A name familiar to all Nor'easters is that of Mr. Arthur O. Kresse, a faculty member with a sincere interest in Northeast and her activities. During his twenty-six years at Thou Dear, Mr. Kresse has trained many students in both English and Latin.

We shall always remember Mr. Kresse best, however, for his service as advisor to the Nor'easter staff. From 1944 until 1958, Mr. Kresse worked diligently and unselfishly so that Northeast students would always have a superior yearbook of which they could be proud.

Thus, for his loyal service and constructive guidance, it is to Mr. A. O. Kresse that we humbly dedicate this

ADMINISTRATION

MR. M. WAYNE McKANNA

Principal

Northeast is extremely fortunate in having as its administrator a man such as Mr. McKanna, whose interest in and knowledge of all phases of Northeast life make him well-qualified to cope with those many little (and big) problems that are somehow continually arising. Through his efforts, Northeast students were given the opportunity to join with those of Glennon High School in forming a Northeast Youth Community Council which, in turn, set up a Northeast Youth Traffic Court.

Mr. McKanna enjoys gardening, woodwork, traveling, and of course all sports activities in which the talents of Northeast's superb athletes are demonstrated.

Because of his wise assistance in their problems, his sincere interest in their achievements, and his loyal support of their activities, the Nor'easters join in expressing to Mr. M. Wayne McKanna a big, hearty "Thanks!"

MR. E. A. MARKEY

Vice Principal

This year has been an unusually successful one for Northeast, athletically, socially, and scholastically. One man who has done a great deal to push Thou Dear to that success is Mr. E. A. Markey, in this, his first year as her Vice Principal.

Mr. Markey completed his Bachelor of Science degree at Central Missouri State College and his Master of Arts at the University of Iowa. From 1937 to 1956, he coached the Northeast varsity football team to many victories, and under his leadership, they achieved seven city championships. He left Northeast in 1956 to assume the job of Consultant of Boys' Physical Education for the Kansas City High Schools.

Mr. Markey's strong interest in sports is demonstrated by his selection of hobbies, for he enjoys fishing and is a spectator at many football, basketball, and track events.

With a sincere concern for his school and capabilities extending into many fields, Mr. E. A. Markey has gained the admiration and respect of all Northeast Vikings.

MR. SAM PASSIGLIA

That friendly, smiling face so familiar to all Northeast students belongs to the sophomore and senior counselor, Mr. Sam Passiglia. His cheerful personality and keen sense of humor has won for him many friends. Assisting with enrollment, selecting pupils for special classes and activities, testing for scholarships, and counseling students about college are only a few of the many duties which are his.

MRS. AGNES WENDEL

After only two years at Northeast, Mrs. Agnes Wendel, has become a vital part of our school life. Though she has many responsibilities to keep her busy, the Freshmen and Juniors always find her ready to listen to their problems and lend helpful advice. In her own words — "I'm proud to be one of the members of the faculty."

FACULTY

All the knowledge, skill, art and science that we use and revere, up to Einstein's formulas linking matter and energy, are merely the repetition and extension of a basic principle. This extension, however, does not take place by itself, but must be preceded by slow and painful teaching: just as the ability to run must always follow tedious lessons on how to walk. There was once a time, no doubt, when even Mr. Einstein wasn't quite sure of the product of eight times nine.

No man can say of another: "I educated him;" but it is a proud thing to say: "I taught him." Education must come from within, yet it is often the result of the teaching he has had. Experts in their special fields, teachers provide a reservoir of knowledge from which interested students may draw in order that they might become experts, too.

The Dramatics instructors, for example, are busy training the young men and women who will be tomorrow's celebrated producers, directors, and performers.

Through our teachers, we gain the knowledge, ability, and experience which will enable us to live wisely and usefully. They instill in us the desire to learn all we can, not for the sake of knowledge alone, but for the purpose of creating meaningful, contributive lives. It is their wish, and ours, that what is now so often said of them may someday be said of us — that wherever they are is a better place because they are there.

UNDERCLASS

JUNIORS 1959

So your Junior year is over. How did you like it? "Oh, it was no different," you're probably thinking. Well, let *me* tell you all about it.

As you approached your next-to-the-last year in this merciless institution of learning, you were undoubtedly possessed with a feeling of superiority at having achieved at last that enviable position of being a JUNIOR! But, alas! You were soon rudely awakened to the cold, hard reality of your highly inferior state, as a proud Senior gave you a shove, "Out of the way, Junior!"

Then, as you had almost resigned yourself to the fact that you must exist as an underdog for one more year, things began to pick up. You noticed for the first time the absurd immaturity of Freshmen and Sophomores. You enjoyed more frequent informal chats with your teachers. You elected Class Officers, ordered your Senior rings, and enjoyed that special night of the Junior-Senior Prom. The tears you shed for your graduating friends, however, were only a farce; for deep down inside you were chuckling, wondering what it would be like to say, "Out of the way, Junior!"

SOPHOMORES — FRESHMEN

"Freshmen and Sophomores, bow down!" snap the haughty Upperclassmen as they pass through the halls of Thou Dear.

