These officers work tirelessly each year to form students into the continued successes that the JROTC program represents. The students learn how the chain of command is a very effective tool in the program and in life. The trophies and medals reflect the pride these students gain by participating in the JROTC drill meets. The trophy room no longer has any walking space. But the success will continue....even if the trophies hang from the ceiling!

## Spirit

Right: Our awesome cheerleading team kick off the year with a parade, a game and the royal court. They arrived early in the day and will be leading Viking Nation in this day of celebration. The new football field will give us a new HOME for our games. History making year at its BEST. There energy is never failing....thank your ladies and Greg.

**Below:** Mian getting ready for the dedication of our new field. The day calls for our Viking Nation flag and all Vikings past and present. A day of celebration is about to begin.

# Homecoming

## Alumni

We love the support from our Alumni Association and our N Club. Their support is not only needed but very much appreciated. Left: They are ready to cheer. Also, Wolfie and our Viking mascot join the group.

The N Club is a vital part to Viking Nation and the sports at NEHS. They represent the sports teams both past and present. Earning a "letter N" qualifies you to be part of the elite organization. Currently they are adding a memorable room of past trophies, pictures and history of the sports at Viking Nation. This will be enjoyed for years to come.

Right: excited fans join the cheer team. They are "game ready"

Below: Ms. Sue Erb stands to be recognized at our field dedication.

# Dyana Kon Homecoming & Court Warming Queen

History Making Year.

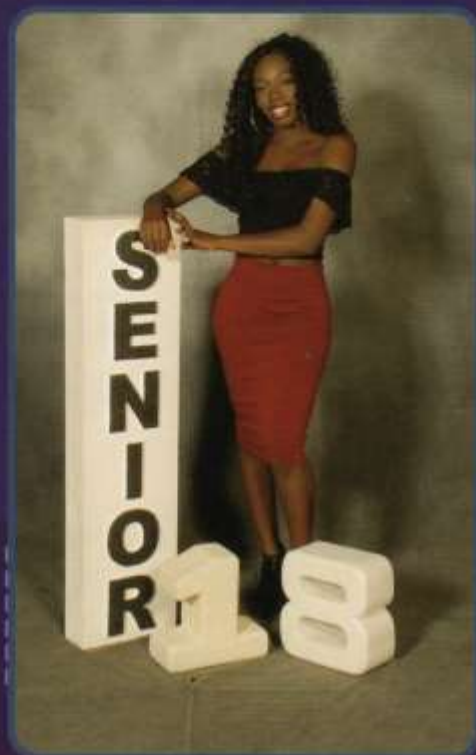

Our football field wasn't the only history event this year.

Miss Dyana Kon became the first young lady to hold not one but BOTH of our Queen positions. She became the Homecoming Queen in the fall and also received the Court Warming Queen this past winter. This has never happened in Viking History!

She is a model, a student that is studying culinary and she is a Senior 2018 looking forward to graduation and continuing her studies. Both of our Kings are also Seniors 2018 and are making plans to continue their education.

What a great trio to represent the Viking Nation.

# CONGRATULATIONS TO "My Babies"

Congrats Seniors! Class of 18!!

It fills my heart with great pride to see you all achieve this milestone in your lives. Not many educators are allowed the opportunity to mentor a class from freshman year to senior year. Each of you has touched my life in special and unique ways.

We have taken trips together, shared meals, consoled each other through difficult situations and danced with joy at the prom you planned for last year's seniors.

Your talents and abilities continue to amaze me and confirm my confidence in you is well founded.

As you begin this new episode of your life, keep in mind that you are capable of tackling any situation! You will be the generation that will help shape the future of our world.

Continue to espouse the values we held before you as the banners with which Vikings want to be identified; Respect, Responsibility, Safety and Kindness.

Each of you has dreamt of this day. Today it is your reality!

You have made reality out of your dreams. Continue to dream for it is the fuel for achievement. Continue to set goals for this is the compass for accomplishment. You have kept a promise to yourself, so accept your reward with grace and confidence.

Continue to make realities out of your dreams because You're Northeast Vikings, Class of '18.

Much love, Peace out!  
Mama Freeman

# Mort Walker

September 3, 1923

Northeast Notable 2014

January 27, 2018

Mort Walker, the cartoonist who created Beetle Bailey and Hi and Lois. His life was devoted to cartooning. From the cartoons in high school publications to a nationally known cartoon strip. He not only created these cartoons but spread his enthusiasm to colleagues. Together they built a professional organization to celebrate their works. Prior to being drafted, he studied at the University of Missouri but said he was more interested in working on his cartoons than studying. He also created some "funny" cards for Hallmark. Because prior to that, he said all greeting cards were pink ribbons, fuzzy bears and could NOT be sent to his grandfather! He was drafted into the Army and thus his cartoons reflected his new assignment. Hi and Lois became the spinoff of Beetle. Lois is/was Beetle Bailey's sister. RIP Mr. Walker. You have shown us how success is a part of our NATION.
