ONCE A VIKING – ALWAYS A VIKING

Mary Cincotta

I recently had the pleasure of attending two birthday celebrations for two very special people who I am honored to call my friends. One party was for a lady turning 90 years young and the other was for a gentleman turning 80 years young. And while “turning young” isn’t the standard way of saying it - knowing both of these people the way that I do - I know that young is the only way to refer to them.

But their zest for life isn’t the only thing that stands out about these individuals. Both of them graduated from Northeast High School. Both of them had guests at their events that had also went to Northeast High School - some in the years that they attended and some in years following their graduation. But more importantly, both individuals are still active in the Northeast High School Alumni Association and spend a good portion of their time to ensure that the legacy of the alumni continues and that the current students of Northeast High School have a legacy of their own of which to be proud.

In a time when many people seem to have forgotten how to be kind to each other, they go out of their way to ensure that they share their love of Northeast High School and life with everyone that they come into contact with (even those poor souls that didn’t get to attend NEHS!). They are living examples of what living a well lived life is all about. Generosity of the spirit and of the heart. Sharing their resources and their experience to ensure that others can prosper and succeed.

And how did they get to be that type of person? I know that family and religion played a major part but I also know that their time at NEHS made a profound impact on them. That is clear when you see their dedication to the alumni, the school and most importantly – the students. They want the young people that are now walking the halls of NEHS to have some of the pride and the passion that they continue to feel for their school.

To that end, the Northeast High School Alumni Association is implementing a new program aimed at the current and future students of NEHS. The **Future Alumni Now** program will allow the current students of Northeast High School to become members of the Northeast High School Alumni Association while they are still attending school.

I’m sure that almost everyone reading this grew up hearing the phrase “you don’t get something for nothing”. The meaning was clear – if it didn’t cost something, it wasn’t worth having. Today’s world is no different. People place value on what they pay for rather than what is given away for free. So giving the students of Northeast High School an opportunity to invest in their future, their siblings or that of a friend’s - places a value on the service that can’t be measured in dollars. It’s hope and its opportunity and those are things that our young people need to have in order to succeed. And because our current generation also expects “instant gratification” – becoming a “Future Alumni Now” puts their picture in the window of the Alumni Room, the possibility of winning a gift card or with enough students on board – a party. But most importantly, it’s showing them that for a nominal membership fee, they will be “Future Alumni Now” – and as members – they will become part of an organization that helps to provide opportunities to the students of NEHS – both today and as we remain Vikings for life – maybe tomorrow or next year or 10 years from now.

A BIG THANK YOU FOR BEING PART OF THE NORTHEAST ALUMNI ASSOCIATION

It's a well known fact that we have the most giving alumni in the WORLD (that's right – I said it!) but sometimes we forget that our \$20.00 membership dues are annual and that they need to be paid every January. The list below shows many of the things we support with our membership dues and generous donations.

- Always #1 - Scholarships – While we continue to award annual scholarships, we started a program to provide select students renewable scholarships. The three students who are currently in the program have demonstrated the Viking Spirit by becoming members of the Association and by volunteering at a variety of events that the Alumni Association either hosted or has been part of. Being able to help an Alumni throughout their college or technical school career illustrates to the student the true meaning of what "Once a Viking, Always a Viking" means. These students and the students that follow are the future of the Alumni Association.
- Support to the Viking Pantry. The NEHSAA has always provided school and hygiene supplies but now with the opening of the Viking Pantry, fresh and frozen food is available. Recognizing the need, the board approved the purchase of a refrigerator and that was the start of the new, vastly improved NEHS Viking Pantry.
- Cash awards are given to the undergraduate winners of the annual Essay/Poetry/Visual Arts Contest.
- Financial support (upon review and Board approval) is provided for programs as requested by the Principal, Teachers or Administrators. This includes financial assistance for special events such as Prom & Decision Day.
- Purchase of 6 yearbooks - 2 for alumni room and remainder for area libraries.
- Annual staff luncheon.
- The annual Elf Project.

