Thou Dear Northeast

Ethel May Rugh '14

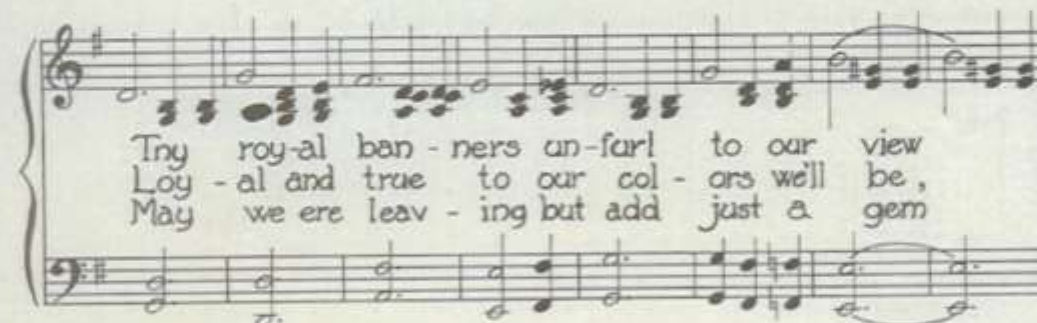

Dr. A.W. Nell

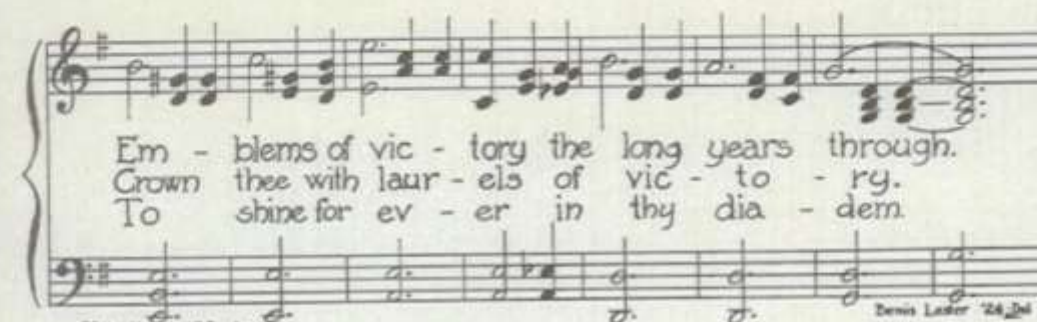

Thou, dear North-east, art the fair - est of all,
With thee, North-east, there is none can com - pare,
We come and go as the years pass - ing by

Peer of all oth - ers, nev - er to fall;
Pur - ple and white a - loft in the air;
Add to thy glo - ry, dear North-east High;

Thy roy - al ban - ners un - fur! to our view
Loy - al and true to our col - ors we'll be,
May we ere leav - ing but add just a gem

Em - blems of vic - tory the long years through.
Crown thee with laur - els of vic - to - ry.
To shine for ev - er in thy dia - dem.

My Senior year is really no different than any other year except I'm trying to get all the experiences in that I haven't been through the rest of my school years. To me my last year gives me a chance to give all I have left to offer. So that I have the right to say I'm part of Northeast High School!

The 1977-78 Football Season was a different experience for me. I feel that all the players who stuck it out, even though we didn't win a game, came out as winners. That goes for the coaches too. What we got out of the season was not a perfect record but the satisfaction of at least trying."

When I look back on our football season, I think mostly of the teams morale. I never saw another team lose games like we did and come back with the positive attitude that we could beat any team on any given day. I was proud to be a part of this team." Russ Collins