"Why, no one ever said that to me," you immediately deny. Of course those were not the exact words; Upperclassmen are far too subtle for that. But did you ever notice those supercilious glances, those noses to the air? They were meant for YOU, little friend.

You surely remember the scornful attitude of the Juniors and Seniors as you and your friends performed your many comical antics. Well, just between you and me, they were inwardly laughing with you, wishing they could join you in your buffoonery. They are actually very fond of you; for, after all, that's what Upperclassmen are made of!

STUDENT COUNCIL

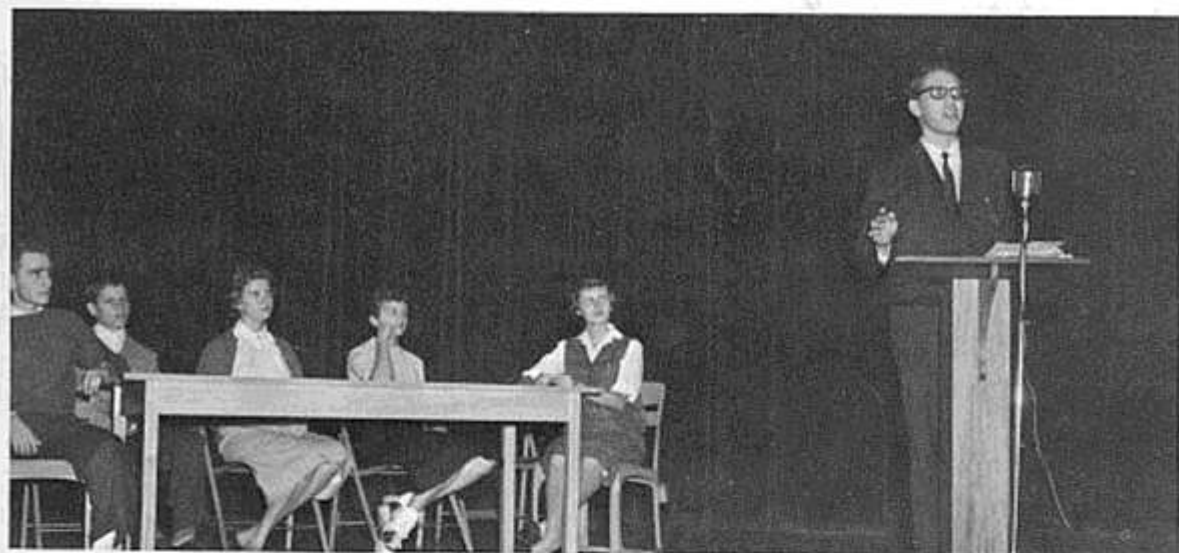

The Student Council is comprised of a small group of students representing the ideas and opinions of each individual at Northeast. At the beginning of the school year, each home room selected one member to participate in this student governmental body. In order to facilitate greater ease in handling special tasks, various committees were organized on which every representative served.

A few of the activities undertaken during the year were, decorating a float on which the queen candidates rode in the Homecoming Parade, the collection of funds by the Civic Committee for a Christmas Care project, sending \$164.12 for needy children in Korea. By far the most noteworthy achievement of the student Council was the development of the Northeast Youth Community Council which was organized co-operatively by Northeast and Glennon high schools.

Those who had a part in the Student Council projects this year have certainly done much to improve our school, not only in appearance, but also in the attitude and spirit of her students. Thanks, Student Council, for a job well done!

BAND

The Northeast High School Band members had very little time to relax this year because of their many program commitments. Highlights of the year were the Band Day trip to Columbia for the Missouri-Vanderbilt game, the All City Band Festival, the American Royal Parade, the Westport Parade, and several concerts, in addition to some of Northeast's ballgames.

This year Northeast played host to the All City Bands, holding the festival at the Northeast Junior Building. It has meant a lot of time and work for the band members, but they have enjoyed this busy and successful year.

Band Officers: John Podszus, President; Gary Koch, Vice-President; Gerry Larson, Secretary; Dennis Young, Uniform Custodian; Allan Harris, Stage Manager.

Orchestra Officers: Dennis McCarty, President; Georgia Bailey, Vice-President; Gene McEntyre, Secretary-Treasurer; Alice Morrison, Librarian.

ORCHESTRA

It has been another successful year for the Northeast Orchestra. The orchestra presented outstanding performances in the All-City Orchestra Festival, the Spring Concert, assemblies, and many other programs. Participation in this group helps develop responsibility, character, and leadership, as well as musical ability.

Mr. Harry Bianco, director of the Orchestra and Band also spends three hours daily at Northeast Junior to teach and prepare students for their future role in the Northeast Orchestra, thus assuring Northeast of the same fine quality music in years to come.