We had a record breaking year in 2017 but so far have fallen short of 2017's members. We're all going at top speed so writing a check or logging into the website sometimes is overlooked. But it's never too late to catch up - or to get ahead. You can pay your 2018 & 2019 dues at the same time and even be on top of things and pay as far forward as you want. Nothing like getting rid of a TO DO!

And we make it easy for you with 3 methods of payment:

- By check addressed to NEHSAA and mailed to NEHSAA, P.O.Box 1264, Blue Springs, Mo 64013-1264
- Online at NortheastVikings.org
- In Person – email me at mcincotta2@gmail.com and I'll be happy to meet you to pick up your cash or check

President's note: I have had the pleasure of meeting with Aniya on several occasions, the last being at the Welcome to School Open House. I was manning the Alumni Room and she came in and asked if she could take pictures of the memorabilia. As we talked, she shared that she wanted to start a school paper. When I found out that she had a passion for writing, it seemed clear to me that we could use her talents as a "Cub" reporter for the Purple and White Newsletter. Aniya is a Junior this year so we can expect to see several more of her pieces before she leaves the hallowed halls of NEHS. And it's important to note that, Aniya is the first student this year to become a "Future Alumni Now" member. Information on the program is on the front page.

MY LIFE AT NORTHEAST HIGH SCHOOL

Aniya L. Randall

My name is Aniya L. Randall and I was a student at Northeast Middle School before moving to Northeast High School where I am now a junior. My first two years at NEHS were somewhat difficult but I'm happy to say that my junior year is going well and I look forward to my graduation in 2020.

I have five older brothers that I truly admire. They are all proud of being black and of recognizing that getting an education is important. Each graduated high school, acquired great jobs and have loving families. One has served our country and received honors as a Marine. They are my role models and have shown me that determination, an education and hard-work lead the way to success.

After I receive my diploma from NEHS I want to attend either Missouri State University or Tennessee State University to become a pathologist. My dream is to help solve cold criminal murder cases. I wish to provide families with peace and closure for their love ones

I want all of my peers to desire success but there are times that I wonder if some of them have the same goal. Rather than making decisions for themselves, there are some that choose to follow – even if following is the wrong choice. But NEHS has many wonderful teachers and their input and example are helping to make a positive difference in the student population. Additionally, new technology has been implemented and a college preparation class and an architectural class added to the curriculum. And we can't leave out the physical improvements that include the new football field and new bathrooms. All of those things help to raise student's expectations and show them that the school, the school board and the Northeast High School Alumni Association want them to succeed.

September 5th, NEHS had an open house to welcome back both new and returning students. Many parents and siblings came and it was beautiful to see the love and support they provided. The principal and his administrators were there along with many of the teachers. The JROTC Color Guard performed, Cheerleaders and other students gave tours of the school. There were vendors present who support various youth programs. The Northeast High School Pantry and the Northeast High School Alumni Room were both open and members of the NClub had tables with information and items for sale. The presence of so many NEHS Alumni showed visitors the true meaning of what "Once a Viking, Always a Viking" means.

As a Viking, I can recommend NEHS to any student interested in going to a school that supports and cares about the success of their students. The entire staff works to ensure that we feel safe, that our concerns are listened to and that we have a reason to smile as we walk down the halls.

Our motto is "The Best Getting Better" for a reason. Our students are the best and we ARE getting better!

