Long ago, in ancient Greece, when formal education was for the very rich or the very determined, a wise old teacher was approached by a group of noblemen. "Our sons have completed their studies and it is time for them to return to their homes and live in the style befitting their station. Tomorrow we will present them at a great banquet. Be sure they are appropriately dressed in their finest robes."

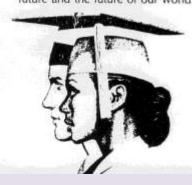

The following day, the banquet hall was filled with royalty dressed in dazzling finery. The great moment came when the students entered the banquet hall with their beloved teacher. A cry of disappointment arose from the crowd for, behold, their young men were dressed, not in the garments of the noble, but in simple robes of sackcloth, each carrying a mortarboard—the mark of a common workman!

"What is the meaning of this?" cried the noblemen. "Our sons were to be dressed in their finest garments!" The wise teacher replied, "But they are! Your sons are dressed in the clothing of the mason, for their destiny is to build. Some, as architects, will build cities, some as teachers, will build lives, some as

physicians, will restore bodies—but all will be builders on the solid foundation of knowledge."

And to this day all graduates wear a cap and gown—proudly symbolizing the value of education, and the fact that they are builders of their future and the future of our world.

STAGE 9 PLAYERS AGAINST DRUGS

Congrats to two of Northeast finest. Lisa Shore and Johannah DeSchepper, who participated in a year long project sponsored by KMBC Channel 9 Television. This project was centered around the theme "Just Say No" - their campaign against Drugs and Substance abuse.

Channel 9 decided to produce a show that would begin on stage and later transform into an hour long television show. The students who performed this are called the Stage 9 Players. This television show aired on April 25 at 7:00p.m. and May 8 at 4:00 p.m.

Again Congratulations to Lisa and Johannah and to Channel 9-Stage 9 for a job well done.

Clarence M. Kelley was born October 24, 1911. His educational background consisted of attending and graduating from Northeast High School in 1928. This year we have the great honor of one of our ROTC students receiving the title of All-City Colonel. The Student, Ralph Kellogg, has been in ROTC for four years. He said he joined because he had been dared to, and found out that he really enjoyed it. This honor has been awarded to our school for the third time in the past decade. The previous recipients of this award were Mark Wishon in 1981 and DeAmos Rimson in 1985.

Let's keep up the good work.

Diana Coffman Sponsor

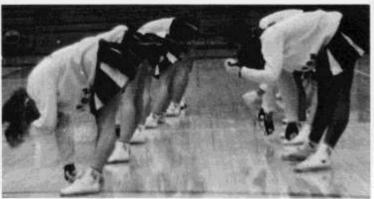

Miss Coffman has been more than just a sponsor to us, she has been our very close friend, and like all close friendships there are good times and not so good times. I would like to thank Miss Coffman for making those times memorable.

I would also like to thank all the girls who stuck with me til the end. This year has been very difficult, with tryouts in the middle of the year, and having a totally new squad. They did an exceptional job adjusting! This years squad has been a squad based on friendship and I would like to thank them for being my very best friends in the whole world! Good luck next year.

The 1987-88 Cheerleaders had a very exciting year. Although both of the squads consisted of mostly new members we feel they did very well as beginners. Both squads attended SMSU College for camp and it was an experience. Although some of us old team members won't be there to uplift school spirit next year we wish you all the luck and fun of a new experience.

GOOD LUCK Laura and Amy

The 1987-88 Northeast Football team was the best the school has seen in years. "The team has a lot of room for improvement," Coach Zuber said "but I like what I'm seeing." The teams greatest loss for next year will probably be Mike Brogato, who came out for the first time as a senior and showed great potential. The team will lose only a few players from graduation this year and I Personally expect to see a much better team next year. Good luck Guys.

1987 League Champions

The Varsity Boys' Cross Country Team dominated the Interscholastic League for the second straight year. This was the fifth Varsity Championship for the Vikings since 1980. The Viking Cross Country Team is one of the "Powerhouses" in the metro area. Coach Wade is looking forward to many more "Great" years because of the strong efforts by the younger team members. The team will truly miss Brad Grosstephan and Mike DeBrevi after their four years in this program.

The 1987-88 school year brought many new organizations, one of which was the first outdoor soccer team at Northeast. This was the first year of soccer at Northeast; however, the team had quite a few experienced players. The team finished the season at 6 & 8, after defeating William Chrisman and suffering a loss to Blue Springs in the district playoffs. Coach Phillips said, "The seaon was rewarding, very enjoyable, and also a learning experience." She also added, "It was disappointing when we lost in the semi-finals, but we will be back next year."

The 1987-88 Northeast basketball team had a great season. Although the team did not have a winning record, they played with enthusiasm and aggressivness. Aaron Collier and Steve Johnson provided inside strength, while Louis Cummings. Armond Moore and Eric Hill helped the team with outside shooting. Other key players for the team were Carl Newton. Mark Collins, Shawn Lane, and Tom Anderson. The Vikings made it to Districts and soundly defeated Liberty. In the District Championship, Northeast defeated the East Bears, but they did not beat them without a few nail biting moments. Northeast played a good game against the Park Hill Trojans but came up short in the quarterfinals. It all came down to the final seconds of the game. Northeast was down by two points and had an opportunity to tie the game and send it into overtime. With no time left on the clock, Aaron Collier was fouled while going up for the ball after a missed layup. Aaron was sent to the line to shoot two free throws. He made the first one, but missed the second shot. It was a very exciting game and kept the fans on the edge of their seats the whole time. Our congratulations go out to the basketball team.

The Northeast Viking 1987-88 Baseball Team had a very good year. "The team has improved alot since last year," said coach Doherty. "But they stand alot of room for improvement." The team will lose six starting players due to the 1988 graduation, but they had a strong back-up team and next year promises to be another good season for the Vikings. The Vikings had a good season in spite of a 9-12 record for the regular season and losing the first game of the Districts.

The 1988 Track and Field season was a very successful one for the Northeast Vikings. About 40 young men completed the season that started in March and ended at the State meet May 28 at Lincoln University.

In the Interscholastic League Championships the varsity team finished 4th out of 9 teams with 92 points. Ryun Middleton was the League Champion in the 1600 and 3200 meter runs. His point total for the meet was 30. Brad Grosstephan wan the 800 Meter Dash setting a personal record of 1:58.15.

Other noteworthy accomplishments were: 3200 Meter Relay setting a meet recond at the Northwest Missouri State University Imvitational. Team members were Tom Anderson, Mike Debrevi, Brad Grosstephen and Ryun Middleton. This same quartet also won the 3200 Meter Trophy at the Blue Valley High School Invitational. Ryun Middleton took 4th place honors in the Jim Ryun Mile run at the Kansas Relays. His time of 4:21.1 was one of the fastest times in the K. C. Metro area during the 88 season.

The Boy's Freshman and Junior Varsity teams both finished 4th place in their meet held at Southeast High School on May 3. This was quite an experience for everyone since the entire meet was conducted in a rainstorm.

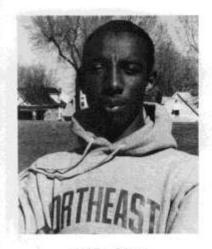

Coach Ray Wade was very pleased to have Coach Bill Kanan once again helping the team. Coach Frank Ault, another added plus for the team, showed great patience and wisdom. The three worked well together helping the team achieve a high level of success.

The 1989 team will be even stronger with the return of many talented underclassmen. A League Championship is definetly possible. Most of the team will be participating in 152 either Cross Country or Football during the fall.