Violin: Shirley Hoenshell, Bernice House, Alice Morrison, John Beavens, Carroll Billings, Denver Crabtree, Gene McEntyre, Steve Saunders, Regina House, Kathleen Marks, Susan Thomas, Gerald Olthoff, Lee Gregory, David Horned, Joan Krusor, Clyde Page, Kenneth Skinner. *Viola:* Dorothy Miller. *Cello:* Steve Stalker, Ella Pearson. *Piano:* Georgia Bailey, Marsha Huntley, Joyce

A CAPPELLA

"Now you're the little mouse in the corner — squeak, squeak, squeak!" cries Miss Clausen as she tries another of her peculiar tricks which, amazingly enough, result in the tuneful, toneful perfection of the Northeast A Cappella Choir.

The Choir, as usual, has been much in demand for public performances, and have sung before the Sertoma Club, the Ad Club, an American Legion Post, the principals' division of the Missouri State Teachers' Convention, and of course at various assemblies both here and at Northeast Junior. Spring activities included the Northeast Spring Music Festival, the All-City Vocal Music Festival, Farewell Assembly, Baccalaureate, and graduation ceremonies. It has indeed been a busy year — one that students, teachers, and choir members alike will long remember.

CHORUSES

Northeast is proud of her fine music department, which gives those in vocal music a variety of organizations in which to develop their talents. The Girls', Boys', and Mixed Choruses encourage the student in musical appreciation and ability, and provide a fine background in the fundamental principals of sight reading, harmony, and part singing.

The knowledge gained by Chorus members is displayed to appreciative audiences at school assemblies, the All-City Festival, the City Solo Contest, and other public performances before church and civic organizations.

ART CLUB

The Art Club is an organization designed to give advanced art students the opportunity to associate with others interested in furthering their creative ability. Art Club projects included tinting photographs, producing wood carvings, and designing many clever and colorful posters to promote Northeast's sports and social activities.

During the year, Art Club members have represented Northeast well at the art events and contests throughout the city.

JR. RED CROSS

The Northeast Junior Red Cross is composed of one member from each homeroom. Under the direction of Miss Charlotte Cannon, these students publicized and collected money for the United Funds campaign and filled stockings for veterans at Christmas time.

Those who participated in this program gained invaluable knowledge concerning the purposes and functions of the Red Cross, and, through this work, acquired a deeper insight into the problems and needs of others.

LATIN CLUB

Latin lives today at Thou Dear, not only in regular class work, but also in the programs and activities of the Latin Club. In order to get into the true spirit of the ancient Roman language, club members often dress in togas (Mother's old sheets) and portray Roman gods and goddesses. Birthdays, Christmas, and Thanksgiving are celebrated by singing Latin songs. A traditional Thanksgiving program includes the presentation of gifts of food to Ceres, goddess of agriculture, who in turn presents them to a needy family.

and culture of ancient Rome is gained. Stress is placed on the fallacy of the idea that Latin is a dead language, though once in a while, the Latin students are tempted to chant the famous poem:

"Latin is a language, dead as dead can be;

First it killed the Romans, and now it's killing me!"

Latin is really very much alive as the basis for modern languages and professions. The increased enrollment in Latin classes reflects an increased interest in the Latin language as a practical aid to present-day living.

FRENCH CLUB

Spain has Don Quixote, England has Winston Churchill, but the French Club has John Pierre Belmessari! This past year, Northeast has been fortunate in having a second year French class, taught by Mrs. Mary Jane Berger, ably assisted by a "real Frenchman." John started the year off right by declaring the club name, "Les Miserables," a disgrace. With his winning personality and democratic open mind, he suggested "La Marseillaise" as a possible substitute, with the same title for the club song. The motion was made official at the next meeting, with everyone heartily in favor.

The programs always had that "spicy French flavor" with French playing cards, newspapers, songs, and that unforgettable meeting visited by "Mademoiselle X." Naturally, the French club car in the Homecoming parade was one of the most outstanding.

At Christmas time, les Parisiennes filled everyone with that "good ol' Christmas spirit" by caroling in the halls of Thou Dear, and bringing toys, food, and clothing for an adopted family. Christmas wouldn't be complete without parties, and the French Club, not to be outdone, had a rousing one. Everyone had a wonderful time, at least that's what they told Linda Hamilton as they left her house at 1:00 a.m. To bring the year to a fun-filled close, the French Club enjoyed a Spring picnic, which was a huge success, as usual.

Every worthwhile organization has a purpose, and the French Club is no exception. "La Marseillaise" provides a medium whereby "les etudiants de francais" may put their newly acquired language to use, through songs, games and conversation and endeavor to do their part in service projects.

SPANISH CLUB

Hola Amigos! The familiar greeting given by all members of La Sociedad Castellana as they come together for their weekly meetings.

The Spanish Club members wish to develop fluency in speaking and understanding the Spanish language, and foster appreciation of the rich cultural contributions of Spanish-speaking peoples in the areas of art, music, and literature.

The members of the club also perform such services as entertaining at various orphanages and homes for the aged, and adopting needy families.

La Sociedad Castellana is indeed an enjoyable and satisfying organization for all members.

SEAL CLUB

The Seal Club members are skilled swimmers who combine fun and ability in the swimming pool. This year, Seals of the Year awards will be given to those girls who have earned 125 points during the year. Points may be received by participation in synchronized swimming shows, competitive meets, life saving, attendance, committee work, and participation in various other activities.

