THE PREZ SEZ

Thanks, alumni for making 1994 a very great year. A bigger and better newsletter, (keep the news coming); increase in memberships; we had the best fall social ever, (we got to meet our oldest Alumni, **Ruth DeLancey Funkhouser, Class of 1914**); the Golf Bash made enough money to replenish our scholarship fund; and we had a hard working alumni board. My hope is 1995 will be even better, but we need your help.

1. Golf Bash: We need sponsors, workers and players.
2. Newsletter: We need news about alumni, teachers, reunions and address changes.
3. Memberships: We're shooting for 25%.
4. Artifacts: Old pictures, trophies, etc. The future looks great. We have the possibility of having a special room at the high school. It will be our Alumni Room. If our plan is approved, we will build the room this year. It will be a great place to see our memorabilia, and keep the tradition alive. We will be doing many new things this year, and we can use all the alumni help we can get. Again, thanks, and let's keep our tradition strong.

Al Maddox, President

EDITOR'S NOTE

As Editor of "The Purple and White Lives On!", I would like to take this opportunity to thank all of you who have had such nice things to say about the newsletter. This is a **Labor of Love** and I enjoy doing it - but without your input, it is not possible, so keep "them" cards and letters comin'!

*Everyone is Ignorant
Only on Different Subjects!*

ARE YOU A MEMBER??

Are you a member of the Northeast High School Alumni Association??? We hope you are, but if you aren't, come join us. We do some real meaningful things, and some fun things, too. Can't ask for a better group to join. For this year, 1995, the membership dues are as follows: **\$5.00** for an Annual membership, and **\$25.00** for a Lifetime membership. This will be the last year we will be able to offer memberships at the above costs. Due to the rising costs of tuition at the colleges, postage increases, printing, supplies and postage for the newsletter, etc., we will find it necessary to increase membership fees slightly. So don't get caught in the price increase, send your dues in before the end of the year. A membership form is enclosed in this newsletter.

If you have any questions regarding our Alumni Association, please feel free to call any member of our Board of Directors. Their names and phone numbers are located on page 10 of this publication. Don't hesitate to call us!

DOES YOUR CLASS NEED A ROSTER????

If your class is planning a reunion or a get-together, let us know if you are in need of a class roster. We will be happy to furnish you one for a small donation. We still have several years where no rosters are available. If you know of anyone who has a roster for 1915 through 1923; 1934 through 1936; 1973 through 1984, please call or write **Jim Cariddi**, 17301 E. 52nd St., Independence, MO. 64055, 816-353-1918. Our goal is to obtain a complete list of Northeast graduates.

IT'S SO SAD TO REPORT

It is almost impossible for us to know, or acknowledge all alumni who have passed away. However, we will share with you the ones we have been made aware of.

KUDOS - CONGRATULATIONS - THANK YOU

KUDOS TO

Kudos to the **Class of '64**. They donated the money left from their 30th reunion to the Scholarship Fund - we appreciate it!

Kudos to the **Class of '54**. They also donated the money left over from their 40 year reunion to the Scholarship Fund. Thanks, it is appreciated!

Kudos to **Warren M. Rohsenow, Class of '37** for his "really big" contribution to the Northeast baseball team. He was a real "hit" with the kids who want to build a team. Thank you so much!

Kudos to all you Northeast grads for your response to our "**Barterin' For Bucks**". Printing, preparation for mailing, and postage for 10,500 newsletters is quite an expensive undertaking, and it takes a "couple of bucks" to do it. Thanks again, you are appreciated so please keep those "Bucks" coming!!

Kudos to **Janne Markey Walker, Class of '59**, for her generous contributions to the Scholarship Fund in memory of her parents, **Coach and Mary Jane Markey, Coach & Mrs. Reeves Peters, Rex Hull, and Jim Hoverder**. Thanks so much!

Kudos to the Dinner/Dance Committee, **Ed Dinwiddie, Betty Baldwin Gatton, Harlene Hofferty Huckett and Betty Kershaw Stigers**, they really outdid themselves this year. Their hard work made for a really super party! Can't wait to see what next year will have to offer!

Kudos to **Dale Jones, Class of '49** for obtaining three "classic" Northeast annuals for the Assoc. Two were donated to him, and one he purchased at a sale. Keep up the good work - Thanks!!!

Kudos to **Al Maddox, Class of '52, Dale Maddox, Class of '55, Wally Hoverder, Class of '43, and Ray Wade, Teacher**, for taking the time and trouble to rummage through the attic at school and salvaging pictures and trophies for posterity. Al has repaired almost all of the trophies, and ideas for displaying these artifacts are being considered by the Board of Directors. Wow, what an undertaking, but they said it was a **Labor of Love!!!**

A big **THANK YOU** to **Elda Margaret Brosnahan Cain, Class of 1928**, for her donation of a 1927 Northeast annual, and also for her very kind words about our newsletter. **Margaret** is 83 years young, a widow, is in very good health, lives in the Hill Country of Texas, and is still quite active. Here's to her continued good health.

