Northeast High Students Attend Y-Teen Conference

A Tri-City Y-Teen Conference was held at North Kansas City High School on February 21. Delegates from high schools of Kansas City, Kansas; Kansas City, Missouri; and St. Joseph attended. Guests were present from Springfield and Lawrence, Kansas.

Northeast was represented by nine delegates. They were: Mary McWhorter, Donna Murry, Virginia Vohs, Carl Osborne, Barbara Jo Sweeney, Pat Cook, Beverly Brewer, Jane Chart-rand, and Elizabeth Miller.

The theme of the conference was the Freedom Train which is now touring the country. Equality and fairness to all regardless of color or creed was the goal of this program.

Registration began the program at 10:15, where the girls were given program sheets, pencils, and scratch pads for note-taking. Forty-five minutes were given in which to get acquainted and make new friends. At 11 o'clock the girls gathered in the auditorium to board the Freedom Train for singing and worship, which was followed by a fifteen minute intermission, prior to lunch.

Lunch, which was served in the cafeteria, consisted of mashed potatoes, hot rolls, green beans, salad, roast beef, cherry pie, and milk.

After lunch, the delegates found time to explore the Hornets' Nest, and with the aid of a few nickles, the juke box was in swing and dancing was in session. The peal of the one o'clock bell summoned them to return to hear Rabbi Mayerburg speak on "Racial Discrimination."

Following Rabbi Mayerburg's speech the girls divided into workshop or discussion groups of the own choosing. The five divisions were 1. Book Review; 2. Informal Dramatics; 3. Movies; 4. Panel Discussion; and 5. Music.

A Freedom Train Party was the closing note of the day. Square dancing and singing provided the entertainment. At 4:30, the bell summoned the girls to the buses for their trip home, before departing, they joined hands and closed the day by singing "America the Beautiful."

Spring Play Presented Under New Direction

The Speech Department will present "Life Of The Party," a three-act family comedy, April 2 and 3. This fifty dollar royalty play was written by Marjane and Joseph Hayes. The presentation will be directed by Miss Nanabell Cassell. This is the first spring play under her supervision at Northeast.

If you enjoy watching a modern American family meet and face the problems they confront when they move to a strange town, come and get acquainted with the Hughes family. Mr. Hughes, played by Bob Anthony, is baffled by his family and one can see why when they meet Jean, his studious daughter, enacted by Alice Lewis. Mildred, her sophisticated sister, played by Faye King, and his other two children, Teddy, the mischievous son, by Phil Padilino and Amy, who is falling in love for the first time, by Nancy Hanney.

When Jean decides to play havoc with the family plans, give a party and be the belle of it herself, the comedy reaches the climax.

Others participating in the production are Mary McWhorter, Bonnie Jean Royce, Matilda Haggerty, Kathrine Morris, Doris Henderson, Nadine Pemberton, Mary McClelland, Johnny Vogt, Ralph Youngkin, Carder Manning, Maurice Greeley, James Sawyer, Ronald Outlaw. The technical staff has not been entirely chosen yet.

Miss Cassell says "If you like parties, be in the auditorium April 2 and 3 for an evening of gaiety and hilarity."

Commercial Classes Exhibit Work For National Convention

Exhibits representing Northeast's commercial classes were among the displays at the National Office Management Association's Education Night, Thursday, February 19, at the President Hotel.

This exhibit was the first of its kind in Kansas City in which all the high schools participated.

Dr. Kenneth McFarland, superintendent of public schools in Topeka, Kansas, was the guest speaker at the annual meeting. Dr. McFarland is the official guest lecturer for Readers Digest and the only person serving in that capacity. He is also under contract for a series of speaking engagements under the sponsorship of General Motors. This means that he is the guest lecturer of the world's largest corporation, and of the magazine with the world's largest circulation.

The purpose of this education night was to present to the Office Management Association every phase of the work that is done in the commercial classes. This will bring about a better understanding and coordination between the business world and the high schools.

Clerical practice, commercial law, Thomas and Gregg shorthand, personal and business typing, commercial arithmetic, and bookkeeping classes entered work in the various displays.

Office machine notebooks, commercial law notebooks, mimeograph work, shorthand typing work, legal forms and filing notebooks were included in the exhibits from Northeast.

Miss Elizabeth Gregory, Miss Madalin Clough, Miss Frances Daugherty, Miss Mary Ruth Jacobson, and Miss Jane Marshall were the teachers who attended the Education night from Northeast's commercial department.

Drivers Education Students Have Started Actual Driving

The Driver's Education students are hard at work but are using the Vike-mob instead of Huff Guss. Monday, February 16, they started actual driving. The Vike-mob now has 2500 miles on it and is still in good condition.

