobe, Katherine Hogan, Secretary; Beverly Breuer, Anna Marie Accurso.

Co-Business Manager; Betty Bloom, Tillie Hagerty. Seated: Bonnie Brown, Barbara Babbit, Jack Price.

Dear Bird,

You surely must not have changed
much since grade school. From what I
hear and in your picture, you were a
mean little devil and I can't say that
you've changed much. Good luck
anyway.

BOOK III

Seniors 1949 and 1950

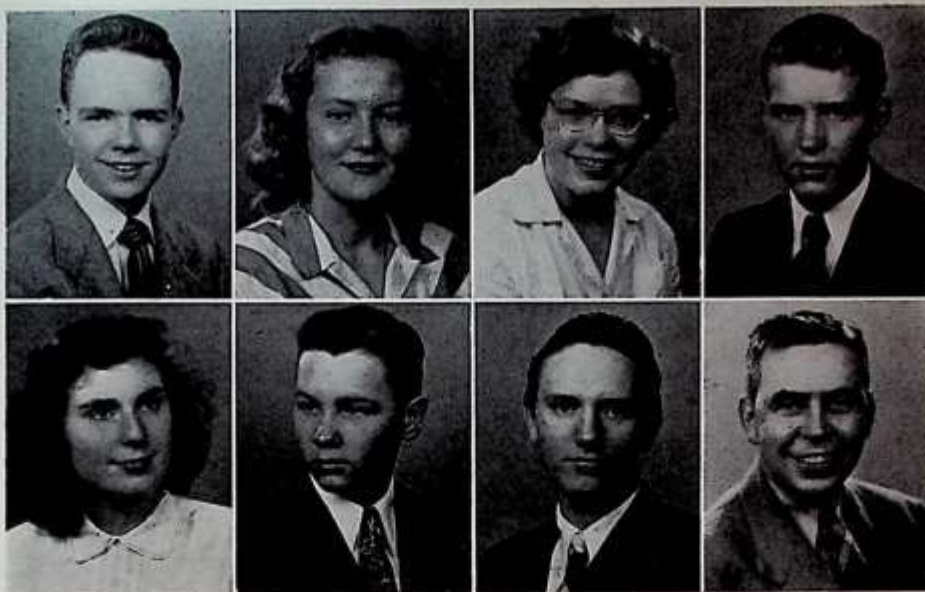

SENIORS PLAN FOR THE FUTURE

Several studies have been made to determine the kind of work that our graduates take up after leaving high school. This year we have selected twelve of the most frequently mentioned vocations, and with the courteous co-operation of Kansas City business firms, we have taken pictures of Northeast students on the jobs which many of our graduates plan to enter when they are properly prepared.

1. Each year a number of our girls enter nurses' training.
2. Many will take up some phase of airplane work.
3. Radio work or some form of entertainment has great appeal.
4. More than one-fourth of our students will attend college.
5. Homemaking will call the great majority of our girls.
6. Others look forward to some phase of newspaper work.

Vocational Pictures Continued on page 70

SENIOR OFFICERS—TOP ROW: Jack Price, President; Bonnie Brown, Vice-President; Gertrude Minnick, Secretary; Bill George, Treasurer. BOTTOM ROW: Jane Chartrand, Giftorian; Don Dickerson, Sergeant at Arms; Charles Guy, Reporter; Mr. Calvert, Adviser.

ELECTED BY CLASS FOR TOP POSITIONS

Being president seems to be a habit with Jack Price. During the last three years, he has been PRESIDENT of the Senior Class, the Student Council, the Debaters, and the Hi-Y. Among his many talents is his ability to make friends.

Our competent VICE-PRESIDENT, Bonnie Brown, is well known for her dynamic personality. A girl of vim and vigor, she can always be found near the scene of any school activity.

The job of class SECRETARY is capably handled by that jolly good girl, Gertrude Minnick. She has shown outstanding athletic ability in all girls' sports. She is president of the Clionians.

