# Thou Dear Northeast

Edna Mayajah '14

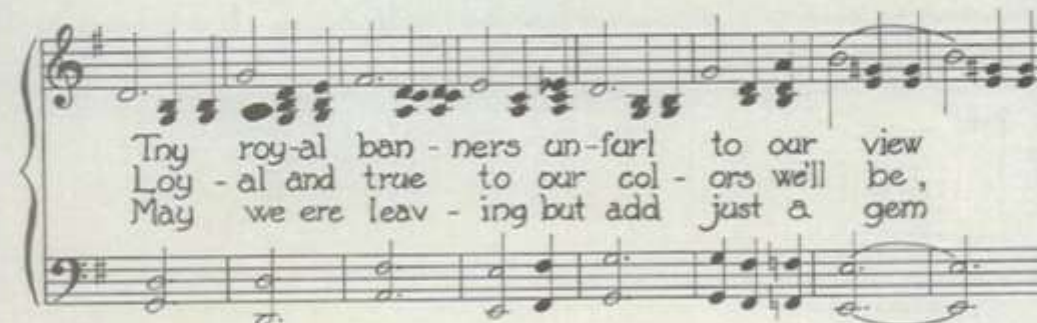

Dr. A. W. Hall

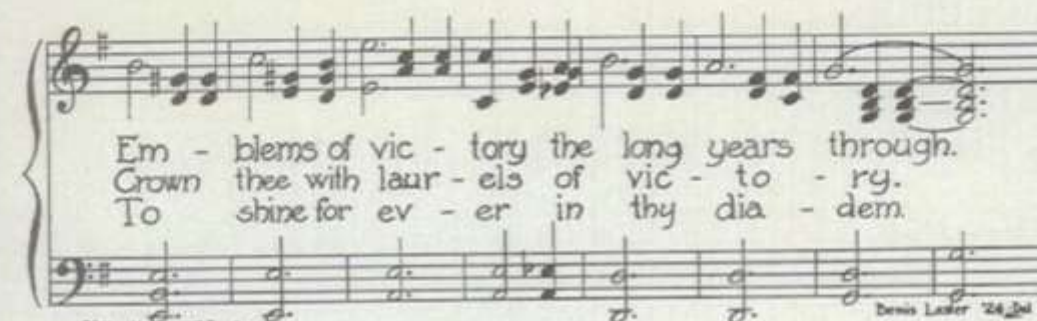

Thou, dear North-east, art the fair - est of all,  
With thee, North-east, there is none can com - pare,  
We come and go as the years pass - ing by

Peer of all oth - ers, nev - er to fall;  
Pur - ple and white a - loft in the air;  
Add to thy glo - ry, dear North-east High;

Tny roy - al ban - ners un - furl to our view  
Loy - al and true to our col - ors we'll be,  
May we ere leav - ing but add just a gem