Classes have been divided into two groups, keeping the students who know how to drive separate from those who do not know how to drive. This, according to Miss Hortense Miller, will help all students to learn sooner how to drive correctly.

Driver Education Students, were shown working models of the motor and transmission of actual cars to better understand them. Ruff Guss is now in good working condition for the spring students because of a complete overhaul job completed by the fourth hour class.

Red Cross Drive To Be Started Soon At Northeast High

Enrollment in the Junior Red Cross will be held in the Kansas City schools during the week of March 8 to 12. All contributions must be voluntary and the students are urged to earn or save the money that they contribute.

The money collected in the schools will be deposited in the Junior Red Cross Service Fund. The use of the funds to meet the administrative expenses of the American Red Cross is prohibited.

The contributions from students are distributed as follows:

(1) They help meet the cost of the three Junior Red Cross publications, (2) Supplies for holiday items, industrial arts, and sewing are purchased. Last year the Red Cross sent \$1,832,200 worth of educational materials to the school children in war-torn countries.

(3) Aid to children of war-devastated countries is provided. Needy and undernourished children in many parts of the world benefit from contributions to the Red Cross.

This funds provide service to the Children's Convalescent Center and the Excelsior Springs and Wadsworth Veterans' Hospitals. Recreation and rehabilitation program for hospitalized veterans are provided by the schools.

New members have ended their purchases of the A Cappella pine, and the old members bought chain guards. The old members were told that they could not buy chain guards unless they had been in the Choir for two years, making it an honor to belong to the A Cappella.

Pictures were taken of the A Cappella officers for both semesters, for the Northeast Annual. This has been a custom and an honor that is bestowed each year on the vocal music department.

The pictures were taken Wednesday afternoon, in room 208 for the officers, and during class time, for the group picture of the A Cappella. The group is anxiously awaiting the results of their pictures.

Cadet of the Week

Attention! Eyes Right, to face the Cadet of the Week, Warren Williams. He is 5 feet 9 1/2 inches and weighs 148 pounds. His hair is dark black and his eyes are dark brown. Along with being the Plans and Training Officer and a Captain in ROTC he is very active in the Benton Literary Society. Warren has many friends, but the ones on his first list are Raymond Higgins, Jimmie Hunter, Phil Needles, and Willis Middleton.

His pet peeve is girls that argue with boys, which ties in with the fact that he is going with Norma Erickson, he hopes. By passing the tests and physicals he has become a candidate for the ROTC. If he is chosen he wants to take his training at K. U. If he is not accepted he will attend Junior College and then learn to be a Telephone Efficiency Expert. We know there will be smooth sailing for this senior in the future years.

From a Boy to a Girl

Where did you go? Don't tell me a lie, I bet you were out with another guy. Did you go driving and park on the road, Or did you go to a "Drive-In" for some pie-alamode? Were you at home with the lights turned down low, And did you kiss him or were you a smoo? Did you hold his hand and tell him of your love, Or did you look out the window to see what was above? There's no use tell'n me, I won't believe a lie; So, Do you love me or the other guy.

"Infatuation" I'm taking American History. I've been taking it for years. The reason, well can't you guess? My teacher is Mr. Sears. - Anonymous

Vikes Upset Bears In Tight Contest; Score 25 to 22

Hooverder Leads Scoring Of Viking Quintet In Final Game of Season

In a tight battle, Northeast defeated the East Bears to tie with them for second place in the interscholastic league. Jim Hooverder starred for the Vikings by making a total of 14 points. He attained most of his points by making accurate shots from under the basket.

The first quarter started off with Bill Witter's bucket followed by Layton's free shot which gave the Vikings an early three-point lead. Miles and Vaughn of East started the Bear's points to bring it to the three-all mark. The teams held each other without a point more being made, until Hooverder sank a free toss and ended the session, four to three, Northeast on top.

Hard fighting kept up as neither team relaxed. Shots were made by Layton and Wright of Northeast and Miles, Willson, Pickett, Roark, Wilson, and Miles were about to close Mathis hit a free-throw shot to make the score East 11, Northeast 10. Tension picked up as Layton picked a long one between two of Hooverder's baskets. East began to tighten up but fast motion sent the scores upward.

Pickett, Roark, Wilson, and Miles were holding up East's part of the scoring as the quarter ended in a tie of 17 all.

The final quarter started with both teams sending in their top players. Feverish fighting sent the scores to 22 each and only a few minutes left to play. Time kept growing shorter when Hooverder received a free throw and Layton sank a basket to bring the Vikings out in front and to end the game Northeast 25, East 22.

The Voice of Joyce

The big news in the girls' physical education department now is Sports Day which will be March 9 at Westport High School. The volleyball team has been selected. Those to represent Northeast are: Joy Allen, Dolores Brents, Betty Beel, Mildred Campbell, Dorothy Foster, Beverly Kirkham, Jean Lortscher, "Babe" Marra, Jeannette Neiderland, Mary Ann Patterson, Joan Povala, Catherine Tamburello, Marcella Robinson, and Dolores Wenski.