THANK YOU STEPHEN COOLEY '67...As we hear from the current students of Northeast High School about their motto "The Best Getting Better" – we need to acknowledge that the Alumni Association is having some help in that department. A BIG SHOUT OUT goes to Stephen Cooley – class of 1967 for taking the time and effort to scan in our yearbooks/Nor'Easters/Couriers (different names same product - See website for explanation). So now rather than searching the attic and having an allergy attack because of the dust - when you want to see a photo from your school years you can instead go to the NortheastVikings.org website and look it up there. While computers are his passion, and he enjoys just about anything and everything about them; it's a slow and often challenging process because of the conditions of some of the books. Currently, he has completed the following years - 1942, 1948, 1957, 1961, 1962, 1963, 1964, 1964 NE Jr-Vol 1-No 1, 1965, 1966, 1967, 1968, 1969, 1970, 1971, 1972, 1973, 1978, 1988, 2014, 2018. He continues to work on them and we look forward to having every yearbook that we have a hard copy of on the website at some point in the future. So next time you see Mr. Cooley, be sure to let him know how much you appreciate his efforts. He's a great example of the Viking Spirit we hold so dear.

President's note: On the front page I mentioned attending 2 birthday parties, with one being for a 90 year old young lady. That young lady is Delores Faherty. She graduated from Northeast High School in 1957 and was the first freshman to try out for a spot as a cheerleader – and she succeeded in being put on the squad. Not surprising when you consider that she had been dancing since the age of 3. She was also one of the founders of the Northeast High School Alumni Association and remains an active member today. Also in attendance at her birthday celebration were Sue Ann Erb (pictured) and the school's Principal, Douglas Bolden. He announced at the party that in honor of Delores's commitment to the school, he was implementing an award in her name for an outstanding cheerleader that exemplified the scholastic and athletic achievements of the wonderful lady that the award is to be named after. The following are excerpts from an article in The Examiner that highlights what a delight Delores is.

FESTIVITIES AND MEMORIES – INDEPENDENCE WOMAN REMINISCES ON FIRST SANTA-CALI-GON DAYS

For Delores Faherty, it's the fashion of her childhood that first comes to mind. A light brown ankle length dress embroidered with roses, a bow tied in the back, a bonnet with lots of ruffles. That's what she wore to the first Santa-Cali-Gon days in 1949 at the age of 12.

She can still recall walking through the festival in this dress sown by her mother, and recalling the great big sign featuring the festivals name. Men participated in a beard contest and a spitting contest – “which I thought was kind of gross” she recalled with a grimace and horses trotted by with buggies drawn behind them. William Chrisman High School Band provided entertainment. She can't remember what she ate, or even if there was food but she does remember the vibrant wares and her Aunt Helen's bright smile. She was the Queen of the Parade.

Faherty's memories of Santa-Cali-Gon days act as an overarching symbol of her carefree childhood in Independence. She walked to school at Bristol School in Englewood – now a post office – every day. After school and on the weekends, she roamed the square with her friends. Faherty would also take care of her family's cows and chickens, and above all she danced, taking lessons from age 3 to age 17.

Some girls were raised to be pretty, I was raised to be independent, Faherty said. My mom would say, “We're going to Grandma's, tell me how to get there”, when I was 3 years old. The way I grew up – with cows and chickens – is a good way to live. That's why I could do so many things later. This early empowerment led to Faherty opening her own dance studio at the age of 17, after her lifelog teacher moved to California. On her first day as an instructor, she welcomed 40 students. A month later, she began paying her own bills with the studio's proceeds, kicking off an enjoyable and lucrative career that would span 35 years.

Despite Faherty's studio setting in Independence and Raytown, her work had national significance. She traveled across several states in a summer dancing competition and also helped judge pageants. Later, she taught Ronnie Lewis, who would go on to become a Tony award winning choreographer and who worked with Lisa Minnelli, Debbie Reynolds and Dean Martin.

Though Faherty had a wide-reaching impact as a dancer and instructor, she continued to choreograph dances for Santa-Cali-Gon days. In this role, she emulated her Aunt's “Queen of the Parade” – walking in front of her young students and giving them an example to follow.