Besides being a friendly, popular boy, Bill George, class TREASURER, is also one of Northeast's top athletes. He is known for his engaging personality.

The class GIFTORIAN is Jane Chartrand, Northeast's most popular senior girl. She has been president of the Clionians and vice-president of the Y-Teens. Janie is noted for her flaming red hair and her flashing personality.

Representing the senior class as SERGEANT AT ARMS is Don Dickerson. He has a high scholastic rating and has many extracurricular activities. He is president of the Bentons, and vice-president of the Student Council and Hi-Y.

Another athlete, Charles Guy, steps up to fill the position of REPORTER. He has taken top honors in both football and basketball.

For the third year, the senior class has for its ADVISER Mr. George Calvert.

The class of nineteen forty-nine - - - - - Has tried all virtues to combine.

SENIORS PLAN FOR THE FUTURE

Continued from page 40

1. A number of our friendly, competent students are already learning to give the public efficient, courteous telephone service.
2. Twenty-five per cent of our graduates do some kind of office work.
3. Some of our students plan to engage in scientific research work.
4. A number of our students are doing over-counter selling even while in school and, on graduation, find ready employment in salesmanship.
5. Learning how to wear attractive clothes to the best advantage is important in any girl's life.
6. Many of our mechanically minded students will take up automobile mechanics.

JUNIOR OFFICERS—TOP ROW: Charles West, President; Robert Nagamoto, Vice-President; Ramoth Millin, Secretary; Pat Esker, Treasurer. BOTTOM ROW: Ann Williams,

Giftorian; Don Powell, Sergeant at Arms; Betty Manners, Reporter; Mrs. Bell, Adviser.

JUNIORS ELECT SEVEN OFFICERS

Charles West, known not only for his athletic ability, but also for his popularity, is the PRESIDENT.

Robert Nagamoto, the VICE-PRESIDENT, is recognized for his high scholastic rating as well as for his excellent record in R. O. T. C.

"A lady of mystery" and also of charm is the SECRETARY of the class, Ramoth Millin. She has many friends and many activities.

A darling girl, with plenty of pep and personality, is Pat Esker, TREASURER of the class.

Many say her sweet ways, pleasing personality, and winning smile won Ann Williams the position of GIFTORIAN.

Donald Powell is the SERGEANT AT ARMS. Although he's shy, he was voted most popular boy on the Junior Ballot.

Betty Manners is the class REPORTER. If she gets the news as skillfully as she skates on ice, we shall expect great things from her.

Mrs. Gertrude Bell is the class ADVISER.

THERE WILL BE NO 1950 NOR'EASTER

A few years ago the Kansas City Board of Education decided to add an eighth grade to the school system. In order to do this, certain changes had to be made in the grades, which resulted in our having only a few seniors in Kansas City high schools in the 1949-1950 school year. Northeast will probably have a

hundred seniors instead of the usual five hundred. Since much of the financial support for the Nor'easter always has come from the large graduating class, we felt it would be wiser to include in this year's book both the 1949 and the 1950 classes, and not go to the expense of publishing a book in 1950.

SOCIETIES DO MUCH TO PROMOTE

Northeast has four literary societies for girls and two for boys.

Their purpose is to encourage literary interests, to uphold the highest ideals of scholarship, and to promote friendships. The year's climax is the Annual Lit Contest, which ends

with a very colorful declamation event, held at night in the school auditorium. At that time the winners of all events—prepared speech, declamation, poem, short story, essay—are announced in the midst of the greatest excitement.

LITERARY INTERESTS AT NORTHEAST

Their outstanding social event is the inter-society dance, which is held nearly every year.

At the year's close, the girls have farewell banquets for the seniors, and the boys usually have picnics.

Mr. G. W. Davis, vice-principal, supervises all the work of the societies, which owe very much to him for the interest he shows and the help he gives.

The ART CLUB provides opportunity for group work in a chosen field. Problems in crafts, murals, painting, cartooning, and photograph tinting have been tried. Trips are made yearly to places of interest.