Miss Woodward's third hour class is playing volleyball and more volleyball. Joan Holstine certainly has a terrific struggle with the ball. And why is it when Angelina Mussurici serves she's so anxious to play set-up's?

A Volleyball Clinic was held in the boys gymnasium, February 25, for all girl physical education teachers in Kansas City. The purpose was to discuss volleyball rules and techniques. Miss Woodward said Miss Augusta Guffer of the Foods Department, with several student assistants, served a lovely tea. AHHH yes, we all love food.

Slash! Slash! The gym gals are still trying to pass their swimming tests. It looks as if some are pretty successful too. You should see Charlene Hall turn somersaults (not a required test) and

Outlaw's Outlooks

While roaming around trying to think of something to tell you foolish people who read this column I suddenly realized that there was a group around Northeast that had been kept out of the limelight long enough, so I am going to try to acquaint you with the Northeast Rinky Dinks, the second team basketball squad.

The second team made a fine showing in league competition by winning five and losing two, to wind up the season in second place.

The starting line-up for the team was: Scardino, guard; Guber, guard; Adams, center; Velasquez, forward; and Steele, forward. Among these five boys four freshmen, which means that Northeast should have a very strong team in the coming years.

The boys who lettered this year and may be the varsity stars in future years are: Nugent Adams, Fred Brown, Bob Fagan, Bill Foster, Harvey Guber, Marvin Kinnett, Joe Savigliano, Anthony Scardino, Charles Steele, Bennie Velasquez, Charles West, and Bill Worrell.

The team's won and lost record is:

Northeast won—	32-12
Manual	35-13
Central	36-34
Southeast	30-22
East	
Northeast lost—	50-19
Shawnee Mission	32-28
Wyandotte	19-17
Ward	33-28
Paseo	30-22
Westport	

We offer our congratulations to Coach Hawthorne and the second team for doing such a fine job in second team competition this year.

Now leaving the Rinky Dinks and going to the varsity we offer our congratulations to Bill Witter and Don Wright for being chosen for the second team all-stars, and to Jim Hooverder for receiving honorable mention. To the rest of the team go our thanks for doing such a fine job of representing Northeast in the Interscholastic League this year.

In the subregional tournament Northeast defeated Central, who had beaten them in the first game of the year, and lost to East, whom they had defeated the week before, to keep the tournament in as much a crazy quilt pattern as the Interscholastic League was.

The East game, of course, was the one that knocked Northeast out of state competition. The Vikings couldn't seem to gain the control over the ball that they usually have and it seem that they were trying too hard. On the other hand East was playing a very cool and well controlled game and this seemed to be the deciding difference in the teams.

we're afraid Jane Chartrand will get water in the brain (heh heh) from standing on her head in the pool.

Modern Dancing finds the 'il Fred Astaires of Northeast on their toes. Miss Biggerstaff is really helping the little twinkle toe girls to develop grace. Then Miss Woodward and Miss Stewart take over and we're out for a Schottische folk dance. We hear Dot Dickens and Pat Theiman make a darling couple. The talented girls will present their interpretation of the dance for a convention of the Physical Education Teachers in April.

Congratulations to "Babe" Marra for being selected for the A. A. U. W. Basketball team.

Sub-Regional Notes

Northeast won two and lost one in the state subregionals to wind up third place in the De La Salle tournament.

In the first game, with Central, the first quarter was a close basket-for-basket contest with Northeast holding an 8 to 7 advantage. With four minutes of the second quarter gone, Bill Witter gave Northeast a 14 to 12 lead and from there on the Vikings built up a 21 to 12 half-time lead.

In the third period, Northeast was hitting consistently from any angle and time after time penetrated the Eagle defense to pour in field goals. It was a fourth quarter Central rally that left Northeast on the long end of the 33 to 25 score at the end of the game.

The first quarter of the East game found the Bears and Vikings battling on even terms with East gaining a one point advantage three seconds ahead of the buzzer.

In the second quarter East began their drive and sparked by Mathis and Roark they held a half-time lead of 21 to 16.

From here on it was East's game and in the third quarter they increased their lead to 10 points, a score of 33 to 23.

A fourth quarter Viking rally led by Hooverder, Wright, and Guy, still left Northeast behind 39 to 33 at the end of the game.

In the last game, with De La Salle, the first half of the game was spent swapping field goals and free throws to leave the teams ready to start a new game after the intermission with a score of 13 to 13.

With Witter, Hooverder, Wright, and Dunskey, leading them Northeast added more field goals and free throws to end up on the long end of a 38 to 30 score.