LAUGHLIN 2019 ALL YEAR REUNION

“REMEMBER WHEN” is the theme for the Laughlin Reunion 2019. Dates are February 24th to March 1st. Please come and join us for five days of fun and fellowship. Get your reservation in early and save. \$80.00 per person before January 1st, 2019 - \$85.00 after January 1st. Special hotel rate of \$42.00 per night for those attending. Details will be on the NEHSAA website: NortheastVikings.org. If you've never attended before, this a great time to start. And if you're a regular – you know what a great time we'll have. If you have any questions, Please call Beverly Pace 816-914-4832.

We can't wait to see you and catch up!

OUR APPRECIATION GOES OUT TO Dr. Ron Fornelli for once again being the chairperson of our annual golf event. His hard work helped to ensure that the event was a success.

An event of this size needs the help of many volunteers who work tirelessly throughout the day to ensure that everything runs smoothly. So a special thank you goes out to the following individuals who gave up their Saturday to ensure that the golfers were taken care of. Louella Rew, Patty Snell, Karole Zinger, Earl Williamson, Alice Benson, Roberta Holt-Kipper, Joyce Manning, Al McCormick, Lary Cooper, Valerie Rodriguez, Shahid Wabbas.

We hope that that everyone that volunteered is noted but in the event that we missed someone - Please accept our apologies if you were not mentioned.

VIKINGS UNITE

2018 ALL YEAR DINNER DANCE

The 2018 All Year Dinner Dance was held at the Blue Springs Marriott Hotel. Multiple classes chose to have their milestone reunions within the event including 1948, 1953, 1963 and 1978. It was wonderful to see the classmates catch up and all attendees enjoyed hearing individuals from the classes of 1948 and 1963 reminisce about their school days and what attending Northeast High School meant to them. The following photos taken by a NEHS Freshman, Jesus Murillo show what a good time the party goers were having!

TIME FOR A CHANGE

As you can see from the photos above, the people that come to the Alumni All Year Dinner Dance have a good time – BUT – the number of people that come to the event has been getting fewer and fewer. While both the 2017 and 2018 All Year Dinner Dance had milestone class reunions within the event, we had less than 100 Alumni in attendance both years. That tells us that it's time for a change and we want your help in deciding how to move forward. What will change in 2019 – the Venue. We've had a lot of good times at the Blue Springs Marriott but it's what might change - the type of event and the time of day.

What won't change in 2019 will the date – it will be the Friday before the golf tournament – which has been confirmed as June 8th, 2019 at Adams Pointe Golf Course. At a later date, we will be asking for input from the golfers to see if they are interested in changing the month and possibly the venue of the Golf Tournament for 2020. But because a few of our golfers do attend both events – we don't want to make any changes without giving our Alumni the opportunity to provide their input. So please take a few minutes to answer the following questions and either Email your responses to mcincotta2@gmail.com or send hard copy to NEHSAA, P.O.Box 1264, Blue Springs, Mo 64013 – 1264

1930's	1960's	THINGS TO KNOW ABOUT THE REMEMBRANCE PAGE AND NOTIFICATIONS Please contact either Jan Engle, the database secretary by email - janengle@sbcglobal.net or Sal Fanara - sal.fanara@gmail.com if you hear of the passing of an alumni or anyone affiliated (past or present) with Northeast High School. If possible, please provide the person's graduation year, the date they passed and a maiden name in the event that the last name is different. If someone other than an alumni, please include what their association with NEHS was. While we do read the obituary's daily, our main source of information in the event of a death is our alumni readers. PLEASE NOTE: Because we do get information from a variety of sources, on occasion errors are made. Please let us know when misinformation is printed so that we can make a correction in our next Purple & White. ALSO: The issue that a death is noted does not necessarily mean that the alumni passed in the months since the last issue. Often we are notified years after an alumni's passing because someone just heard about it and contacted us with the information.