The FOREIGN LANGUAGE CLUB offers its members an opportunity to become more proficient in speaking the languages they are studying, and to learn about the literature, customs, and music of countries in which these languages are used.

Under the leadership of Mrs. Lucille Hensley and Miss Josephine Woodward, the organization meets every two weeks in the girls' gym.

Kerplop! Don't be alarmed; it's just another member of the SEAL CLUB, diving gracefully into the deep, dark water.

After struggling with lifesaving last year, they are now perfecting formation and precision swimming, as well as diving and racing techniques.

With their colors of blue and white and with the commendable purpose of promoting physical health, these little seals flap their flippers at you and say, "Bye, now; see you in the pool."

SEAL CLUB—BACK ROW: Beverly Smith, Lila Davis, President; Janie Chartrand, Vice-President; Laura Caley, Secretary. **MIDDLE ROW:** Nancy Wasson, Betty Manners,

Who knows? It may be that some day a member of the **SPEECH ARTS CLUB** will see his name in flashing neon lights on Broadway or have his name billed beside that of Ethel Barrymore.

For many years Northeast had a Dramatic Club, but last year it was changed to Speech

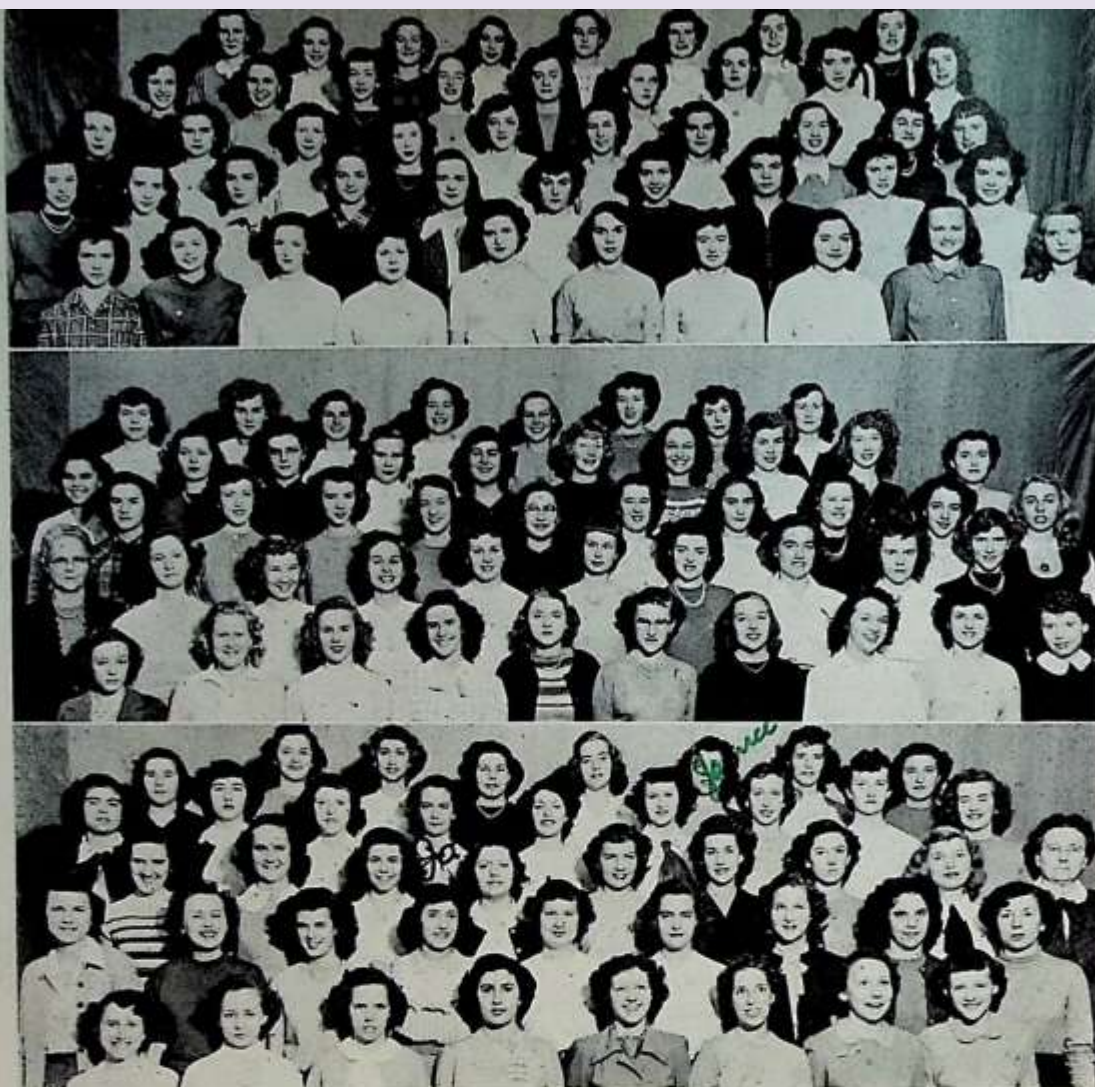

Arts, so that the members could participate in other forms of speech work.

At each meeting a program of monologues, pantomimes, skits, or radio scripts is presented to help develop and further interest in dramatics and public speaking.

MANY ENROLL IN VOCAL MUSIC COURSES

Northeast has an excellent vocal music department, which has a boys' glee club, girls' choruses, mixed choruses, and a special voice class. One fourth of our students are enrolled in one or more of these classes. Throughout the

year, the a cappella choir represented the school in many programs, always winning favorable comment. On May 3 it took part in the city a cappella festival, which was held in the auditorium of Junior College.

The **ART HONORS** group is made up of students whose art work has won either an art key or a certificate of merit in local or national competition, such as that sponsored by the Scholastic Magazine.