The Seals enjoyed tacos and enchiladas at Marguerita's for their Fall Dinner, a Mid-Year Breakfast at the home of one of the members, and a picnic and swim in the Spring to close the year's activities.

OLYMPIC CLUB

This year was an especially active one for the members of the Olympic Club. Their first event was an enjoyable chili supper, where the new members were initiated. In December, the Olympians sold programs and sponsored a Bake Sale at the Women's Faculty vs. the Coed's basketball game to raise money for the Dean Smith Memorial Fund.

While the Olympians weren't busy with these projects, they were breaking records on the hockey field, the basketball court, and the softball diamond. A Spring Picnic climaxed a very memorable year for these Olympians.

COURIER STAFFS

The 1958-59 Courier staffs have just completed another successful year of keeping Northeast students abreast of the gossip. With ear to the ground, pencil in hand, and nose to the grindstone, each staff member has done a fine job in making this year's Courier one of the juiciest scandal sheets in the history of Northeast.

The Courier, a bi-weekly publication, was edited by approximately twenty members each semester. Busy reporters had their hands full giving recognition to

Northeast's many outstanding students for their achievements and awards. Chuckles could be heard resounding through the halls of Thou Dear as the cleverly-written personality stories, feature articles, and jokes were read. Society and club members always looked forward to reading the third-page accounts of what really went on at their meetings.

The Courier newsmen this year have certainly presented an original, informative, and entertaining paper.

N. E. YOUTH COUNCIL

A newly formed student activity group at Northeast this year is the Northeast Youth Council, composed of students from Northeast and Glennon high schools.

During the first part of the school year, students from Southwest High School presented a mock trial before a Northeast Student Council meeting depicting an average session of the Southwest Youth Traffic Court. Our Student Council became enthusiastic about this plan for reducing teen-aged traffic violations in the Northeast area. The officers of the Northeast and Glennon Student Councils met with the Northeast Community Council to secure sponsorship for the organization.

The Northeast Youth Court, an outgrowth of the

Youth Council, is run in strict accordance with the procedures of an authentic court. When a youth enrolled in either of the participating high schools is determined guilty of a traffic offense by a municipal court judge, he is assessed a fine and sentenced to either a day in jail or appearance before the youth court. A jury of students determines the restrictions that should be placed on the traffic violator — usually a voluntary license suspension. If the youth must drive to and from school or work, he may sign a special pledge whereby only pleasure driving would be restricted. The purposes and functions of the organization can be summed up by its motto: "By governing ourselves, we will have no occasion to be governed."

NORTHEAST YOUTH COUNCIL OFFICERS: Margaret Dethlefsen, Sgt. at Arms; Judge Robert Frost, Susan Shotliff, Vice President; Joyce Crockett, Bailiff; Rosemary Cascio, Treasurer; Larry D. Blair, President; Joe Gilalde, Secretary. **ABSENT:** Theresa Kelly, Vice President; Mike Moore, Sgt. at Arms.

1959 NOR'EASTER STAFF

Editors: Sandy Elliff, Photography Editor: Kent Hunter, Editor-in-Chief: Susan Shotliff, Story Editor.

"All right, who changed the ladder?" again roared Kent Hunter, the 1959 editor of the Nor'easter. "Where's my ruler?" "What happened to the faculty pictures?" "Is the coffee ready yet?" and "Oh no! Another broken typewriter!" were just a few of the many exclamations that could be heard by any passer-by as the Nor'easter staff worked (?) carefully (??) to produce this book, the 1959 Nor'easter.

With Mr. James Drake, our adviser, standing around shouting "Deadline — deadline!" the staff labored diligently, planning for pictures, writing stories, typing final drafts, and selling Nor'easters — always frantically rushing to meet that murderous word — "deadline."

Now we, the Nor'easter staff, our work completed, are ready to settle back and relax while you, the student body, sit down and journey through this exciting book of memories, the 1959 Nor'easter.

C. O. E.

The Co-operative Occupational ~~Education~~ program provides an opportunity for the high school student to get a start in the occupation of his choice while attending school. In the classroom, the C.O.E. student studies material designed to make him more proficient in his chosen field of work, for which he earns one unit of credit. In the afternoon, the student works at his C.O.E. job, earning one unit of credit in addition to his pay.

The experience gained through C.O.E. better prepares each participant in the program to take his place in the working world upon graduation.

F. T. A.

The Future Teachers of America were organized in 1957 by former Northeast instructor, Mrs. Gertrude Bell. This year, the members attended the annual Teachers' Convention, observed methods of teaching at the University of Kansas City and at Central Missouri State Teachers' College, and practiced teaching at Thatcher Grade School.

The Future Teachers also improved the appearance of Thou Dear by purchasing lights for the trophy cases, polishing the trophies, and cleaning the velvet case backing. Northeast certainly has reason to be proud of this active organization.

VIKING VILLAGE

"The song is you."

