Thou Dear Northeast

Ethel May Rugh '14

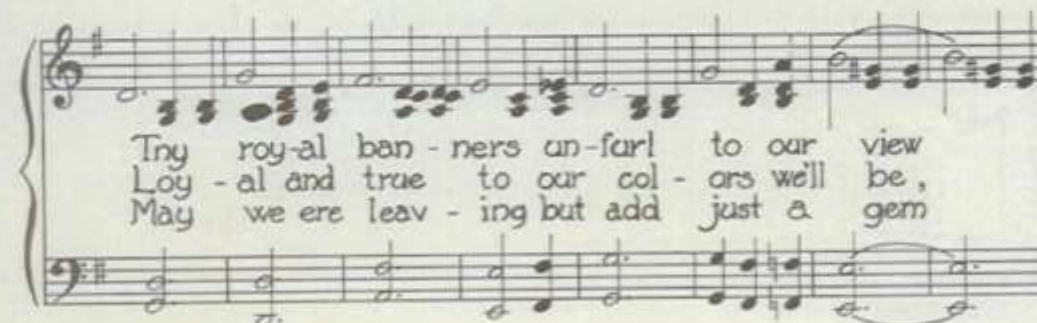

Dr. A.W. Nell

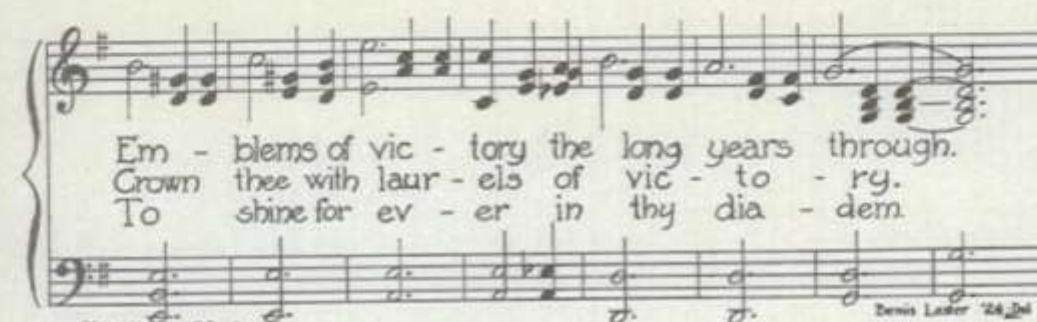

Thou, dear North-east, art the fair - est of all,
With thee, North-east, there is none can com - pare,
We come and go as the years pass - ing by

Peer of all oth - ers, nev - er to fall;
Pur - ple and white a - loft in the air;
Add to thy glo - ry, dear North-east High;

Tny roy - al ban - ners un - furl to our view
Loy - al and true to our col - ors we'll be,
May we ere leav - ing but add just a gem

Em - blems of vic - tory the long years through.
Crown thee with laur - els of vic - to - ry.
To shine for ev - er in thy dia - dem.

FOREWORD

1913-1963

Fifty years have passed, and throughout this time the Nor'easter has remained a prominent symbol of our school's vigorous spirit for extra activities as well as for a broader education.

Student, faculty, and administrative cooperation has long been the keynote to the smooth sailing of our Viking ship. The desire of the students to learn and the willingness of the instructors to teach with the administration as an anchor has steadied the Viking students through the straits of high school.

Yes, these past fifty years have been golden ones filled with fame and glory for Northeast. Thus, the Nor'easter staff presents to you, the Viking crew, your golden 50th anniversary yearbook.

MISS VIOLET M. CLAUSEN

DEDICATION

A name familiar to all Nor'easters is that of Miss Violet M. Clausen, who retired one year ago. During her eighteen years at "Thou Dear", Miss Clausen gave unselfishly all of her capabilities to the music department.

Miss Clausen, "Aunt Vi", was a joy to every student, and a true inspiration to enlighten the school with her greatest love, music. She was a person of undying enthusiasm to perfect every task and to bring recognition to Northeast.

Thus, for her loyalty to both music and Northeast, it is to Miss Violet M. Clausen that we humbly dedicate this 1963 golden anniversary Nor'easter.

COUNSELORS

MRS. BETTY LEFMAN

Confused? Need some advice on college and scholarships? The Counselors' Office offers to all of us the guidance needed to solve our educational and personal problems, which will invariably arise throughout the year.

Needless to say, many a bewildered student has regained confidence in himself through the aid of his able counselor. We are fortunate to have a very qualified staff that is willing, enthusiastic, and sincere.

Indeed, it is the place where one will always find a smile and a helping hand.

SENIOR OFFICERS

"May we ere leaving but add just a gem, to shine forever in thy diadem." These familiar words express simply the pride each senior feels for "Thou Dear" as he stands at the threshold of life.

It hardly seems possible that we are finally seniors, soon going separate ways, for many of us have been classmates since the elementary grades.