As students are elected to the **NATIONAL HONOR SOCIETY** on the comprehensive basis of scholarship, character, leadership, and serv-

ice, winning this recognition is considered the highest honor that the student can receive during his high-school career. Only students whose scholarship places them in the upper fourth of the class are considered for membership. Their school activities and teacher judgment determine how high the students rank in character, leadership, and service.

8 CHOSEN TO PLAY IN ALL-CITY CONCERT

The purpose of our **NORTHEAST HIGH SCHOOL ORCHESTRA** is to offer any student the opportunity to learn to play and enjoy all forms of orchestral music. The orchestra presents concerts, not only to our own school, but to near-by grade schools as well.

Each year an all-city orchestra, made up of members selected from all public high schools,

is formed to give a concert. The Northeast orchestra was honored this year by having the following eight students in this city-wide group: Frances Roe, Mary Stripling, Glenn Hale, Shirley Madden, Jeanette Parsons, Patricia Parsons, Robert Fagan, and Richard Hulse.

FIFTH CHAMPIONSHIP UNDER COACH MARKEY

This year one of the finest teams Northeast has ever produced brought to our school its fourth undefeated and untied season and also distinguished itself on several other counts.

Never had Northeast been able to win more than fifteen games in a row. But this year it overcame this jinx by extending its winning streak to eighteen consecutive victories. This, incidentally, enabled Charlie Guy to participate in more football victories than any other player in Northeast history.

Only twice during the season did the Vikings allow their goal to be crossed.

PRESEASON GAMES

The traditional William Chrisman game was the first of the '48 season. By a score of 12 to 6 the Vikes made it their seventh consecutive victory over the Bears.

Their second game was a first engagement with Argentine on September 24, which ended with a 14-0 victory for Northeast.

INTERSCHOLASTIC PLAY

On October 1 the interscholastic play opened with the Paseo Pirates. The valiant attempts of both teams to score in the first half failed, but in the second half Paseo bowed to the greater power of the Vikings, 20-0.