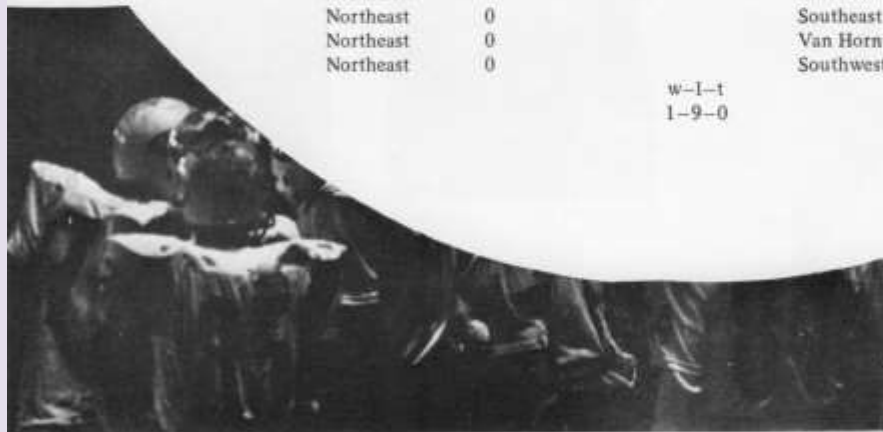

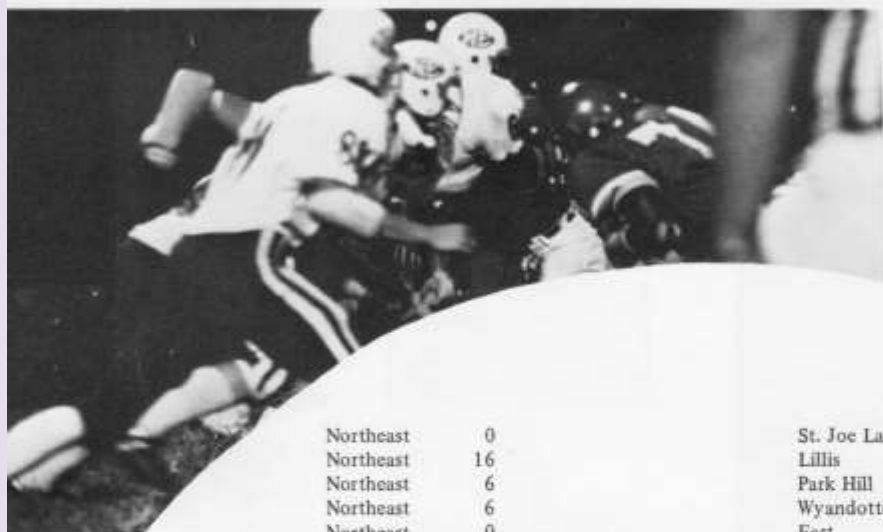

"In my estimation, I believe that the football season was a successful one. Not in the win/loss record, but in the remaining players who had enough guts and pride in themselves to finish the season and complete a commitment.

THE VIEW FROM WITHIN

Well, hello all you Viking sports fans. I think a lot of you readers are going to be disappointed, because for once in my life I've decided to "get down on some serious sentiments instead of my usual ludicrous lines. Many people might still laugh, but I feel the need to say something to help people understand a very special individual—the football player. So read on and get a good laugh, then sit back and think for a minute. I hope then maybe you'll understand.

The football player might appear to be big-headed, stuck-up, and conceited. But is he really? A football player is someone that is in love with something he takes pride in: his game. He is a person, who over a period of four years, develops a great sense of dignity in what he does. He goes out and gets his head knocked around for months only to prove himself on Friday nights in just 48 minutes.

A true football player never ceases to improve, because he is always working either physically or mentally to become a great athlete. He might offend people not because he means to, but, because he has a goal engraved in his whole being and he is always striving to reach this goal. A gridiron enthusiast may appear to his fellow students and teachers to be only after personal glory, but this is definitely not true.

He isn't out practicing three hours every day in the rain, the cold, and the blistering heat for himself, he is out there to give all he's got to build a reputation for his team, his school, and his family. A pigskin player is not a individual, but an intricate essential part of an integrated, proud machine.

His acts are not for himself, but rather for the continuing success of the team. Winning and losing become a way of life, a factor which regulates his whole emotional make-up. But now the season is over, so where does the football player go from here? He'll soon fit back into the mainstream of social activity and become just like he always was, but what about the burning desires he had, what happens to it?

Nobody knows the answer to this but the individual himself. No matter where his ambitions take him now, he will always have the memories from those four great years he so willingly gave to this, his great game of football.

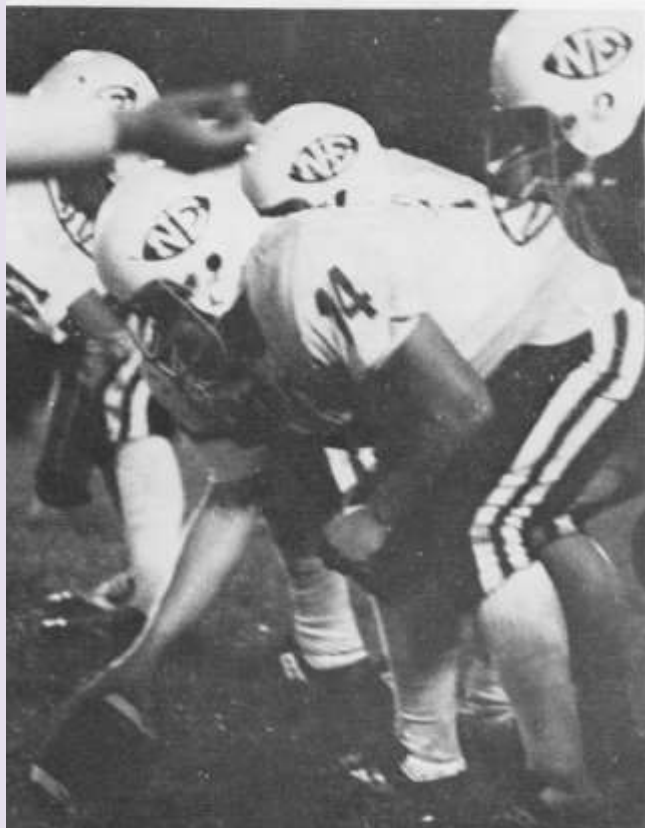

How does the football player feel when the last minute ticked off the clock in his last game of his senior year? Think back to the time in your life when your favorite dog, that you cared for so lovingly for four years, finally died. Did a lump develop in your throat, and did tears fill your eyes?

