on the move...

Get your arm away from my girl.

Dear Students and Staff:

Every member of this school family is to be commended for doing their share in helping to get the school year here at Northeast Sr. off to a good start. Through your efforts, cooperation and loyalty we have experienced one of the best school openings that we have had in several years. It is my desire that each of us will build on this good start and indeed make this the year of excellence for Northeast Senior.

I really don't know how to explain the season. I really thought we had some winning potential. Yet, I'm sure it was there. We just couldn't find it. In a way I'm relieved the season ended. Yet, in another, I know I could play football for the Northeast Vikings the rest of my life.

Scott Edmondson

I was very proud to be a part of the football team for three years. Although we lost, we still didn't lose our spirit in the game. I just hope Northeast will have a better team next year.

This year's team was lucky enough to have a star in disguise. Number 23, Jerry Floyd was simply outstanding. He led the league in every category in receiving and was placed on the first teams of All-City, All-District, and All-Metro. The reason why he was in disguise, is the fact that this was the only year he took part in Viking Football. Again, congratulations to a fine football player and good luck for the future.