THANK YOU to **Maureen Still Conrad, Class of '28** for her generous donation of her 1926 and a 1928 Northeast annuals. They are much appreciated, and we will take very good care of them. She hopes to come to our fall dinner/dance, and we hope she can make it!

Thanks a million to **Carl DiCapo** for his generous donations for our dinner/dance raffle. He donated a dinner for two at the **Italian Gardens**, six bottles of wine, and he also obtained a complimentary stay for a lucky couple at the Holiday Inn Center City. **WHAT A GUY!!**

We would also like to thank **Carroll Stigers, Bill Huckett and Ed Dinwiddie** for the really neat "handmade with loving care" gifts they donated for our dinner/dance raffle. The winners loved them!

"**Bud**" **Hull** and the members of the **Northeast baseball team**, wish to express their **THANKS** to all of you who so generously donated to assist them in

establishing their team. They are now working on some fund raising projects to achieve their goal. **Donations are still needed to attain their needed funds.**

ANY OLD NOR'EASTERS?

The Alumni Association is trying to locate copies of **Northeast annuals**. If you have a copy of one that you no longer want or need, and would like to donate it to the Association, it would be greatly appreciated. At this point in time, we have received a 1921, 1926, 1927 and 1928. We are trying to establish an Alumni office and would like to have a copy of every year if possible. They will be made available for the use of all classes when planning reunions, for research and for posterity. If you have one you would like to donate, please call **Harlene Huckett, 816-331-7223**, or mail them to her at 1006 Johnston Drive, Raymore, MO 64083-9011.

HE COULDN'T TOP IT BUT--

George Harvey, Class of '25, couldn't top our article about **Ruth DeLancey Funkhouser**, but he did have some tidbits to share with us. He married **Lucile Kuk, Class of '28**, they have celebrated 63 years of married "bliss". They have 4 children. There were 5 children in his family, 4 graduated from Northeast. The 5th had to drop out to go to work to help his Mother. **George** took a KC Journal Post paper route in 1921 with 22 customers and build it up to 630 customers by 1927. Now that is a real salesman! He had to walk 2 miles to catch the NE Trolley Car to get to school. He has a vivid memory about our severe winters in those days, 25 degrees below and 4 1/2 foot of snow! I always said the snow was deeper when we were kids than it is now, but my kids say the walk gets longer and the snow gets deeper everytime we tell the story!! But I believe you, **George!!**

He attended West Point and graduated in 1922, fourth in a class of 102. During World War II he commanded the 101st Airborne Division in the invasion of Europe.

GENERAL MAXWELL TAYLOR

After the war, he returned to become Superintendent of West Point. Later, he commanded the 8th Army in Korea.

He became the Army's Chief of Staff in the Eisenhower Administration, and later Chairman of the Joint Chiefs of Staff, and Ambassador to South Vietnam in the Kennedy and Johnson Administrations. "A HAPPY LANDING"

By

Judy Sutter Swezy

DON REDDING

Don Redding, Class of '40, recalls reunions are normally happy get-togethers, but for three members of the crew of "Miss Laid", a WWII bomber, their reunion this past December was especially gratifying. It was the 50th anniversary of the day their bomber was shot down over war-torn Vienna, Austria.

The three are former members of the 456th Bomb Group of the 15th Air Force, a ten-member crew. Don Redding, of Independence, Missouri, a former member of the Jackson County Legislature, Dr. Andrew Vedros, of Johnson County, Kansas, and Bob Bollard of Silver Spring, Maryland, met and remembered the day they bailed out of their bomber at 24,000 ft. The minus 60 degree temperature added to Don's first jump experience as he passed through anti-aircraft fire from below. It was memorable, to say the least. As they dangled from their parachutes, they witnessed the losses of other planes and their crews above them with only 2 or 3 chutes passing through the flames of burning bombers as they crashed to earth. Don narrowly missed being impaled on a spiked iron fence as he neared the ground. Fortunately, he

raised his legs at the last second and survived his "hard landing". The crewmen became separated upon landing. Don was captured by a German soldier and taken to a military camp where teenagers were being turned into soldiers. While there, a Nazi Colonel interrogated Don and called him "a killer of pregnant women, a dirty American gangster, and a swine". He was then put into the back of a truck where he received a surprise he will never forget! Four or five of his fellow crewmen greeted him and all of them were uninjured. When they arrived at another camp, the rest of the crewmen were also reunited with them. The irony in this story, was that they had all lived through their ordeal and were uninjured.