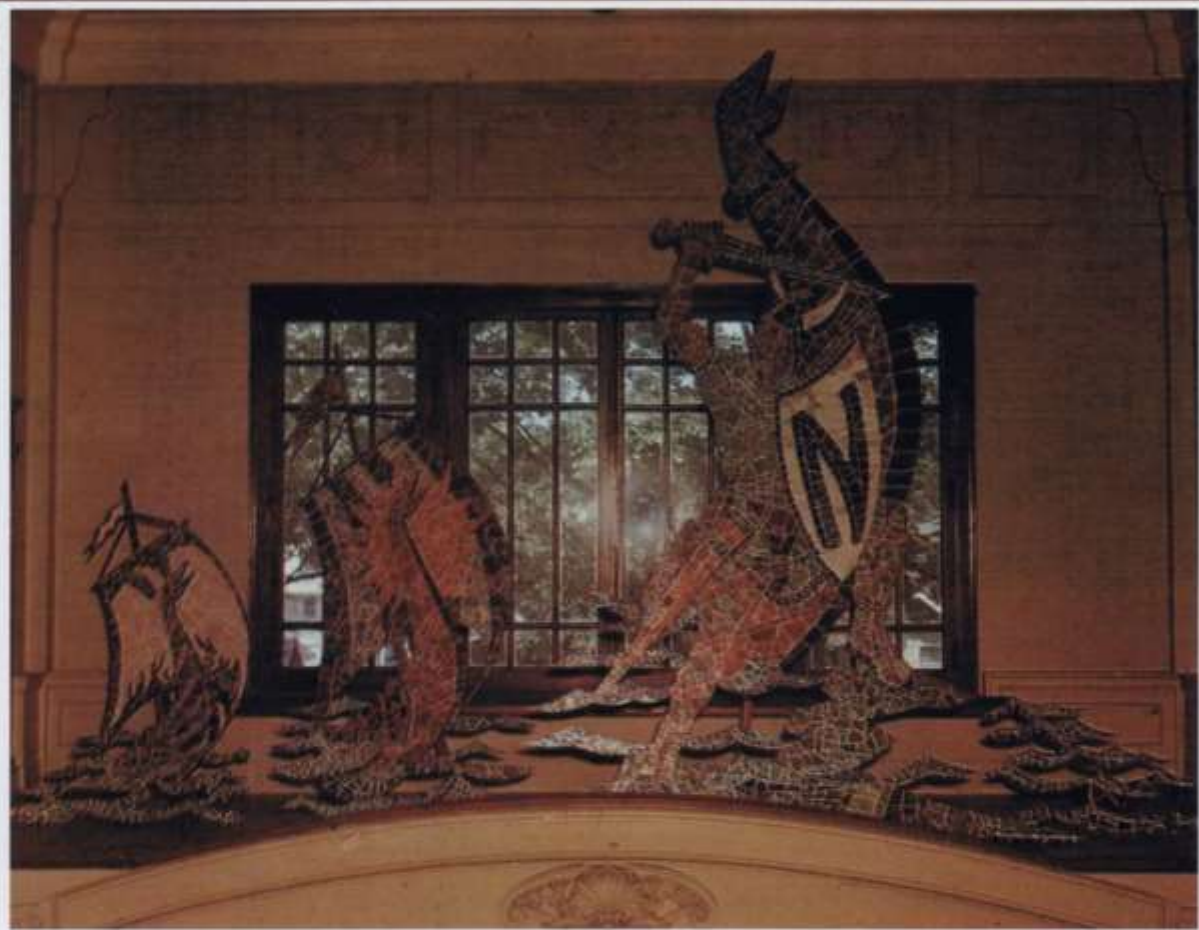

Em - blems of vic - tory the long years through.  
Crown thee with laur - els of vic - to - ry.  
To shine for ev - er in thy dia - dem.

# ONWARD AND UPWARD

NOR'EASTER VOL. LXIX 1

Go placidly amid the noise & haste, and remember what peace there may be in silence • As far as possible without surrender, be on good terms with all persons • Speak your truth quietly & clearly; listen to others, even the dull & ignorant; they too have their story • Avoid loud & aggressive persons; they are vexations to the spirit • If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself • Enjoy your achievements as well as your plans • Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time • Exercise caution in your business affairs; for the world is full of trickery • But let this not blind you to what virtue there is; many persons strive for high ideals, and everywhere life is full of heroism • Be yourself • Especially do not feign affection, neither be cynical about love; for in the face of all avidity & disenchantment it is perennial as the grass • Take kindly to counsel of years, gracefully surrendering the things of youth • Nurture strength of spirit of shield you in sudden misfortune • But do not stress yourself with imaginings • Many fatigues are born of fatigue & loneliness • Beyond a wholesome discipline, be gentle with yourself • You are a child of the universe, no less than the trees & the stars; you have a right to be here and whether or not it is clear to you, no doubt the universe is unfolding as it should • Therefore, be at peace with God, whatever you conceive him to be, and whatever your labors & aspirations in the noisy confusion of life, keep at peace with your soul • With all its sham, drudgery & broken dreams it is still a beautiful world • Be careful • Strive to be happy •

We would like to welcome you to the 1982-83 Nor'easter. We have worked diligently all year to complete this book and we are very proud of our accomplishment. We hope you will enjoy persuing this annual as much as we have enjoyed putting it together.