We have worked hard the past few years striving

to bring fame and glory to Northeast. Always obedient to her desires, we have ever held her banners high, while celebrating unlimited victories. Truly we have received a great deal from her too, foremost an education, our foundation of life.

So, with a tear of joy and sorrow, and the hope that our gem may shine brightly, we bid adieu to the school we have loved, "Thou Dear."

OUR EXCHANGE STUDENT

Selma Antonieta de Andrade Lima, of Recife, Brazil, is Northeast's second foreign exchange student. Sponsored by the American Field Service, Selma flew from Rio de Janeiro to Miami and arrived here in Kansas City on September 5, 1962, by plane. Besides her mother and father, who teaches journalism at the university in her city, Selma has three brothers and one sister.

Selma is very fond of swimming, and enjoys listening to records. Coca-Cola, ice cream, potatoes with ketchup, and hamburgers rank high on her list of favorite foods.

Upon returning to her country, Selma hopes to continue her education and earn a degree in law.

We are all indebted to Selma for a wonderful year and for spreading her influence of world communication and peace.

Selma's reception, sponsored by the P. T. A., was held September 23, 1962 at the school. Many students and parents attended.

STUDENT COUNCIL

The 1962-1963 Student Council, an organization promoting leadership, citizenship, and worthwhile school activities, was one of the most active groups in Northeast. The Council members concentrated their efforts on many issues that concerned the vital interests of our entire student body.

Again this year, the Student Council voted to support the foreign exchange program. Working in accordance with the American Field Service, we have concentrated our efforts to once more bring a student from abroad to "Thou Dear." The main money making project was the selling of shares to the student body, followed by lesser projects such as the sale of sweatshirts, student directories, and decals. The co-operation and enthusiasm of the students contributed to make this one of the most successful programs of the year.

Each idea was carefully considered, each plan carefully analyzed, and as in years past, the Student Council has remained a mediator between the faculty and students.

Y-TEENS

The Y-Teens is a city wide organization sponsored by the Young Women's Christian Association. The North-east chapter is an active group of high school girls striving to better their community and personal lives.

Special projects and programs throughout the year include the annual Sweetheart Dance. At times guest speakers attend the meetings and present valuable and thought provoking information, both on light and serious topics.

Yet these girls while busily working as well as having fun are ever mindful of their goal: "... To grow as a person; to grow in friendship with people of all races, religions and nationalities; and to grow in the knowledge and love of God."

"According to Jackie Kennedy . . ."

"What are all you girls staring at that blank piece of paper for?"

RED CROSS

The Northeast chapter of the American Red Cross works diligently each year and devotes much time in order to learn the function of the organization and aid in its projects.

Last fall, representatives from our school attended a training session at Unity Village. It was truly a weekend of fun and learning mixed together.

This charitable organization spent many hours in preparation of Veterans' Christmas stockings, this year given to Wadsworth Hospital. The Junior Red Cross recognizes this as a way to show the true spirit of Christmas.

Throughout the school year, the members and sponsor of the Junior Red Cross have played a vital roll in the school life.

The *New York Times*, *Kansas City Star*, and *Northeast Courier* all reflect the heart beat of their respective readers.