You give three sharp knocks on the door, as instructed. A peephole slides open. As you try to look in to learn the source of all the music and laughter, your eager gaze is met by a pair of cold, beady eyes. "I-I was s-sent by Joe," your voice quavers. The peephole snaps shut, the door swings open, and there you are, amid the fun and excitement of Viking Village.

Your first stop is the Ping-Pong Room, where in no time at all, you'll find your head bobbing back and fourth from watching a hot volley between two table tennis champs. As you don't wish this strange mannerism to become a habit, you decide to try a game of basketball in the boys' gym. After only a short while at that strenuous exercise, you're ready to enjoy a refreshing coke and a slow, dreamy dance with that cute girl you just followed into the girls' gym. You ask her to dance just as a speedy rock 'n' roll song (?) starts spinning on the record player. You wear yourself out trying to impress her with your flying feet, and (alas!) you succeed. Now she won't let you sit even *one* out.

Like all good things, however, this too must come to an end, and you go home, tired but happy, looking forward to next Friday night when you'll hurry back to Viking Village.

"Cool Man!"

"Are you sure there are boys inside?"

"Beat those skins!"

"Would you believe it?"

"I'm the bouncer!"

"What's in that punch?"

"No thanks, I'm eating."

PEP CLUB

"Your pep! Your pep! You've got it, now keep it. Don't lose it; you'll need it. Your pep! Your pep!! Your pep!!! And those girls have really got it, for their cheers can be heard loud and clear at all Northeast sporting events.

Dressed in their uniforms — white V-neck sweaters with the Vike emblem and straight purple skirts — the Pep Club led Northeast's third annual Homecoming parade. The girls marched around the track, then onto the field, forming an "E" to salute the Vikes opponents, East High School, then forming an "N" to salute Thou Dear. The girls then formed two straight lines near the goal post, through which the football team ran after half-time activities.

MAJORETTES

The Northeast High School Majorettes have been busy this year displaying their baton-twirling talents at various sports events and parades. Chosen in the spring of 1958 from the many girls trying out were Carole Anderson, Junior; Donna Dishman, Junior; Jan Gassett, Junior; Toby Matranga, Junior; and Margaretta Zumwalt, Senior.

Among their activities this year were performances in the Northeast Annual Homecoming Parade, the American Royal Parade, the Westport Parade, Band Day at the Vanderbilt vs. Missouri football game in Columbia, and the All-City Band Festival in the Spring.

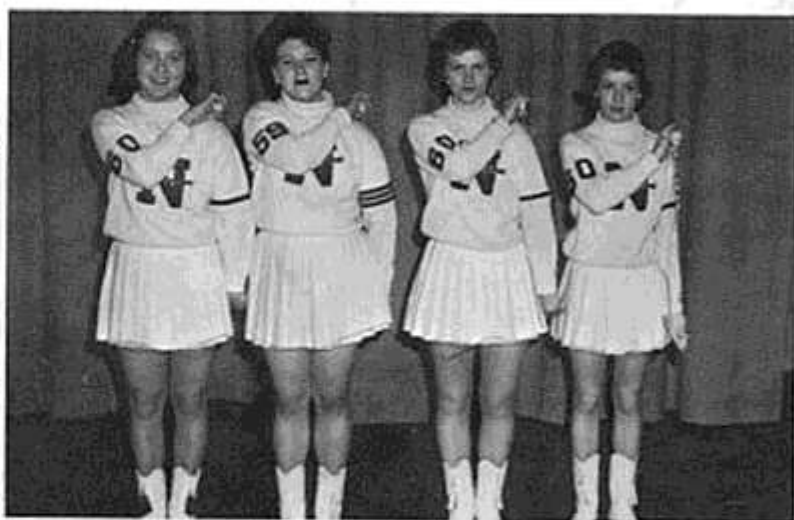

The majorettes have represented Northeast well in these and other events.

"How about another hayride!"

"Sit down and be quiet, you don't have the floor. Now, is there any new business?"

"Yes, how about another hayride?"

The preceeding was a replica of the 1959 Junior and Senior Hi-Y Club business meetings. Any similarity between persons living or dead is purely intentional and probably the complete unadulterated truth.

As you may have discerned from above, the Hi-Y men have fun and loads of it, but their functions also include hard work. The goal of the clubs is to "promote fellowship, Christian living, and good sportsmanship." By combining their efforts to achieve these, the work is done not only more efficiently but with a feeling of enjoyment.

The meetings became more serious when the big

events of the year rolled around. Plans were made for the annual Sno-Ball dance over which the Queen Doralee Miller, reigned with a pretty smile. Youth and Government was next on the agenda — by far the most interesting and educational project undertaken. Charles Bennett was elected President Pro Tem of the Senate at the pre-legislative meeting. In the Spring a sizable group representing the Northwest district went to Jefferson City and, with Hi-Y Clubs all over Missouri, actually took over State legislation for three days.

A summary of Hi-Y activities would be incomplete if Jovial Jack O'Laughlin, advisor of the Senior club, was not mentioned for never has a club had a more popular sponsor. Jack and all the members believe Hi-Y is the greatest and hope to see a growing membership in the years to come.

