Thou Dear Northeast

Ethel May Rugh '14

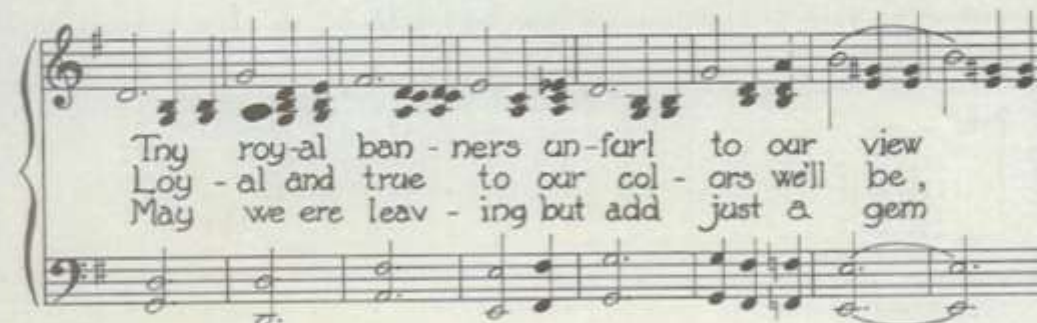

Dr. A.W. Nell

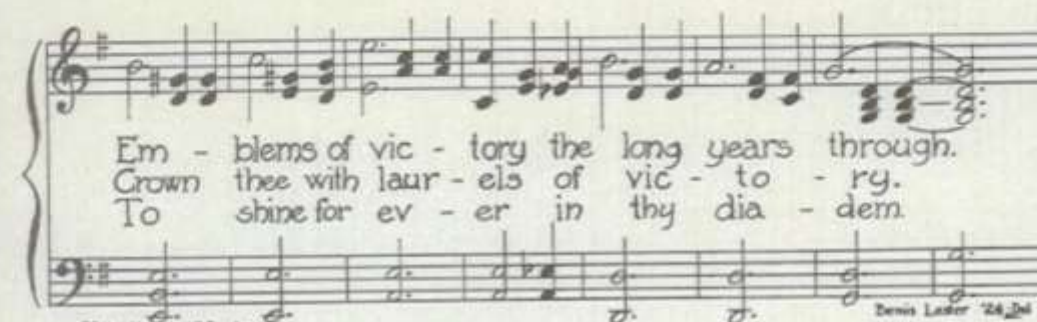

Thou, dear North-east, art the fair - est of all,
With thee, North-east, there is none can com - pare,
We come and go as the years pass - ing by

Peer of all oth - ers, nev - er to fall;
Pur - ple and white a - loft in the air;
Add to thy glo - ry, dear North-east High;

Thy roy - al ban - ners un - fur! to our view
Loy - al and true to our col - ors we'll be,
May we ere leav - ing but add just a gem

Em - blems of vic - tory the long years through.
Crown thee with laur - els of vic - to - ry.
To shine for ev - er in thy dia - dem.

ADMINISTRATION AND FACULTY 1973

This year at Northeast Senior has been a challenging one. We are in a period of time when significant educational and social changes are taking place and the impact is being felt not only locally but throughout the nation. I feel that to be a part of the Northeast community at a time like this is a rewarding experience. I am pleased to have shared with you in the achievement of our mutual aims and objectives.

James Reneau,
Principal

Another year has passed and Northeast High School has added another banner to its record of achievement! Ever since 1913 people have been able to say that they have attended Northeast High School. Today, as in years past, we continue to uphold this tradition. This has been possible because of the desires and ambitions of students, faculty, staff, and community. A conservative estimate of the number of graduates is 20,000 people over the sixty years of school operation. Through the continued cooperation of every one, Northeast will be able to function yet for many more decades. We hope that your educational experience acquired here will enable you to attain the goals you seek in life. We also hope that as the years go by you will remember "Thou Dear" and the associations and experiences you have had here.

It is indeed a privilege to be a part of this educational program here at Northeast.

Sincerely,

James G. Cariddi,
Vice-Principal

James G. Cariddi

As the 1972-73 school year progresses, the rewards and demands of being a part of the Northeast administrative team become increasingly apparent. Working with a well-qualified faculty, an interested community, and a fine group of young people certainly makes the job pleasurable. Responsibility for educational excellence is an awesome one for all concerned. However, if patron, student, and educator each assumes his share of the duties and co-operates willingly, we can achieve the common goal—making education at Northeast the very best.

Taking it easy between classes.

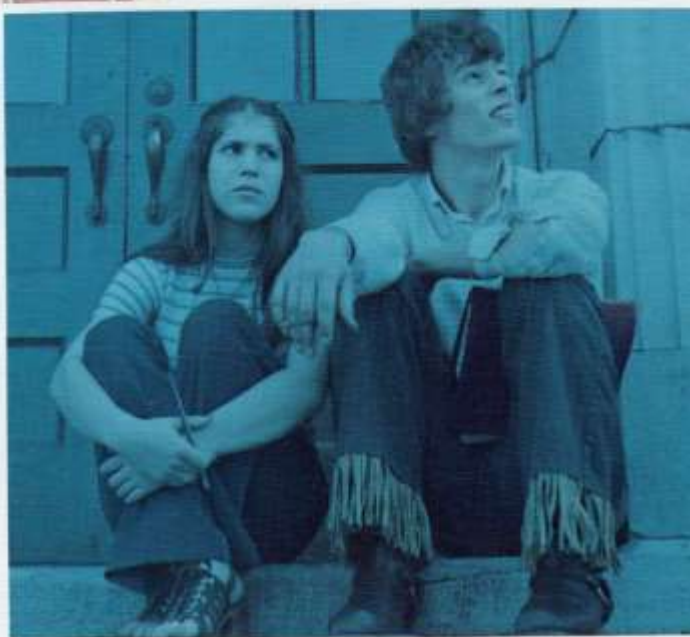

I hope your aim is good.

Go ahead Susie! Tell us all about it.

That would be fun, wouldn't it?

How many years till you graduate?

Claudia Aristizabal

To my friends at Northeast High School:

I would like to take this opportunity to tell the community of Northeast that I will never forget you. This year that I have spent here with you will always be for me a most Cherished memory. I have gained so much personally from the experience of having lived in this city and in this community. Because of all of you, I have seen and experienced what the United States has to offer. The American people are a great people and in my opinion, those, in Kansas City are one of the best examples.