The men spent some time at a camp in Wetzler, Germany. They were later crammed into a cold railroad car and taken to Stalag Luft 1, a Nazi prison camp on the outskirts of Barth, in northern Germany. They were there for five months and were liberated by the Russians "two or three days before the war ended."

Don says he'll always remember the winter of 1944-45 in northern Germany as it was the coldest winter that all of Europe had seen in fifty years. Food and heat were the biggest problems that the POW's faced and Don said that he lost weight and was down to 120 lbs. at the end of the war.

Don can't explain why their crew was one of the few who came through this experience intact except to say, "I guess the good Lord was looking after us--that's all". "Our crew was one of the few fortunate crews that lived through this experience and we have remained in touch with one another over the 50 year period."

Don has been a member of the Board of Directors in the Northeast Alumni Association since its inception. His guidance and knowledge has been invaluable. We are proud to call him an Alumni of Northeast High School.

GUESS WHO THEY ARE!! DINNER DANCE IS A BIG SUCCESS!

Do you recognize these faces? They are members of the Northeast Faculty as seen in the 1927 annual. How many of them can you identify? Answers on page 4!!

THEY CAME TO THE "HOP"!

The Northeast Alumni Association held their annual dinner/dance to benefit the Markey-Peters Scholarship Fund, November 18, 1994, at the Ararat Shrine Temple. The room was decorated with fall leaves, and table centerpieces were small decorated bales of hay, vases of fall leaves, and cinnamon scented votive candles. They were given away to one lucky person at each table. **Helen Lesslie Bauermeister, Class of '43**, and **Laura Dixon Barnes, Class of '38**, did a great job selling raffle tickets. The gifts were all donated, and the recipients loved them. A delicious buffet dinner was served. Following dinner, our special guests were recognized. **Nevin Wasson**, former band teacher, and his wife **Frieda** were introduced, and our Guest of Honor, **Ruth DeLancey Funkhouser** was introduced and was given a standing ovation. **Ruth** is 98 years young, and was a graduate of the first graduating class from Northeast in 1914. She arrived in a chauffeur driven limousine we sent to pick up she and her family and bring them to the party. **Al Maddox**, Association President, presented her with a lovely corsage and she had a few words of wisdom for the crowd. She promised us she would come back to our dinner/dance next year. **Channel 9** came out for the occasion and interviewed her for the nightly newscast. They also interviewed **Joe DeBlase, Class of '73**, who was the youngest graduate present. **Joe** is married to **Patricia Topi, Class of '66**. The **Topi** family was well represented. They had a full table of their family representing classes from 1935 to 1973. **Al** presented a long stem rose to all of the female members of the Board of Directors for their hard work this year. **Janne Markey Walker, Class of '57**, made a generous contribution to the scholarship fund in honor of her parents, **Coach and Mary Jane Markey, Coach and Mrs. Reeves Peters, Rex Hull**, our first Association President, and **Jim Hoverder**. **Al** received the donations

and offered our sincere thanks. Plaques were presented to two retiring members of the Board of Directors, **Don Redding, Class of '40**, and **Carl DiCapo, Class of '44**. A **Twist Contest** was held and **John Croucher, Class of '57**, and his wife **Connie** were crowned "**Top Twisters**" by a panel of judges. Following the **Twist Contest**, we were royally entertained by the piano magic of **Eddie Oyer, Class of '47**. His music was indeed magic. Following our entertainment, everyone was encouraged to get up on the dance floor, and **Betty Kershaw Stigers, Class of '45**, lead them in a rousing rendition of the **Hokey Pokey**. Everyone participated, and had a ball. Dance music was provided by **Jim Fetters, Class of '43**, and the **B & J Dance Band**. Music included favorites from the '40's, '50's and '60's. During intermission, winning tickets were drawn for the raffle gifts. The prize for the cleverest outfit was won by **Dale Jones, Class of '49**, who wore his ROTC uniform, and his wife **Sandra**, who was dressed in her saddle shoes and her letter sweater. Some of the other outfits worn were quite reminiscent of the "Sock Hop" days. Needless to say, everyone had a great time. A big **THANKS** to the dinner/dance committee, **Ed Dinwiddie, Betty Baldwin Gatton, Harlene Holferty Hockett, and Betty Kershaw Stigers** for a job well done. Some pictures from the party can be found on page 7 of this issue.

COMING ATTRACTION!!

This years dinner/dance will be held **November 10, 1995** at the Ararat Shrine Temple. Mark your calendar now so you won't miss it. This years theme will be **Country-Western**. So practice up on your "**Boot-Scootin' Boogie**", put on your jeans, your ten gallon hats, and your boots and come join us. Music will once again be provided by **Jim Fetters** and the **B & J Dance Band**, playing music from the '40's, '50's and '60's. There will be more detailed information in the fall issue of "**THE PURPLE AND WHITE LIVES ON**".