2017 RECOMMENDED CHANGE TO ASSOCIATION BY-LAWS AND BOARD OF DIRECTORS APPROVED

At the October 2017 Membership meeting, the Alumni Association Board recommend that the Board of Directors for the Northeast High School Alumni Association be reduced in number to a total of 18 members over a period of time beginning in October 2018 until such time as the reduction was achieved. This recommendation was voted on and approved.

To reflect this change, The NEHSAA By-Laws have been modified accordingly as follows: ARTICLE VII, Section 1 "Number of Members" and will read as follows: "The Board of directors shall consist of eighteen (18) members who shall be regular Members of the Association. More than one member of a graduating class may serve on the Board of Directors; however, representation of many graduating classes shall be encouraged to develop a wider range of representation."

2019 NEW BOARD MEMBERS LETTERS OF INTEREST PROVIDED PRIOR TO ELECTION TO BOARD SEAT

CONNIE EVORITT MITHELAVAGE 1963

My name is Connie Evoritt Mithelavage, class of '63, and I would like to be considered for a position on the board.

Past positions that I have held with NEHSAA have been Vice President, Social Chairman, Newsletter Editor, Photographer and Scholarship Chairman.

Since that time, I have been involved with CASA (Court Appointed Special Advocate) for Jackson County, Missouri working with the courts and foster parents when children are in danger and have to be removed from their home situation.

I am a volunteer reader for Lead To Read in the Kansas City School District with first graders. I am one of around 700 volunteers to read with students over the lunch hour to enrich their reading experience. "First to third grade a child goes to school to learn to read, from third grade on, you read to learn." If you haven't mastered reading by third grade, many times you get left behind.

I took a break from the alumni association due to my husbands health and subsequent death. During that time, I have kept in touch with several of our recipient scholarship students and followed them on their journey to a successful adulthood. What a joy to have been a small part of awarding scholarship money to our students to help them on their way!

TONY LUU 2016

Foundations are about establishing stability either from an architectural perspective or in my case, where I call home. Beloved board members, I am writing to the alumni association to present my skill sets and assure my intentions to become a board member. I am from NEHS class of 2016 and was honored to call NEHS home since 2009.

Since graduating in 2016, I have been at the University of Missouri - Kansas City (UMKC) obtaining my Bachelor's Degree in Business Administration, with emphasis in Entrepreneurship and Innovation. I plan to graduate Spring of 2019. I'm currently working at American Family Insurance gaining professional insight and exposure to the workforce. Since graduation, I often go back home (NEHS) to check on our future alumni and maintain the relationships with faculty.

My intentions are as purple and white as they come. I am a Viking through and through and I know where I belong. I intend to bring my analytical background and tech-savvy mindset to the association along with my positive character and my desire to serve and give back. When it comes to service, I believe our association has exemplified exactly that, by raising scholarships for future graduates and establishing a food pantry for our Vikings; unsure of their next meal. I want to serve our community, our home, our alumni - present and future.

In summary, being a part of the alumni association will provide me the opportunity to connect with future alumni and share with them the rich heritage of integrity, compassion, responsibility, and dedication that alumni of Northeast have passed down through generations, while allowing me to make my mark in sharing with future generations of Vikings. For myself being a Viking has been a privilege and it will only get better.

Northeast Vikings N Club Association Inaugural Hall of Fame

The mission of the N Club is to support and recognize the accomplishments of current and former Viking athletes. For the last several years, they have been strong supporters of Viking athletics.

There always was a vision to recognize and honor the great athletes that have proudly worn a Northeast High School sports uniform in the past. On October 7, 2017 that vision was realized and the following were inducted at the Inaugural Hall Of Fame Ceremony, held in the NEHS gym.

President's Note: The Northeast High School Village Pantry opened April 3rd, 2018. While the ownership of the Pantry belongs to the NEHS and the Kansas City Missouri School District, the hard-work that went into getting it opened is due in major part to the Alumni who gave generously of their time, money and resources to make it a reality.