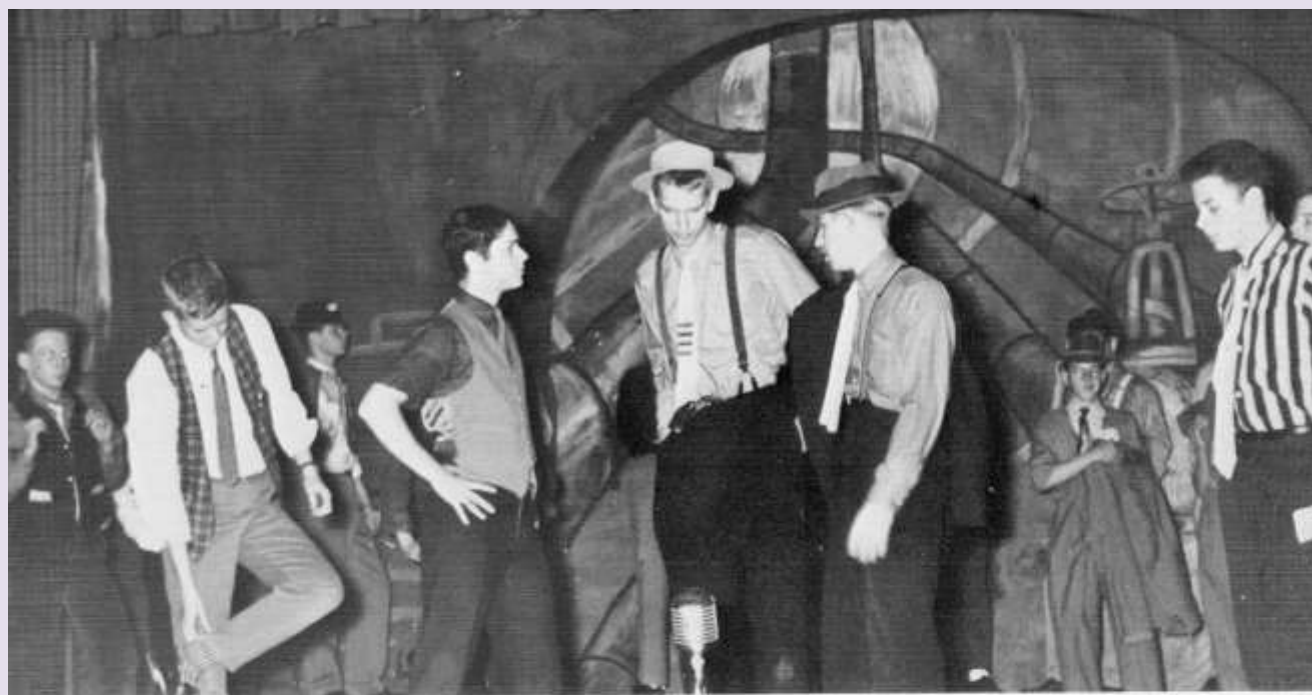

News articles about current happenings—student council meetings, queen recognitions, and athletic events typify each issue of our newspaper. Editorials are also included in most issues, and serve as reminders of student responsibilities. In addition there may be found articles of prominent student personalities and activities of various organizations.

As the *Kansas City Star* helped produce an Ernest Hemingway maybe the *Courier* may produce a ???

GUYS AND DOLLS

It's New York; the bright lights; big time gamblers; loud, gaudy girls; and high-fashion dames. The story evolves around a girl who becomes disgusted with her fiancé, a habitual gambler and bachelor. The Save-A-Soul "army" and a "mission doll" who falls in love with a gambler add interesting complications to the plot. This hilarious musical contains sixteen songs ranging from the romantic "I've Never Been In Love Before" to the loud, brassy "Take Back Your Mink."

The boys were dressed strictly Broadway with loud shirts, gaudy wide ties, and big collar double-breasted suits. The girls' costumes varied from the Farmerettes' scanty chorus attire to the very prim and "proper" Salvation Army uniforms.

"Guys and Dolls," the first operetta produced at Northeast, proved a rousing success in every respect. A vote of thanks undoubtedly must go to Mr. Swingle, our choir director, and Mr. Bianco, our orchestra conductor.

C.O.E.

The Co-operative Education program offers endless opportunities for those students who wish to work and, at the same time, attend high school. Each participant receives credit for both work in class and on the job.

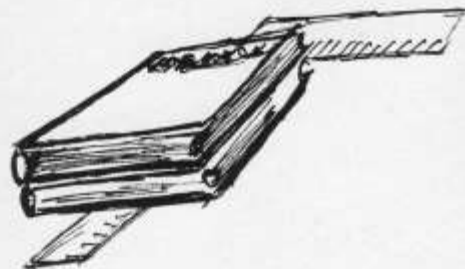

Due to this experience and training received while still in high school, these students are better prepared to assume full-time responsibilities upon graduation.

"Give me a V-V!" Sound familiar? These reverberating cries of the cheerleaders are symbolic of Northeast's school spirit. They could be heard many nights after school and during the long summer months as the cheerleaders worked to perfect the yells. These efforts were rewarded when they placed first for the second year at a cheerleading clinic. So, be you alumni or fellow Viking, next time you hear, "Give me a V"; sound off!

OLYMPIC CLUB

Roars of laughter came from the cafeteria as the Olympic Club initiated their newly elected members at the annual chili supper.

The girls began planning their ski trip early in the year. This year the girls again went to Loveland Basin, Colorado.

Among the projects that the club tackled this year were a rummage sale (where some of the members offered their services as mannequins), a pancake sale, and selling candy bars.

For a service project, the Olympians adopted a needy family at Thanksgiving.

All these projects, combined with the girls' usual participation in intra-murals and the various sportsdays, provided the framework for a very successful year for the Olympic Club.

SEAL CLUB

The 1962-1963 year began for the Seal Club with the rush and flurry of planning an informal open house and initiation, quickly followed by rough plans for their swim show, "Toyland Fantasy," which was held in April.

In anticipation of the ski trip to Loveland Basin, Colorado, the girls worked vigorously on the candy and rummage sales, as well as a chili supper to finance the trip.

In keeping with the spirit of giving at Christmas, the girls adopted a less-fortunate family and supplied them with an enormous holiday dinner.

Without the capable guidance, "scull harder and keep those legs straight," of Miss Abbott, their new sponsor, the Seals would not have enjoyed such a wonderful year.

FRENCH CLUB

The French Club of Northeast High was founded to promote a better understanding of the French people, through their art, music, literature, and customs, as well as their language.

Earnestly working to attain their goal, the club took a guided tour of the art gallery, studied a French news-

paper, and enlisted Mr. Swingle to introduce them to the history of French music. Through these activities French music, art, and literature was better understood.

Many of the members entered the "Phi Delta Pi" nation-wide French poster contest which climaxed an interesting and inspiring year for the French Club.