October 9, Southeast failed to slow down the Vikes' victory pace, and lost the game 20-0.

Next the Vikings encountered Central in an unusual game. Northeast took to the air and gained a hundred yards in six plays com-

pleted out of eight attempts, winning 25-6.

Injuries in this game eliminated Bill George for the season, and Bob McIntosh temporarily.

Next, our team met Southwest, a leading contender, and brought back a 6-0 victory.

The Vikes continued their onslaught by defeating the East Bears 20-0 on November 6.

On November 13, the Vikings tangled with Westport in a tough battle, but Northeast came out on top, 7-0, thus clinching the 1948 championship.

The last game of the season was a butting of heads with Manual on November 16, Northeast winning by a 45-0 score.

ALL-STAR SELECTIONS

Northeast placed six players on the league all-star teams. Those on the first team were Charlie Guy, a veteran fullback from last year's team; Tony Scardino, halfback; and Gregg Tindall, tackle, who was on the all-city second team last year.

Those who represented Northeast on the all-star second team were Joe Sopcich, center; Max Dix, halfback; and Lawrence Murphy, end.

Charlie Guy, the leading individual scorer in the league this year, and Gregg Tindall were chosen as co-captains of the Viking squad for 1948.

The team was again coached by Mr. E. A. Markey, whose teams have brought five championships to Northeast since his coming in 1937.

SHARE THIRD PLACE IN BASKETBALL

Although our new basketball coach, Mr. Charles H. Huhn, had only one first-string player from last year who was able to go through the entire season, the Viking quintet was able to share third place with Paseo and Westport. Throughout the season the Vikes had their "on" and "off" days, winning four games and losing three.

Northeast began its loop play in a close game with Southwest, which ended in a 30-29 loss for Northeast.

However, hope was bright for the next week's contest with East, and Northeast, by making its free throws count, was able to take the game, 28-25.

Next, Northeast found Southeast too strong and suffered a 47-29 defeat.

On January 22, Northeast was able to defeat Central in a thrilling game, which went into an overtime period and ended 25 to 24.

Northeast won its third league game of the season by defeating Manual, 33-27. The following week a hot Viking quintet was able to defeat the favored Tigers by a 34-30 count.

The last game of the season Paseo won by the score of 38-27.

VIKES TAKE TROPHY IN SUBREGIONALS

In the subregionals, Northeast surprised Pem-Day by defeating them 31-23.

Still going strong, Northeast then beat Paseo, 37-24. However, in the finals we lost to Rockhurst by a score of 40-29. This gave Northeast the trophy for second place and made them eligible for the regional tournament, in which, after an unsuccessful late rally, the Vikings dropped their opening game to Ruskin, 22-19.

PLAYERS HONORED

Charles Guy and Tony Scardino received honorable mention in the selection of the interscholastic all-star team.

At the end of the basketball season, the team honored Charles Guy by electing him captain for '48-'49.

NEXT YEAR'S PROSPECTS

As next year Coach Huhn will be able to start with a fuller knowledge of the material he has to work with, and as three of this year's starting players will return, hopes are bright for the 1949-1950 season.

BASKETBALL SECOND SQUAD—BACK ROW: Wallace Johnson, Coach Hawthorne, Charles Pruitt, Leonard Passantino. MIDDLE ROW: Frank E. Stark, Arthur Chambers,

Marvin Fulton, Bill Foster. FRONT ROW: Don Childs, Rollie Rice, Bobby Pugh, Victor Caruso.

Working under Coach Kenneth Hawthorne, the **BASKETBALL SECOND TEAM** repeated its last year's record by winning five games and dropping only two, one to East and the other to Southwest. They shared first place with three schools.

manship and contribute much to make the name of Northeast respected for its outstanding teams and for its spirit of fair play.