This year's yearbook theme is Onward and Upward. The reason we chose this theme is that it represents the progression of each of us up the stairway of life. Happy reading!

#### Freshmen Year

Remember when we were Freshmen? We had just freshly arrived from the Junior building where we had been deprived of our Freshmen superiority. Everybody made fun of us, pushed us around. We were even lower than the lowly Sophomores. Most of us resented this move but had to suffer through our year of being called "Frosh".

Remember the first day of school as a Freshman? We didn't quite know what to expect. The school was bigger, it was confusing trying to find the classrooms, there was no way to tell what the teachers expected, and the upperclassmen sure didn't help any. Back then we thought we had everything figured out. We did all kinds of stupid things to impress the upperclassmen and now we realize how stupid we really were. Now we look at the Freshmen and ask "Were we really like that?" Yes, folks we sure were.

Remember the first time you tried to join an athletic team? You were, of course, the lowest on the totem pole. Along with the other usual degradations, you were forced to wear the worst uniforms and equipment, use the worst lockers, and do any job any upperclassmen could think up for you.

Remember how big the Seniors used to look? Now we are those big Seniors.

"How do you run this thing anyway?"

#### Sophomore Year

Our Sophomore year was our least memorable of all of our four years of high school. It was after the bewilderment of being a Freshman and before our initiation and acceptance into the real high school world. When we were Sophomores we were a little more acquainted with the school and we realized that the Seniors were not as far up there as they seemed. We began to get more involved in athletics, student government, and other activities. When the end of our Sophomore year finally rolled around we were definately ready to step up to being a Junior.

#### Junior Year

Our Junior year was the year that everything happened. We were so close to the top that we may as well have been Seniors. We knew everybody and everybody knew us. We were personal friends with the faculty and the administration. We started to get a little seniority in the even more numerous organizations we were involved in and we studied harder and played around more than ever. The Seniors that year were big partiers and we began to party along. But still we had to start making big decisions about what to do with our lives and how to become proper Seniors.

#### Senior Year

Well, here we are, Big Seniors. Now the Freshmen look at us like we looked at the Seniors when we were Freshmen. Now everybody knows us but we don't know everybody. Senioritis has hit. We calculate how many days we can miss without risking our chance of graduating. Now we push around the Freshmen and Sophomores like we were pushed around, and we enjoy every moment of it. We tell everyone that the class of '83 is the best class to ever graduate from Northeast and tell the Juniors that they are definitely not as good as us. We have successfully taken over the running of all the organizations and are using the power to our advantage. Whenever we get caught in the halls we invariably have a good excuse. We manage to get good grades without putting much effort into it and saying all the while that we are "preparing" for college.

This year we actually had a winning football team, the cross-country and volleyball teams were as good as ever, and the track team looks promising.

In all, high school has been good to all of us. We had our ups and downs, but we have managed to make it through, bringing along with us a few good friends and some great memories. Good luck "Class of '83". See ya in a few years.

"I, Wanda Smith, being of sound mind and body will to Andre Phillips my ten year old used furniture since he doesn't have any; to Wayne Reed all my perfect test papers, there is only one; to Rodney Madden all of Debbie Greenway to keep him warm at night; to Lela Davenport a gallon size jar of Krazy Glue for her loud mouth; and to Melinda Taylor an ugly stick to hit Johnetta Betts with, (hit her hard)

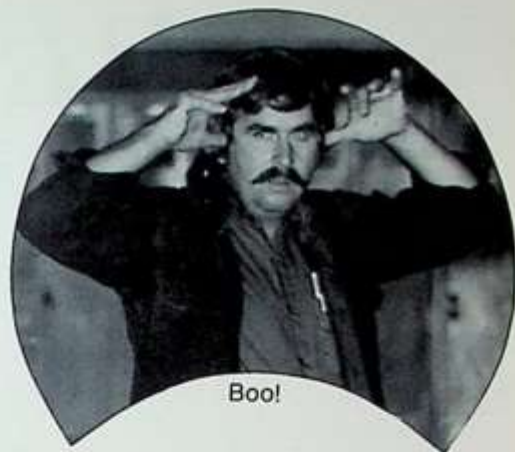

"I, Vicky Russell, leave my old beat up locker to any Junior who thinks they can open it: all of my ability to get to school everyday and graduate to Tracy Lane, the night rocker; my cheerleading days to Ginger Wilson; and all my homework to Tammy Hogan."