Y-TEENS

One of the most active groups at Northeast is a girls' organization, the Y-Teens. A branch of the Y.W.C.A., Y-Teens is composed of senior high school girls interested in bettering themselves and their community. This year, the girls were assisted by a new adviser, Mrs. Lucille Shepard.

Representatives from our Northeast group attended a Fellowship Dinner in the fall where each Y-Teen organization was asked to represent a different country. Several Bake Sales were sponsored by the Y-Teen girls in order to finance the annual Sweetheart Dance, which was appropriately held on Valentine's Day

this year in the beautifully decorated ballroom of the downtown Y.W.C.A. building. Genevieve Anderson was chosen to reign as queen, with Kathleen Duggan as Junior Princess, and Donna Rohning as Sophomore Princess.

The girls met twice a month, and enjoyed programs by guest speakers several times throughout the year. Through varied projects, they found many opportunities to practice their goal: ". . . To grow as a person; to grow in friendship with people of all races, religions, and nationalities; and to grow in the knowledge and love of God."

SPEECH ARTS

"Is everybody here? Let's count noses!" These are familiar words to the Speech Arts Club members as they prepare to leave the hallowed halls of Thou Dear (temporarily, of course) and journey to the University of Kansas, Park College, and other campuses nearby to watch plays and rehearsals of various college groups.

In addition to these jaunts, the Speech Arts troupe enjoyed several other entertaining get-togethers, in-

cluding a Christmas party and a Spring picnic.

All the members of the club are interested in public speaking or dramatics, and some plan to make their profession in these fields. The club also has educational value for those not enrolled in speech class.

The Speech Arts gang will heartily agree that their club provides a good time for all, whether they're watching a play at a nearby college or "hamming it up" here at Thou Dear.

"All right now — Yell!!!"

"What's that odor?"

NATIONAL HONOR SOCIETY

Membership in the National Honor Society is one of the things for which high school students work from the moment they become Freshmen in high school through their senior year. Participation in this restricted society is the highest honor of achievement given at Northeast.

Teachers judge nominees on the basis of their achievements in scholarship, leadership, character, and service. Only those students who maintain a scholarship index of 3.25 are considered for membership.

The students pictured below had the special honor of being elected as Juniors in the spring of 1958. These thirteen members planned the induction ceremony for the students elected in the spring of 1959. In an impressive assembly, the National Honor Society members repeated the oath of membership and received the pins signifying their scholastic achievement.

VARSITY CHEERLEADERS

"What's the good word?" could be heard ringing through the halls of Thou Dear as another Pep Assembly given by the able and agile cheerleaders came to an end. But the closing of the assembly was not the end of the efforts of this team of six who cheered our teams to many victories.

School spirit rose to a new high this year due to the unceasing efforts of our cheerleaders. They were: Janice Colyer, Senior; Sheilah Lewis, Senior; Jan Markey, Senior; Doralee Miller, Senior, Mary Lee Thompson, Junior; and Charlotte Williams, Senior.

Many new cheers and cheering techniques were brought back from the Oklahoma Cheerleader Clinic by Jan Markey. The girls were also assisted, as in the past, by Miss Lou Jean Moyer, adviser.

Northeast has undoubtedly become a better school because of the teamwork, ability, initiative, and enthusiasm of the 1958-59 Varsity Cheerleaders.

LEFT TO RIGHT: Karlyn Curtis, Joyce Crockett, Toni Bellanti, Elizabeth Delisio, Tiffany Vance, Genevieve Anderson.

B-TEAM CHEERLEADERS

This year for the first time the football and basketball B-teams have had their own cheerleaders.

Throughout the summer, Genevieve Anderson, Senior; Karlyn Curtis, Senior; Joyce Crockett, Senior; Toni Bellanti, Senior; Elizabeth Delisio, Senior; and Tiffany Vance, Junior practiced diligently, learning new cheers and perfecting old ones. Their first appearance was at Cheerleader Clinic at St. Joseph Central High School where they demonstrated a new cheer by Tiffany Vance.

Miss Nancy Kienle acted as the girls' adviser, and helped greatly at practices and with the choosing of uniforms — purple sweaters and coulottes with white lettering, purple and white beanies, and white shoes.

Besides cheering at B-team football and basketball games, the girls also helped out at varsity games and pep assemblies.

New interest was aroused in the B-teams because of the pep and enthusiasm of the B-team cheerleaders.

The 1959 Viking grid-men turned out their best performance since 1952 with a 7 win 2 loss record. This fine display of football talent was made possible by the powerful Northeast line and, in the words of the K.C. Star, the "most versatile if not the best backfield in the league." The backfield was truly well balanced with an excellent passing and running attack, punting and blocking ability, coupled with exceptional speed and power necessary to be a winning team.

The opening game with Raytown proved to be one of defensive ball with neither team gaining any ground. Late in the first quarter Maxwell broke through the center and kept going but the play was called back. Then in the second quarter the Blue Jay's Danny Titus took a punt on his twenty-five yard strip and weaved seventy-five yards for a Raytown T.D. Again the game slowed to defensive action around midfield but in the fourth quarter Ross Coker, Blue Jay back, broke loose and scored the final touchdown with a thirty-five yard run, leaving the score at 13-0.