CHEERLEADERS STIMULATE ENTHUSIASM

The CHEERLEADERS, shown below in action, work hard to arouse enthusiasm in the crowds of Northeasters who attend our athletic events and to organize it, so that it will serve as

encouragement for our boys on field or floor. They give much time in practicing their routines and attend all games to lead the crowds in their vocal support of the teams.

CONGRATULATIONS, COACH!

1. Mr. J. L. Laughlin is extending hearty congratulations to Coach E. A. Markey, who is holding the Knute Rockne trophy which was awarded him this year as the most outstanding prep football coach of Kansas City. Coach Markey considers this recognition the greatest honor he has received during his coaching career.

2. Here is, without question, the "biggest" coaching staff in Kansas City. They are Kenneth Hawthorne, 6 feet tall; Fred Heine, 6 feet 4 inches; E. A. Markey, 6 feet 4 inches; Charles H. Huhn, 6 feet 6 inches; and John W. Wells, 5 feet 7 $\frac{3}{4}$ inches—in height! Their average weight is 225 pounds. Mr. Wells, shortest of the group, is apparently trying to throw his weight around a bit; but judging by the broad smiles on the faces of the other coaches, we have a suspicion that they recognize it as a bit of bluffing.

3. Tony Scardino drops a long one.

4. Nugent Adams and Fred Brown, taking one off the board.

SPORTSDAYS PROVIDE COMPETITIVE PLAY

HOCKEY SPORTSDAY

Every year plans for three sportsdays are made, and each team plays three schools. Sportsdays are the one opportunity the girls have to enjoy competitive play offered by basketball, volleyball, softball, and hockey. This year Southeast acted as the host school for the tournament. Saturday morning, November 19, saw the eight all-star teams trying to outscore each other in an effort to capture first place. East and Central tied for this position, with Northeast tying for second place. The Viking girls defeated Southeast 4-1, downed Paseo 4-2, and lost a hard battle to Central 3-1. Following the event a luncheon was served in the cafeteria, and a program was given by the Southeast girls.

BASKETBALL SPORTSDAY

Basketball Sportsday, held February 5, found Northeast host to the other seven high-

school teams in Kansas City. With two wins and one loss, the Viking girls tied for second place. They won from Manual 10 to 9, whipped Southwest 21 to 9, and after a hard-fought battle bowed to Paseo by one field goal.

SPORTS MANAGERS

Without the valuable service rendered by the girls' sports managers, the physical education intramural program, according to the gym teachers, would be impossible. The managers are responsible for students' conduct and play during the after-school sessions. They schedule and start the games. When play is over for the day, they see that all equipment is in its place and locked up properly. They also keep accurate accounts of scores and of the performance of players who are working for a school letter.

DRUM AND BUGLE CORPS

Another of the new organizations of the R. O. T. C. is the Drum and Bugle corps, which furnishes the music for ceremonies and

parades. It is hoped that next year it will be more widely used.

HONOR GUARD

The Honor Guard, new to Northeast this year, is composed of the outfit's best cadets. For the R. O. T. C. Circus, held in the Municipal Auditorium, it presented an effective "stunt" which combined movements of both old and new style drill.

COLOR GUARD

The Color Guard has the responsibility for leading the flag ceremony at school assemblies and handles the flag in all parades. It has only a few members, but performs in an impressive manner a very important service.

COLOR GUARD—Sgt. (1st cl.) Don Ide, Sgt. Maj. Robert Nagamoto, Sgt. (1st cl.) Phil Farley, Sgt. (1st cl.) Thomas Coleman.

1. "And, did you know that . . .?"
2. Two seconds to go.
3. Just meditating.

4. A band concert in the making.
5. "What? Harmony?" Or, "What Harmony!!"

1. No hunt and peck system here!
2. Smoke gets in your eyes, or smell gets up your nose!
3. Art students making the first backdrop sketches for the Highlights.
4. All work and no spotlight for our stage crew, but they do much to make our shows move smoothly.
5. Want any welding done?
6. Behind the mightiest structure sits the man who makes the plans.
7. She teaches English, French, Spanish—sign language, too?