"I, Cheryl Mathews, leave my cool, calm, suave title of the one and only 'baby doll' to Velma Abston; my little black book to Robinetta Smith; my little red book with all the 'hot numbers' in it to Sherry Siphon; my sweet, persuasive (but innocent) smile to Melinda Taylor; and my spirit to all the Juniors because you are going to need it to keep you going."

You are a big CLOD!

Boo!

Peace!

Passes! Passes! Passes!

Please, no more work!

Oh! Another day to play.

# PRINCIPAL

To The Graduating Class of '83

During the past four years members of your class have been part of a nationwide change process.

This change process has been apparent in practically every phase of your lives. From your local school and School District, where a shortage of funds has caused our staff to be reduced to the minimum, including the loss of three assistant principals who worked with you for three of your four years; Two changes which have affected all people nationwide. You have witnessed and lived with an economic recession, which some say is the worst the country has ever known. You have seen the unemployment rate skyrocket. You have seen prices on goods and services escalate at enormous rates. You have also seen apartment and household utility expenses double and in some cases triple.

Revolutionary changes have also occurred in the job market in terms of skills needed and those that will be needed in the future. Consequently, the preparation needed to become a functional and productive citizen has increased tremendously in your four years. Competition for admission to colleges and universities, to post-training programs, as well as, for available jobs of all types has increased keenly.

Our staff has tried to keep pace with these changes by upgrading instruction to levels of relevancy. However, your preparation as you leave us is by no means complete. You must continue, as your theme suggests to push "onward and upward". You must continue to establish goals and to pursue these goals with all enthusiasm and sincerity.

On behalf of the staff, I wish each of you happiness and success in all of your endeavors.

Stephen Brown Jr.

# VICE PRINCIPALS

I felt like Rip Van Winkle must have felt. I had served as assistant Principal at Northeast from 1965-1969. I really hated to leave at that time. It was a place I had come to like very much. I had been gone for 12 years. I had gone to Southeast Senior, the Peace Corps in Liberia, West Africa, Southwest Senior, Manual, Westport Junior, Central Senior and Northeast Junior.

You know what I found? The same office waiting for me, with the same desk and furniture including the telephone and the same paint on the walls. Most of the same teachers are still here. The office staff is all changed. The same problems with students who cut class, cut school and expect a good grade.

What do I say after 12 years? It is nice to be back, the turf is friendly and familiar. I still preach the same lesson: There is no free lunch, you get what you work for.

Dwight Heath

Whenever years are allotted to each of us, no one ever knows ahead of time; that is one of the "sweet mysteries" of life. One thing is certain however, when a moment passes by it gone forever and nothing can recall it. So it is with the years in high school, which for our seniors, are only memories.

For some, those remembrances are tender, and warm; for others they are

Valerie Griffin

bland, neutral, perhaps even colorless. In Shakespeare's words however, "What's done cannot be undone. There is a large-looming future awaiting all of you which ought to be seized aggressively so that your lives will be filled with time well spent and years well lived. Take the future and let it be yours; make the world and your place in it what they ought to be."

Fiske Miles

The philosophy of Northeast High School states the school's "chief concern is the development of each individual to the utmost of his or her social, physical, mental, emotional and intellectual capabilities". This is a high and noble purpose. The faculty and staff of this school put forth a great deal of effort in seeking to achieve this goal. This school welcomes students from a great variety of cultural and racial backgrounds. All of them are offered an opportunity to learn and to progress. Being a part of such an endeavor has given added meaning and purpose to my life.

The 1982 Cross Country season was a very exciting one. Winning the Boys and Girls Varsity and Junior Varsity divisions in the Interscholastic League Championships, was the highlight of the year.