The next week saw the revenge bent Vikings run William Chrisman into the ground for the twelfth time in the thirteen game series. Tremendous blocking proved to be the deciding factor and the Norsemen easily stacked up a 33-0 win.

A strong Southeast team stunned the Vikings with a crushing 33-6 victory in the first league game of the season. Southeast, chosen best defensive team in the nation, also looked great on offense with a tremendous display of football dexterity by All-American, Bud Abel (formerly of Northeast). Even though the performance of the Vikes was overshadowed by the Knights, Northeast was somewhat consoled by the fact that we had the only team that scored against the top team in the nation.

The Vikings again bounced back by smashing Southwest 31-6 due to the dazzling array of passing, running, and blocking by Northeast. Westport was next on the list and the game was a thriller. Westport's tricky backfield set the precedent by breaking over from the eight with two and a half minutes left in

the first quarter. The Vikes bounced back via a 38 yard, Ricono-Boone, pass play, with only 15 seconds left in the first stanza. The Vikings boosted the score to 19-6 in the second quarter while Westport, unable to cope with the sparkling pass-plays of Northeast, fell behind. The Tigers took to the field with renewed vigor in the third quarter and running off of the deceptive belly series startled Northeast with a 20-19 lead. The Vikes, again taking to the air, scored in the final period by means of a 61 yard touchdown drive, thus ending the see-saw battle by etching out a 25-20 victory.

Manual posed no problem as the Norsemen blasted the Redbirds 55-0 led by Dick Clark with 13 points and 85 yards rushing. The Vikings ran rampant over the field, smashing Manual's line, causing losses up to 40 yards, and plunging through, around, and over the Redbird defense as though it wasn't there.

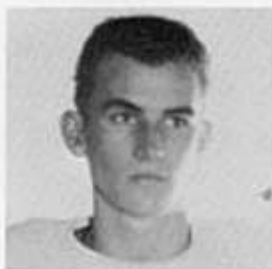

Northeast easily coasted by the Paseo Pirates for their fourth win against one loss in league play. The Viking eleven had by this time jelled into a fine offensive and defensive team and with Ricono leading the way both phases looked fine, thus producing a 34-6 victory.

East promised to be the toughest game left for the Vikings but Northeast took it in stride and posted a 12-6 homecoming victory. Producing excitement to the last, the East Bears were unable to penetrate the Viking defense until the final stanza. Twice the determined East team pounded their way to the Viking five-yard strip; but the Norsemen would not give up, twice turning them away with tremendous goal line stands. Corky Maddox and Bill Graves sparked the team to victory with brilliant defensive performances as the Northeast defense shone.

Northeast wrapped up a successful season by pouncing on the Central Eagles 39-6. Central was unable to solve either the Purple defense or offense and succumbed to Viking superiority enabling Northeast to grab second place in the league.

Through the years, Northeast has maintained a superior record in the Interscholastic Football League. Their success is usually attributed to fine coaching, an especially strong line, or a swift back-field. However, one factor which is certainly deserving of recognition is the B-team football program, where the individual skills of each boy are developed so as to be of the greatest possible benefit to the team as a whole. It is here that the boys master the techniques and gain the experience necessary to produce a championship Varsity team.

The Viking eagles opened the season by participating in the Southeast tournament. Westport was the first to fall as the sharp-shooting Vikes hit 55% to post a 53-40 rout. Northeast's tight zone defense sewed up the Van Horn Falcons to win first place in the tournament with a 46-38 victory.

After defeating Glennon and De Lasalle the Vikings lengthened their string of victories to five by defeating Lincoln 43-37. The first half looked bad for the Vikes, for the towering Lincoln team continually grabbed the rebounds and outscored Northeast seven points in the first half. The zone, however, tightened up in the second half and the Norsemen forged ahead to win. In the semi-finals of the Interscholastic Tourney Northeast again defeated the Van Horn Falcons with a score of 36-35. Northeast lost their bid to extend their undefeated status to seven games, when they lost the game and the championship to Westport, 51-50, in a thrilling see-saw contest.

Following a 44-42 defeat at the hands of the Rockhurst Hawks, Northeast began league competition by vengefully smashing Westport 41-29. The Viking five dropped their next game to Lincoln, 44-39, due primarily to Lincoln's radical court design. Southwest and Central were next on the agenda and they were trounced 63-31 and 40-23 respectively. The Pasco Pirates proved to be tougher than expected when the chilly Vikings threw away a 31-13 half-time lead to scrape by 40-37. Northeast continued to win by defeating the die-hard East Bears and Manual Cardinals 43-35 and 47-35, but were stopped again when Van Horn erased all hopes of first in the league by a 1 point margin. (47-48). To finish league play the Vikings slid by slow moving Southeast, 29-27, in a double overtime victory; led by Gary Narr who swished a 21 foot jump-shot with only 5 seconds playing time remaining in the last overtime.