Roberta Holt-Kipper '69 is the Project Manager for the Village Pantry and she has done an exceptional job of finding the materials needed to get it set up, the people who could provide those materials and once received, putting the refrigerators, freezers, racks, shelving etc. into the rooms designated for the pantry use to make the most of the space available. She manages the day to day operations including volunteer staffing – of which many are NEHS Alumni.

THE FOLLOWING IS ROBERTA'S REPORT ON THE PANTRY

We have seen over 1700 students since the pantry opened. This includes students in transition and families with food insecurity. Food insecurity is having 6 people to feed but food for only 4. Northeast is a Title 1 school which means that all students and faculty are in this category. We have seen teachers with very little money leftover on the 15th of the month. They are welcome to anything that the pantry has available at the time of their need.

Sometimes it's not an issue of not having food at home. One of the things the pantry is involved in is supplying the attendance office with breakfast items when buses are late and students miss breakfast.

Because of the bounty received by our generous contributors – we also help the school in special celebrations/rewards. Recently we provided Principle Bolden with 500 cookies – Thanks to HyVee Grocery – to celebrate 90/10 attendance. We supply up to 105 with fruit or other things for after school activities. This includes athletes, students receiving tutoring, students studying in the library/media center, the robotics club and any other individuals or groups that are in the school after normal school hours. It is expected that when the district takes over school feeding, the need to provide these services will end.

After the food portion of the pantry was established, we moved on to other necessities. We now have a clothes closet for both young men and women. We have coats, jackets and everyday clothes as well as some dress items loaned to Mr. Belen for young people going on interviews. Recently I picked up a donation from an Alumnus that included several pair of new men's dress shoes. We Love Our Alumni!

Recently we were given somewhere between \$10 - \$20,000 worth of food and other items from a restaurant in Unity Temple on the Plaza that had lost their lease and decided to close instead of relocating. Rather than sell the merchandise – the owner Sandi Rose-Corder - Cloutz McIntosh – who is a Northeast graduate, choose NEHS along with a few other worthy recipients to receive much of the stock. Bill Crook, a fellow board member, made two trips with me to pack up and transport our bounty. Among the items we got were two professional food processors, a professional juicer, coffee urns, diffuser bottles, trays and every type of Vegan product imaginable. Add to those kitchen items were 3 beautiful hand painted tables as well as chairs. In terms of long lasting perishables, we have coconut, gluten free and rice flour. If you know of a shut in or someone who has "food issues", please let us know.

A Thank You To All That Worked So Hard To Make The Pantry Possible

Helen Shores '60

Roberta- Thanks for every update. Thank you for sharing the good news. Thank you for your insightful caring attitude. Thank you for being that SPARK PLUG that just keeps 'sparking'! Thank you to your mom... 'our adopted mom', who is with you every day and has been an inspiration for all the volunteers and students who arrive at NEHS to help in the NEHS VILLAGE PANTRY. A HUGE THANK YOU to ALL who volunteer, alumni who respond by sending their donations of food, clothing, health and hygiene products, school supplies, various other supplies like books, winter coats, shoes, cabinets, refrigerators, freezers, customized pantry aprons and pantry tote bags for groceries, clothes racks and hangers, display shelving...the list just doesn't end! Caring supporters read about the pantry online, on Facebook, at the NEHSAA web page and Facebook sites. They hear the news by word of mouth and cellphones. And Chief Head of Pantry, Roberta Holt Kipper, communicates to everyone what is happening in the pantry almost daily and, at times, more often than once daily! So, the alumni and public choose how to respond! Many alumni choose to send a check. The community support for this NEHS VILLAGE PANTRY idea has blown our minds and has exceeded all expectations! Wonders do not cease! God has worked miracles in the northeast district of KCMO.

The need is real. The hunger is daily. The daily need does not end.

FROM THE PRINCIPAL'S CHAIR

It was approximately a year ago that I approached Ms. Roberta Holt-Kipper (caretaker of Northeast High School's Famous Alumni Room) about how they could help me with the idea of introducing a school store to our student body and staff. That is how it originally started in the very beginning, as a proposal for creating a school store.