The Girls Varsity won easily, taking places one through five for a perfect score. This outstanding team was lead by Denise Wheeler in 1st place; Sharon Hundley, 2nd; Sandra Garcia, 3rd; Elizabeth Johnston, 4th; LeAnne Spencer completing the scoring with 5th; and Tammy Cox with a good 11th place showing.

While the Girls Varsity has a somewhat easy victory, the Boys Varsity had a tougher

time winning their division due to a much improved East High Team. These young men squeaked past East's team by a scant 3 points.

The N.E. team was lead by an outstanding sophomore, Pete Gusman, who finished in 2nd place. Other N.E. members were Darron Jacobs in 9th; Jerome Armstrong, 11th; Darrell Salinas, 13th; Arthur Esteban, 14th; Joe D'Angelo, 16th; and Sal Terranova in 33rd place.

The Girls J.V. Team was also victorious and won their division for the third straight year. This team was lead by freshman Roxane Middleton in 2nd; Michelle Ojeda, 4th; Shanea Bell, 6th; Patsy Eldridge, 7th; Janet Miller, 8th; and Shelly Middleton in 10th place.

The boys J.V. Team placed second because Lincoln dropped their best runners to the J.V. Level. Our team was lead by Marvin White in 8th place; Damon Carter, 9th; George Johnson, 10th; Bobby Cohens, 19th; and David Tanner in 25th place.

The freshmen boys team also placed second and we are looking forward to next year's

season with many of these young men returning.

In closing, "I would like to wish all of the graduating runners a fine life and I hope that they will continue running after they finish

high school. Running is more than medals and trophies, it's a great way to fill your life with energy, happiness, and the opportunity to make many new friends."

Good Luck to all,  
Coach Ray Wade

The N.E. Varsity football team took a turn for the better this year. It is well known that last year's record was a bit shy on wins. We shall not dwell on last year, except to say that it stood as a learning experience and an example to the upcoming 1982 team.

The key to the five and five overall season was defense. Success, when playing defense as well as offense, requires concentration and self discipline, which is what Coach Harris repeatedly stressed to the team. Both offense and defense executed skill, strategy, and proper technique very well this year. The

coaching staff for 1982 was excellent. There were several assistant coaches that really made the difference in the team's performance.

Support for the team was tremendous! The students and faculty were there to cheer the team on whether the situation was good or bad. In any case, N.E. fans were appreciated by the team.

The team was dominated by Seniors, which means they will be leaving us. The underclassmen that will return in 1983 plan to work harder to either meet or beat this year's record.

## FRESHMEN

AFTER THE GAME  
ooooops!!

1982 was a year of disappointment and defeat for the Northeast Freshmen football team, which by the way, was the first year since 1979 that a Freshmen football team was in existence here at N.E.

We were glad to have a Freshmen team brought back, and all of their time and efforts would have paid off if their minds, as well as their hearts, had been totally dedicated. Despite many setbacks during the season, Coach Harris believes that if they return for the '83-84' football season, which means playing J.V. and/or Varsity, their skills and mind-power stand a very good chance of improving.

# VIKING VOLLEYBALL STRIKES AGAIN!

THE VIKING VOLLEYBALL EXPRESS continues to roll toward honors and championships in 1982. This year's squad of five seniors and two underclass persons met almost all team goals set at the beginning of the season. The 1982 Vikes captured the Interscholastic League Tournament for the second consecutive year. They compiled a record of thirteen victories against only three defeats. The Viking Volleyballers led the League race from start to finish despite aroused efforts from the other league teams and repeated as league co-champions.

In 1982 the blend of two first year varsity players Leah Banks and Angela Tucker with five veteran players became the formula for our success. Junior blocker, Angela Tucker, spearheaded the defense with her aggressive net play and was one of the most consistent players. Senior Thelma Baskin was our top reserve and the team's most versatile player. Senior setter, Linda Lopez improved her serve to help her finish second in the team scoring race. Our Vikings earned honors and received recognition for this winning season. Senior Captain, Sharon DeShazer, earned a white letter, which is awarded to four year letter persons. Senior spiker, Theresa Davis, was voted the league's honorable mention. Sophomore spiker, Leah Banks, led the team in scoring and was chosen "Most Improved Player". She was also selected to the Interscholastic League First Team All-Star Team. Senior setter, Donna Cox, capped her career with another fine season. Donna was chosen by the team as "Best All Around Player" and earned a white letter for her four years of volleyball. She was also selected on the first team "Interscholastic League All-Stars".