When that dog died, a small part of you died with it, and that's exactly what happens to a football player, especially in high school, because he plays with the same players, is coached by the same coaches, and is cheered by the same fans, and now this is over. Maybe you could call this love, but then a big strong football player would never be associated with a word like love!

So when you see a football player, especially a Senior, put yourself in their shoes. Just imagine what it's like to have four of the greatest years of your life whizz by in a blink of an eye. Then maybe you will understand why I can say that football players are a helluva bunch of human beings!

"A Letter To Lawrence"

I won't forget your
big brown eyes.
Those gentle lips,
which spoke no lies.
Your quiet spirit
was never sore.
But now I won't
see you anymore.

Oh dear Lawrence,
I'm sad and blue.
To think of the young
life you once knew.
You made your plans,
you had your fun.
It hurts to think
that now it's done.

Life threw you a very tough blow,
But it can't erase your spirit, for my
memories grow.
I won't forget you as no one could,
Those now closed eyes saw only good.
But memories do linger on,
And I won't think of you as gone.
I'll always Love you as a friend,
My dear Lawrence, until my end.

In Memory of Lawrence
Love Always, Sylvia Mandato

The Dance, although small, was equally successful and all those attending thoroughly enjoyed themselves. Many of the projects undertaken by the Student council were successful because of the hard work of a few and the cooperation of many.

The American Field Service (A.F.S.) is a service organization in Northeast Senior High School. The organization's function is to help and financially support a foreign exchange student. Our activities include A.F.S. Day, which is an annual affair. We have many fund raising projects, and some social functions during each school year. Helping the student chapter is the Adult chapter. The Adult chapter is composed of some parents of Club members. We the members of A.F.S. strive to touch hands around the world.

One of the main ideas formulated by the club was the creation of a student tutorial system. Through this system, students could get help in a subject from another student who is qualified to teach. This put less pressure on teachers and taught the tutors subjects of yesterday.

Drama Club is an organization designed to develop the interest of students in the field of dramatics, and theatre of techniques. Its purpose, however, is not only to accommodate students interest but also to contribute traditional and entertaining functions to the school.

Drama Clubs' main function is the production of the annual Viking Varieties, but activities do not cease here. Stage workshops develop and build sets for Trilogy and play productions. Also a wide range of outside field activities make up the yearly agenda.

Getting involved, contributing to school functions, and having fun are our main objectives and the doors are always open to anyone who would like to be part of this organization.

Congratulations to the yearbook staff and sponsor for another fine edition of the Nor'Easter. I know you have labored long and hard, sometimes under frustrating conditions, in your determination to reflect in a most positive way in this edition of the Nor'Easter the many changes; new and expanded experiences that have taken place this year at Northeast Senior.

We are grateful to each student who cooperated and worked to make this indeed a school year that the school and community can be proud of. As we plan for the upcoming school year, I feel comfortable in anticipating your continued goodwill and support.

What took thirteen years to accomplish is only a small segment in our lives. It's hard to express how much one person can give oneself to something they believe in. I feel Northeast is a good example. For we the class 1978 have been through many changes this year and I feel taken them in stride. I know the memories will linger on in our hearts for even though they were not always good, they were apart of our lives which will carry our dreams and hopes further, maybe the memories will teach us not to make the same mistakes. Also to improve our ability to grow and let go as life goes on and takes it's course. So to the class of 1978 I wish you good luck and bid you farwell, for if you keep your character as good as the traditional North-east character, life should not be but a small stepping stone to cross.

"The Death Wish"

I hope I die
before too long,
No one will miss me
after very long.

I can't wait
to get away from here,
I'll take my soul
and go some other where.

How can you stand it
living on this earth?
Lonely people cry out
hating this earth.

I know it's odd
to wish to die,
But if I don't want to live
why should I?

I'd like to see
who my true friends are
Who'll grieve at my funeral
with emotional scars.

Bye Nancy Carter

NORTHEAST VINTAGE VIKING

NORTHEAST VIKING CREED

Northeast Creed

To Northeast High School:
I pledge my loyalty and allegiance,
I shall live for my school with honor
in both word and act,
I shall give the fullest of my strength
the best of my thought,
the trust of my conscience,
and the whole of my spirit,
In victory or defeat
I shall keep the faith

Pledge of Allegiance

I pledge allegiance to the flag of the
United States of America and to the
Republic, for which it stands, one
nation under God, Indivisible, With
Liberty, and justice for all.