What has happened over the course of the following year has been nothing short of a miracle. What started out as a school store is something much, much more.

Because of the combined efforts of the Northeast High School Alumni Association and the N Club, Northeast High School now has a 1) school store, 2) school pantry, 3) school closet for clothes and a "take a book" library for our students and their families.

In a million years, I could not have imagined the impact this whole operation would have on the entire school and community. In addition, now that the store has proven itself to be a vital part of the school, our students feel even more a great sense of support and love from the Alumni and staff members because of their charitable efforts. To try and put what the school's pantry means to our school, the students, our families and the community too, would be literally impossible to do.

Our school is truly blessed to have such a caring, supportive and hardworking alumni. They have paved the way and created a blueprint for how a school can support the needs of the students in such a supportive and caring manner.

In closing, to our two alumni groups, I truly salute the efforts of everyone involved. Their unselfish donations such as refrigerators, freezers, tables, financial contributions etc, have made our special school and its staff feeling blessed among schools. Of all the things that I have mentioned, nothing is more valuable than these amazing people's time that they give freely to both our students and staff.

In the words of Northeast High School's very first principal, from 1914 – Dr. Charles R. Reynolds, he spoke these now famous words "Nothing is too good for Northeast". Though these words were first spoken in 1914, we live that truth at Northeast High School each and every day. Looking back, Dr. Reynolds was exactly right...Nothing is too good for Northeast High School.

And as we always say "Once a Viking, Always a Viking!!!"

Go Viking Nation!!!

Mr. Doug Bolden, the extremely proud principal of Northeast High School

October 2018

Hello fellow Northeast High School Alumni. We are pleased to advise the "All Sports Award Banquet" held this past May was a "STAR SHINNING" success! Nine Most Valuable Players were awarded their "Varsity Letter Jacket" all decked out with their Purple Letter and Most Valuable Player Star patch. We didn't stop there, we placed several award pins indicating the sport they lettered in and a shining gold metal MVP pin all of which were placed on the athletes purple letter! There's more, we also included the graduation year patch and the players first name embroidered on their jacket. A first class "Letter Jacket" which not only recognizes their athletic achievements but will also keep them warm with the winter season right around the corner!

These student athletes have contributed the most skill to their team and have earned the honor of the respected **NORTHEAST VIKING MOST VALUABLE PLAYER:**

MICHAEL HOLLIS, Class of 2021, Cross Country	TEVIN BROOKE, Class of 2019, Football & Baseball
SHEFEO LAR, Class of 2021, Boys Soccer	ERIONA RIOS, Class of 2019, Volleyball
GIAVANNI COOK, Class of 2021, Girls Basketball	MICHAEL PEAKE, Class of 2019, Boys Basketball
EVAN BRATCHER, Class of 2021, Cheer	JACKIE MARTINEZ, Class of 2019, Girls Soccer
RIAK MABOUR, Class 2020, Track & Field	

Each year the N Club recognizes those athletes who have achieved academically as well as athletically. Once again we honored those students with a beautiful "Academic Medal Award" on a purple and white ribbon!"

On behalf of the MVP's and the Northeast Vikings N Club we wish to thank Mike Brasfield '63 for his support in making this a truly great night to be a VIKING! We wish to say thank you for those alumni who so kindly donated to the first "Varsity Letter Jacket Award Program"... a big shout out to: Don Kimble '60, Fana Cona Vogelbaugh '59, Jackie Mocca Lenz '63, The Fabulous Ladies of '63, Coach Jim Conaway, Carl Shortino '54, Terry Bryson and Mike Brasfield '63! A big thank you to Bob Wisdom for donating the gorgeous roses for the banquet and to take home to Mom! Thank you Mike Rooney '64 at Rod's Sporting Good in Blue Springs for helping us acquire the jackets. And, thank you to our NEHS Alumni Association for their donation to help with the banquet buffet! It was a night to remember and to be thankful for and from the bottom of our heart "THANK YOU" TO ALL who contributed to this Star Shinning night!