The Viking Jr. Varsity Volleyball Team has had an excellent season. They capped a winning season by finishing 1st in the Interscholastic League Junior Varsity Tournament. Antrina Carter lead the team in scoring. Sophomore setter Tracy Canty was chosen most improved player. Junior, Johnetta Betts supplied offensive punch with her strong serve. Junior, Stacey Farley was elected captain. Co-Capt., Wendy Thompson was the only Freshmen on the team.

This J.V. Team has continued to improve and three players Johnetta Betts, Tracy Canty, and Wendy Thompson, moved up to the varsity level when the J.V. season ended. Tracy Canty started one varsity match and was match-high-scorer. Only two varsity players will return next year, therefore, these Jr Varsity plays will be counted on to step forward and meet the challenge of varsity competition.

Many would consider this years' Basketball Season at Northeast a disaster, but truly when you analyze it, from a coaching standpoint it was a very rewarding experience. Although we were lacking height, quickness and aggressiveness were our trademarks. Rebounding, the lack of it, was our nemesis, but the most rewarding part was to see the team improve through the early season until they were able to play against the best and hold their own. This is best illustrated by the fact that both Van Horn and Raytown South (ranked Nos. one and two respectfully) were pressed to the final whistle and could only post 5 point and 7

point wins over our Vikings. John Wilson had an outstanding season; leading the League in scoring with a 20 point average and ranking well up in the State with a 17 point average in all games. John, as well as many other fine players that will be leaving Northeast, will be greatly missed, for they all worked so hard to do all that they did.

Northeast's female version of Viking Basketball had a 10-10 regular season record. They set a school record in both team defense and team offense for the 1982-83 season. This was primarily due to a well-balanced attack; not depending upon one or two players to do most of the scoring, but an effectively pressing defense.

Basketball is an exciting and rewarding experience for those who can relate to the sport. Those people that evidently do, are mentioned above. These Seniors were looked up to by many of their team members. Their last year playing for Northeast will not be in vain, for they will have left behind certain skills, traits, and memories.

Therefore these 1982-83 Graduating Seniors have earned a special place in the yearbook. We wish you well.

# H O M E C O M I N G

The 1982 Northeast Homecoming celebration was on Oct. 22. This year the theme was "Your Imagination". The celebration started with exceptional school pride and spirit. The Y-Teens had the winning float this year with the theme of "Somewhere over the Rainbow".

The game started and the crowded stands were full of pep. Northeast won their Homecoming game for the first time since 1976, with the score of 7-2.

# POWDER PUFF

This year's powder puff game was played on November 12 on the football field behind school. Both teams played tough, but even with all the long practices and all of the time put into the game, it was over too fast. Even though the Seniors won with the score of 12 to 0, we all know that both teams played an excellent game and were both winners.

The Seniors won using excellent plays planned by the coaches: Joe Nastasi, Vito Pirrello, Kenny Johnson, and Michael Cobbins. Both touchdowns were made by Sharon Hundley, assisted by Lynette Saenz, QB. The Juniors were coached by: Eric Schaeffer, Jon Flinn, and Chris Cornelison.

# VIKING ARTISTES

### Viking Varieties

On Jan. 28, 1983, Northeast Sr. High School presented Viking Varieties, an entertainment revue that carries on a tradition begun in 1915. As usual the backdrop was spectacular. It was designed by Mr. Lonnie West and painted by students from the art department. Rosie Johnson was the student director and Michelle Green was her assistant. The stage and technical crew worked long and hard to make the show a success with Shawn Geabhart as Technical Director and LaTonya Judon as Stage Manager. Our theme was "E.T (Extraordinary Talent)" and Northeast proved that after 68 years we're not getting older, we're getting better!!!