After blasting Bishop Miege, Northeast set their sights on a return trip to St. Louis, via the State Regional Playoffs. The first Viking rivalry was East and the Vikes produced a mild massacre, winning 56-37. The North Kansas City Hornets threw a scare into the startled Vikes with a torrid first quarter. The Hornets swished their first seven shots and most of those were 20-footers. Northeast, however, managed to keep up and broke loose in the last half to blast the Hornets 62-47. The finals saw Northeast and Van Horn meet for the fourth time but the Vikes were unable to keep up with the 40% shooting of the red-hot Falcons. Northeast jumped to a 2 point lead in the first stanza and maintained it until the 3rd quarter when Van Horn tied the score 33-33. After a flurry of points by the Falcons in the fourth quarter Northeast seemed to fall apart. The Vikes tried desperately to catch the fleeing Falcons but to no avail, as the game ended in a 52-47 Vike defeat.

Although Northeast was picked to take first both in league competition and the State Regional by sports writers, the Vikings could no pull through in the crucial contests. It should be mentioned that the Vikes were able to beat Lincoln and Van Horn, the league and regional spoilers, by wide margins; but they weren't able to do it at the right time.

TRACK

This year Northeast will enjoy the privilege of having, possibly the finest team in the city, and the finest at Northeast in several years. Central is probably the only team that will give the Viking speedsters any competition and they shouldn't be too hard to handle. Indicative of the Viking might is the 26-16 victory over the East Bears and the dual meet with Shawnee-Mission East in which the only event the visitors could place was third in the 60 yard dash.

One of the highlights of the year is the Big Eight Indoor Track Meet at the Municipal Auditorium. The Northeast team won first at the Big 8 with 20 points while Central compiled 17. Dave Sheridan won first in the low hurdles leaving the opposition far behind with a time of 7.4. Riley Cushman showed promising form as he finished first in the 880 yard run with a time of 2:03.7. The two performances that stood out, however, as being decisive factors in the belief that Northeast has an excellent track team this year are: John Glorioso, All-State, won second in the 60 yard dash — inches behind the winner, who tied the Big 8 record. (6.4). The sprint relay team, consisting of John Glorioso, Ed Neptune, Darrell Barlow, and Dave Sheridan, left the nearest competitor approximately 40 yards behind when they broke the Big 8 record by nearly 2 seconds with a time of 2:10.5. As a matter of interest this record was set by Southwest, the State Champions, at that time.

GIRLS' SPORTS

For the past several years, special physical education classes have been present at Northeast. These are the 7th Hour classes of Miss Lou Jean Moyer and Mrs. Marilyn Deister. Miss Moyer's class specializes in sports such as hockey, basketball, volleyball, softball, and badminton, while Mrs. Deister's class excels in synchronized swimming and modern dancing.

This year Northeast attended three sports' days — hockey, basketball, and softball. These teams were selected from the two special gym classes.

A new feat which was undertaken by Miss Moyer's class was a biweekly visit to the armory. The girls received instructions on the handling and firing of a 22-rifle from the ROTC officers. This proved to be a very enjoyable experience for most of the girls al-

though some failed to ever hit the target paper.

One of the main events of the year was the game between the women's faculty and Miss Moyer's 7th Hour. With some help from the dishonest scorekeeper, the faculty won. Tickets were sold and the money received from this event was presented to the Dean Smith Memorial Fund.

The most popular of the competitive contests between the girls is the Junior-Senior basketball game. This year the Seniors won over the Juniors 28—12.

A good athlete isn't just one who performs the skill well. Good sportsmanship is one of the requirements to be considered a good athlete. With this in mind, the Northwest girls with ability, sportsmanship, and the desire to win gained many victories.

Our school days at Northeast are over; and as we look back over our wonderful Senior year, it's hard to keep from shedding a tear — of joy, and breathing a sigh — of relief. This last year has held so many happy activities. Some of the best remembered are the Homecoming Game; the Intersociety, Snowball, and Sweetheart Dances; Viking Varieties; Lit Night; the Spring Play; and the Prom; for together they nearly succeeded in draining us of all our funds. We Seniors modestly agreed that our Senior Assembly was the best production of all time, and that our Senior Ballot was by far the most wisely chosen.

Then suddenly we found ourselves in long gray robes and mortar board, marching with our friends to the poignant chords of "Pomp and Circumstance." We listened to the Choir, the speakers, the presentation of the Class Gift — strained to hear and keep every word, wished we could prolong it, yet knew that too soon it would all be over. As we stood in the final moments to sing the traditional song, we looked about us at the familiar faces which had made our school years the happy ones that they have been. We realized that this was the last time we would all be together, then sang with sadness and sincerity, "For all we know, we may never meet again."

NORTHEAST VIKING CREED

Northeast Creed

To Northeast High School:
I pledge my loyalty and allegiance,
I shall live for my school with honor
in both word and act,
I shall give the fullest of my strength
the best of my thought,
the trust of my conscience,
and the whole of my spirit,
In victory or defeat
I shall keep the faith

Pledge of Allegiance

I pledge allegiance to the flag of the
United States of America and to the