WE ARE OFF AND RUNNING WITH THE 2018/2019 VARSITY LETTER JACKET PROGRAM with 5 commitments of letter jacket sponsorships! We need more help and we are reaching out to those alumni who wish to help ... if you would like to sponsor a jacket for a high achiever ... the sponsorship is \$250.00 ... please contact me ... we need your help to continue this meaningful athletic program!

ONCE A VIKING ... ALWAYS A VIKING!

THE NORTHEAST HIGH SCHOOL ALUMNI ASSOCIATION ELF PROJECT

It's that time again - that special time of year when our wonderful Alumni and Friends open their hearts and their wallets so that worthy students at Northeast High School can enjoy a Christmas that will live in their hearts forever.

You may wonder how we find our students and how we know what they want. They are recommended by the teachers and staff at Northeast and are then interviewed by the School Liaison and in some instances – an Alumni Board Member. The students are then asked if they want to participate. Those that choose to do so are asked for 5 wants (things they need) and 5 wishes (things they would like to have). Those lists are then be distributed to the Elves and the shopping will begin!

Our Alumni and Friends have two options to participate:

- Personally shop for a student. You can ask for either a girl or boy and depending on how early you volunteer and the availability – your request can usually be met. Please send requests or questions to our Head Elf Trish Walker at twalker729@kc.rr.com or call 816-809-6173
- Send a check marked "Elf Project" to the Alumni Association:
NEHSAA, P.O.BOX 1264, BLUE SPRINGS, MO 64013-1264

The students should be chosen and the shopping lists available no later than November 21st. The lists will be scanned and emailed to those that want to shop or a time and place can be set up to pick up a hard copy.

SPECIFICS

- Shopping needs to be completed by December 13th
- Arrangements need to be made to either deliver or have them picked up no later than December 15th
- Shoppers can either wrap their gifts or Alumni members will wrap them
- A pizza party will be held at the school. Possible dates - Dec 16th, 19, 20 - exact date to be determined. All Elves are encouraged to attend. The students are allowed to open one wrapped gift during the party.

This is a wonderful opportunity to help make happy memories for students that might otherwise not have any to remember. It's also an opportunity for you to know that you helped bring joy to a child that might not have any in their life. That's a gift that money can't buy.

PLEASE NOTE: Elves are not expected to buy every item on the list. Because students talk and compare what and how much they receive - it's recommended that no more than 6 items per student be purchased. That helps to ensure that no student (particularly when there are siblings included in the project) gets their feelings hurt. Students are told during the interviews that they should not expect to receive everything on their list but that they can expect to receive presents from both the wish and the want side.

NEHSAA HOODIES AND T-SHIRTS

As Fall is right around the corner, proclaim your Viking pride as you proudly wear a NEHSAA hooded, zip up sweatshirt or long sleeve t-shirt, shown below. The sweatshirt has an embroidered Logo and the t-shirt is silk screened.

Both the sweatshirts and t-shirts come in sizes from Med to XXXLG. The sweatshirts sell for \$40.00 each and \$7.00 shipping. The long sleeve - T's are \$15.00 each and \$7.00 shipping. Go to our website Northeastvikings.org for a complete list of our logo merchandise. If you have questions about any logo items, please contact: Alice Benson by email at Agirard47@hotmail.com. Support the Students and stay warm and stylish!

It's never too late to get involved with the Alumni Association!

We are always looking for volunteers to help with many of our projects. Contact any board member to ask for more information.

To become an active member, all you need to do is pay your annual \$20.00 dues and you then become part of an organization that helps to make the dreams of Northeast students come true. If you have a favorite project that you want to earmark your dues towards, please make a note and include it with your check and mail it to:
